Tomorrow Never Knows The Silverchair Story:

Fornication: The Red Hot Chili Peppers Story Jeff Apter, 2009-12-15 Here is the extreme story of the indestructible LA group from their early funk days to eventual success as one of America's top selling bands. Despite an epic reputation for exhibitionism, drug taking and debauchery, through it all the Chili Peppers have continued to produce records that shock, challenge and intrigue their fans. Author Jeff Apter has interviewed dozens of people, many speaking openly for the first time who have moved in and out of the Chili Peppers circle over the past three decades. He has spoken with former Chili Peppers, life long friends, classmates, family members, album producers and music business insiders as he plots the band's rise from Hollywood latchkey kids willing to test drive any drug or woman they could score to the camomile tea sipping superstars of today whose only true family is this band.

EBOOK: Access All Eras: Tribute Bands and Global Pop Culture Shane Homan, 2006-09-16 From Björk Again to the Illegal Eagles, from Black Sabbath to the Essex Pistols and the Bootleg Beatles, tribute bands comprise a significant sector of many national music scenes. Access All Eras is the first book to examine the tribute and cover band phenomenon and its place within the global popular music industry. The ability of tributes to reinforce or challenge the very idea of stardom is explored through studies of imitations of various iconic pop and rock performers including Elvis, the Beatles, Jimi Hendrix, ABBA and the Beach Boys. Analysis of such tribute acts can tell us much about how the meanings of performers and performance circulate globally and are resisted or accommodated by local music cultures in the commercialisation of live and recorded memories. The book also looks at music industry attitudes towards imitation including copyright issues and the use of multimedia performance techniques to deliver the authentic tribute experience. It offers an insight into how understandings of nostalgia and celebrity circulate within contemporary society and are connected with other media and leisure industries. Access All Eras is key reading for students in popular music, media studies, cultural studies, arts, music sociology, performing arts and popular culture studies.

Tomorrow Never Knows Jeff Apter, 2003 How did Silverchair become one of Australia's most successful rock bands? As thousands of teenagers were thrashing their guitars in their parents' garages, Daniel Johns, Ben Gillies and Chris Joannou were cutting their first record. They were fifteen. Their career paths read like a dream for any aspiring band: win a national competition, get discovered and sell over 6 million records worldwide. But it wasn't an easy ride to the top. This first ever account of the band contains the most candid one on one with Daniel Johns you will ever read as well as a rare interview with their manager John Watson. Back cover.
