Tombstone Postcard History

J Spring

Tombstone Postcard History:

Tombstone Jane Eppinga,2010 In the 1800s Tombstone was a rowdy silver mining camp and the scene of a famous gunfight that enhanced its wicked reputation When the rich silver mines were tapped out Tombstone managed to survive and lived up to its motto The Town Too Tough to Die The movie industry enhanced this wild reputation by portraying legendary gunfights at the O K Corral which never actually took place at that location For many years the town has used its history to attract visitors by giving them a sense of life in the Old West This volume includes many of the postcards tourists mailed home depicting romanticized and legendary views of Tombstone **Tombstone's Treasure** Sherry Monahan,2010-11-23

Sherry Monahan is an authority on the city that wouldn't die and its history In *Tombstone's Treasure* she focuses on the silver mines one reason for the city's founding and the saloons the other reason the city grew so quickly When the discovery of silver at Tombstone first became known in mid 1880 there were about twenty six saloons and breweries By July of the following year the number of saloons in Tombstone had doubled The most popular saloon games of the time were faro monte and poker with some offering keno roulette and twenty one Monahan shares true tales about Tombstone's mining and gambling history and describes a different time and locale where wealthy businesspeople and rugged miners rubbed elbows at the bar and gambled side by side It is both shocking and enlightening to learn just how sophisticated Tombstone really was when the Earps Doc Holliday Johnny Ringo and Curly Bill strode the boardwalks Tombstone actually had telephones ice cream parlors coffee shops a bowling alley and a swimming pool Wow It is so contrary to the Hollywood version of the town but it's absolutely true from the Foreword by Bob Boze Bell Read Sherry Monahan's interview on AMC on the Wild West and the film *Wild Bill* **Bygone Shanghai A Postcard History from 1890 to 1945** Felicitas Titus,2017-03-22 A beautiful

comprehensive collection of antique China and Shanghai specific postcards which takes you through the colonial era of China 1890 1945 The text is written by Felicitas Titus M A in German and French Languages from U C Berkeley who was born and raised in China during the years of 1925 1950 and who is an expert on Chinese history Her commentary provides just enough explanation of the events and people of that period to make the postcards come alive The entire book is filled with historically significant and lovely images capturing Chinese life at that time *New Jersey Cemeteries and Tombstones* Richard F. Veit,Mark Nonestied,2008 *New Jersey Cemeteries and Tombstones* presents a culturally diverse account of New Jersey's historic burial places from High Point to Cape May and from the banks of the Delaware to the ocean washed Shore to explain what cemeteries tell us about people and the communities in which they lived **The Journal of Arizona History** ,2014

Hidden History of Routt County Rita Herold,2020-08-10 Settling Routt County was never easy or safe Fugitives used the undeveloped landscape as an outlaw trail to evade authorities The inexorable Harry Tracy managed three jailbreaks before being killed by a posse Conversely many of the first families left entrepreneurial legacies Widowed Alice Bartz sold the family homestead to start the Bartz Hotel in her Steamboat Springs bakery and house serving three meals a day to locals and guests

Others families like the Nays and the Laughlins were able to cut hay and raise enough livestock to pass the land down to future generations Native author Rita Herold preserves oral histories and nearly forgotten episodes of the county s past

Neapolitan Postcards Goffredo Plastino,Joseph Sciorra,2016-06-22 Neapolitan Postcards gathers a diverse group of international scholars to investigate unexplored transnational aspects of the intimate yet globally popular canzone napoletana Performed and beloved worldwide in almost every language the style had hits such as Funicul funicul 1880 and O sole mio 1898 which sold millions of copies These hits fueled the tradition s spread across the world over the course of the twentieth century with the eventual popularity of covers by singers and musicians of all music genres and styles from popular music to opera and jazz This book is the first scholarly work that considers the specific complexities of the international Neapolitan Song scenes through case studies from Argentina England Greece and the United States employing analyses of compositions iconographical sources international films mechanical musical instruments performances and recordings devoted to the canzone napoletana

Postcards from the Trenches Allyson Booth,1996 She links for example the modernist representation of an unstable self to soldiers familiarity with corpses the modernist mistrust for fact to the competing nationalist discourses of August 1914 and the modernist description of buildings as having shaken off the past to a desire to forget the war Booth argues that the dislocations of war often figure centrally in modernist forms even when the war itself seems peripheral to modernist content

