Tom Swift and His Electric Runabout, Or, the Speediest Car on the Road Victor Appleton,2017-06-19 CHAPTER I ON A LIVE WIRE Now see here Mr Swift you may think it all a sort of dream and imagine that I don t know what I m talking about but I do If you ll consent to finance this expedition to the extent of say ten thousand dollars I ll practically guarantee to

give you back five times that sum I don't know Alec I don't know slowly responded the aged inventor I've heard those stories before and in my experience nothing ever came of them Buried treasure and lost vessels filled with gold are all well and good but hunting for an opal mine on some little heard of island goes them one better Then you don't feel like backing me up in this matter Mr Swift No Alec I can't say I do Why just stop and think for a minute You're asking me to put ten thousand dollars into a company to fit out an expedition to go to this island somewhere down near Panama you say it is and try to locate the lost mine from which some centuries ago opals and other precious stones came It doesn't seem reasonable But I'm sure I can find the mine Mr Swift persisted Alec Peterson who was almost as elderly a man as the one he addressed I have the old documents that tell how rich the mine once was how the old Mexican rulers used to get their opals from it and how all trace of it was lost in the last century I have all the landmarks down pat and I'm sure I can find it Come on now take a chance Put in this ten thousand dollars I can manage the rest You'll get back more than five times your investment If you find the mine yes I tell you I will find it Come now Mr Swift and the visitor's voice was very pleading you and your son Tom have made a fortune for yourselves out of your different inventions Be generous and lend me this ten thousand dollars Mr Swift shook his head I've heard you talk the same way before Alec he replied None of your schemes ever amounted to anything You've been a fortune hunter all your life nearly and what have you gotten out of it Just a bare living That's right Mr Swift but I've had bad luck I did find the lost gold mine I went after some years ago you remember Yes only to lose it because the missing heirs turned up and took it away from you You could have made more at straight mining in the time you spent on that scheme Yes I suppose I could but this is going to be a success I feel it in my bones That's what you say every time Alec No I don't believe I want to go into this thing Oh come do For the sake of old times Don't you recall how you and I used to prospect together out in the gold country how we shared our failures and successes Yes I remember that Alec Mighty few successes we had though in those days But now you've struck it rich pardner went on the pleader Help me out in this scheme do No Alec I'd rather give you three or four thousand dollars for yourself if you'd settle down to some steady work instead of chasing all over the country after visionary fortunes
