Together Lyrical Tennyson Classic Reprint:

The Artistry and Tradition of Tennyson's Battle Poetry Timothy J. Lovelace, 2004-03 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company The Lyric Poem Marion Thain, 2013-11-07 As a study of lyric poetry in English from the early modern period to the present this book explores one of the most ancient and significant art forms in Western culture as it emerges in its various modern incarnations Combining a much needed historicisation of the concept of lyric with an aesthetic and formal focus this collaboration of period specialists offers a new cross historical approach Through eleven chapters spanning more than four centuries the book provides readers with both a genealogical framework for the understanding of lyric poetry within any particular period and a necessary context for more general discussion of the nature of genre *The Quad* ,1900 The Poems of W.B. Yeats Peter McDonald, 2023-05-31 In this multi volume edition the poetry of W B Yeats 1865 1939 is presented in full with newly established texts and detailed wide ranging commentary Yeats began to write verse in the nineteenth century and over time his own arrangements of poems repeatedly revised and rearranged both texts and canon This edition of Yeats s poetry presents all his verse both published and unpublished including a generous selection of textual variants from the many manuscript and printed sources The edition also supplies the most extensive commentary on Yeats s poetry to date explaining specific references and setting poems in their contexts it also gives an account of the vast range of both literary and historical influences at work on the verse The poems are presented in order of composition and major revisions or rewritings of poems result in separate inclusions in chronological sequence for these writings as they were subsequently reconceived by the poet In this third volume Yeats s poetry of the first decade of the twentieth century is brought into sharp focus revealing the extent of his efforts to re fashion a style that had already made him a well known poet All of the major modes in Yeats s earlier work are subject to radical re imagining in these years from poetic narrative founded in Irish myth in poems such as Baile and Aillinn and The Old Age of Queen Maeve to the symbolist drama poetry of The Shadowy Waters here edited in its two completely different versions of 1900 and 1906 In a decade when the theatre was one of Yeats s principal concerns his lyric poems which were becoming increasingly explicit in personal terms began to discover new intensities of conversational pitch and mythic resonance Poems such as The Folly of Being Comforted Adam s Curse No Second Troy and The Fascination of What s Difficult are given close attention in this new edition alongside topical and epigrammatic pieces that are often passed over in accounts of Yeats s development The evolving complexities of Yeats s personal and political lives are crucial to his artistic growth in these years and the commentary gives these generous attention showing how the poetry both feeds upon and often transcends the circumstances of its composition The volume offers strong evidence for this decade as a crucial one in Yeats s poetic life in which the poet created wholly new registers for his verse as well as new dimensions for his imaginative vision *Narrative and Lyric Poems for use in the Lower School* Henry Wadsworth Longfellow, William Wordsworth, William Edmondstone Aytoun, Elizabeth Barrett

Browning, Thomas Babington Macaulay, 2023-08-12 Narrative and Lyric Poems for use in the Lower School offers an exceptionally curated journey through the landscapes of narrative and lyrical poetry This anthology embodies the rich diversity of poetic forms and themes that shaped 19th century British and American literature Each piece handpicked for its literary significance and resonance with young readers encompasses a range of styles from the vivid storytelling in narrative poems to the profound emotional spectrum of lyric poetry The collection s diversity is both its hallmark and a testament to the timeless quality of these works inviting readers to savor pieces that stand out for their emotional depth and narrative beauty The anthology features esteemed poets such as Henry Wadsworth Longfellow William Wordsworth Elizabeth Barrett Browning among others who collectively capture the essence of Romantic and Victorian sensibilities Their contributions provide rich insights into societal norms personal introspections and the natural world each poem offering reflections rooted in the authors respective cultural and historical contexts These poetic voices collectively enhance the anthology s mission creating an enriching tapestry that helps young readers develop a nuanced appreciation for varied perspectives within these movements Readers of Narrative and Lyric Poems for use in the Lower School will find themselves immersed in a world of rich imagery and evocative storytelling through the works of some of the most influential poets This anthology serves not only as an introduction to crucial literary figures but also encourages exploration of thematic interpretations and lyrical styles that continue to influence contemporary literature Encouraging thoughtful dialogue and contemplation it is an invaluable resource for students and poetry enthusiasts alike offering educational enrichment through its wealth of insights and artistic variety