Catalog of Catalogs: A Bibliography of Temporary Exhibition Catalogs Since 1876 that Contain Items of Judaica William Gross,Orly Tzion,Falk Wiesemann,2019-09-16 Catalog of Catalogs provides a comprehensive index of nearly 2 300 publications documenting the exhibition of Judaica over the past 140 years This vast corpus of material ranging from simple leaflets to scholarly catalogs contains textual and visual material as yet unmined for the study of Jewish art religion culture and history Through highly detailed fully indexed catalog entries William Gross Orly Tzion and Falk Wiesemann elucidate some 2 000 subjects geographical locations and Judaica objects ceremonial objects illuminated manuscripts printed books synagogues cemeteries et al addressed in these catalogs Descriptions of the catalog s bibliographic components contributors exhibition history and contents all accessible through the volume s five indices render this volume an unparalleled new resource for the study of Jewish Art culture and history

Peabody in Vintage Postcards William R. Power,2002 Peabody was settled in 1626 as Brooksby Village and was originally a part of the town of Salem In 1752 citizens joined in the area of town known as Salem Village to form the town of Danvers The separation of the two towns into Danvers and South Danvers took place in 1855 In 1868 the name of South Danvers was changed to Peabody to honor its native son George Peabody In Peabody vivid postcards offer a contrasting view of what it was like to live and work in a community having two distinct characters the town center with its bustling tanning industries which soon earned Peabody the sobriquet of Leather Capital of the World and the pastoral farming villages of Brookdale Locustdale Brooksby and West Peabody which portray a sense of life in rural America during this same era

Williamsburg in Vintage Postcards

Kristopher J. Preacher, 2002 Williamsburg is a stronghold of the past a sort of enchanted ground lovely and quiet as a dream Williamsburg may no longer be quiet as a dream but it is certainly lovely and unquestionably a stronghold of the past more so now than Miss Hildegard Hawthorne could have dreamt when she penned these words in 1917 After Virginia's capital moved from Williamsburg to Richmond in 1780 the city sank into one and a half centuries of sleepy obscurity punctuated only by the Civil War From 1928 to 1932 however John D Rockefeller Jr restored the city to its colonial glory and it leaped from impoverished backwater to tourist mecca within the space of a few years Postcards from the Western Front Mark Connelly, 2022-09-15 Visitors to the battlefields of France and Belgium expressed pain and anguish pride and nostalgia and wonder and surprise at what they saw Postcards from the Western Front chronicles the many ways in which these sites were perceived and commemorated by British people both during the First World War and in the twenty years following the Armistice Mark Connelly's definitive and engaging study of the former Western Front examines how different and distinctive sub communities regional ethnic and religious civilian and armed forces influenced the depth and strength of the visiting public's relationship with the battlefields all the while comparing and contrasting this relationship with the viewpoint of the French and Belgian inhabitants of the devastated regions Connelly draws from a vast archive a number of interlocking themes including the lingering presence of the battlefields in the British domestic imagination the often fraught experience of visiting the battlefields memorials and cemeteries functioning as part of a historical testimony to wartime realities and the interactions between visitors and the people living in these former fighting zones Focusing on French and Belgian sites Connelly nevertheless provides insight into other major battlefields fought over by troops from the British Empire Extensively illustrated with black and white photographs Postcards from the Western Front offers a groundbreaking perspective on landscapes that rarely left anyone whether tourist inhabitant veteran or pilgrim unmoved **Mennonite Family History** **October 2022** Lois Ann Mast, Mennonite Family History is a quarterly periodical covering Mennonite Amish and Brethren genealogy and family history Check out the free sample articles on our website for a taste of what can be found inside each issue The MFH has been published since January 1982 The magazine has an international advisory council as well as writers The editors are J Lemar and Lois Ann Zook Mast **German City, Jewish Memory** Nils Roemer, 2010-12-14 A remarkable in depth study of Jewish history culture and memory in a historic and contemporary German city Proceedings of ... Annual Indiana History Conference, 1927 *Uncovering Our History* Susan H. Veccia, 2004 Using primary sources to teach history which goes beyond rote memorization of dates and facts has been incorporated into the educational standards of nearly every state For overburdened K 12 teachers librarians and media specialists complying with those standards is easier said than done In this useful handbook expert author Susan Veccia offers readers practical ways to incorporate these standards into their curriculum using the resources of the Library of Congress's American Memory Website This national treasure and resource for bringing history alive is home to over 100 digitized collections of primary sources more than 7 5

million documents While the wealth of information on this site is freely available its magnitude can seem overwhelming This hands on insider s guide helps educators and librarians navigate the information and learn when where and how to incorporate these online primary documents into the curriculum The author along with four contributors three teachers one librarian share practical lessons and personal stories that illustrate How American Memory resources can be used to teach history information Literacy and critical thinking in elem

Georgia's Historical Recipes Valerie J. Frey, 2025-05 Georgia's Historical Recipes is an exploration of our state s oldest recipes from the antebellum period through World War II as painstakingly researched by Georgia archivist Valerie J Frey This volume begins with a discussion of old recipes as primary sources and what they can tell us about the history and culture of their era and how to bring them to life in modern kitchens Frey then moves into fifty sections that can be read alone yet allow readers to build an understanding of how foodways evolved over time Some sections highlight a single recipe illustrating how changes in technology agriculture transportation communication and social patterns led to changes in Georgia kitchens Most of the recipes are previously unpublished waiting in archives to be rediscovered Other sections explore our oldest cookbooks offering biographical and cultural background information that makes them more meaningful For the first time Georgians have a list of the state s early cookbooks and its cooking experts Readers will learn where to find Georgia s oldest recipes and discover many examples to whet their appetites literally and figuratively for a taste of Georgia s past

The Wiltshire Archaeological and Natural History Magazine Edward Hungerford Goddard, 1927 Includes proceedings of the annual general meetings of the Wiltshire Archaeological and Natural History Society

Traveling the Shore of the Spanish Sea Geoff Winningham, 2010-02-15 In a work of sweeping breadth and beauty Geoff Winningham has created a profusely illustrated contemplative travel journal that showcases his talent as both a photographer and a writer and reveals his affection and respect for the two countries he calls home In 2003 photographer Geoff Winningham saw for the first time both the southern coast of Veracruz with its volcanoes rain forests and steep mountains and the Texas coast near High Island where the land seems to stretch endlessly covered by a sea of salt grass He decided that these two visually striking areas could be the beginning and end points of a photographic study that would also engage the two cultures in which he had lived for twenty years the U S and Mexico Now seven years and more than a hundred trips later Traveling the Shore of the Spanish Sea The Gulf Coast of Texas and Mexico is the result In this beautifully illustrated and engagingly written book Winningham also considers the role that the Gulf of Mexico played in the discovery and exploration of the New World Winningham s journey begins east of High Island in Port Arthur where the images suggest a cautionary tale relating to the oil industry and the land It ends twelve hundred miles down the coast at the end of an old stone road in tropical terrain of almost indescribable beauty overlooking the sea In between more than two hundred photographs include natural landscapes ranging from unspoiled to completely despoiled roadside architecture and signage and images of people Winningham met As he attempts to come to terms with the disturbing changes he witnessed to

the coastal environment the book also contains elements of a poignant personal lament for what is being lost *Traveling the Shore of the Spanish Sea* The Gulf Coast of Texas and Mexico will delight and enchant readers with its deeply felt personal narrative and the power and beauty of its images Photographs Across Time: Studies in Urban Landscapes Mary J. Thornbush and Sylvia E. Thornbush, 2015-01-06 *Photographs Across Time: Studies in Urban Landscapes* presents a record of urban environments in Britain including Oxford York Scarborough Dunbar Edinburgh and Inverness It is a unique demonstration of how digital photography bridges urban landscape studies with archaeology and heritage studies The book revisits several landscape and weathering studies in churchyards throughout England and Scotland in the UK The book explains cross temporal and archival applications of digital photography and explores the archaeological use of photographs Readers can also learn about issues related to creating and maintaining digital records as well as issues relevant to heritage sustainability Researchers landscape experts and professional photographers as well archivists will find *Photographs Across Time* as a handy reference for quantitative geomorphological studies on English heritage sites and the qualitative realm of historical archaeology

Yeah, reviewing a book **Tombstone Postcard History** could be credited with your close links listings. This is just one of the solutions for you to be successful. As understood, exploit does not suggest that you have astounding points.
