The Kiss of Judice: The Constitution Betrayed: A Coroner's Inquest and Report [Vol. 4] Judge Douglass H. Bartley, 2013-11-29 This work is the fourth of a four volume treatise In twelve sections it covers Death of Contract Full Faith thus denoting the judicial Judas like betrayal of the Constitution Coroner s Inquest denotes that the work is a study into the death of the Constitution Your author is the Coroner He proceeds in the Inquest with the aid of his Coroner s Jury Jefferson Madison Hamilton Story Locke and Blackstone The work in the first two volumes of the treatise is a dialogue between the Coroner and his jury on the various parts of the Constitution covered The jury members answer the Coroner s questions for the most part in their own words drawn from a variety of their written works

Occasionally the Coroner puts words in their mouths those inventions are shown in brackets in the jurors answers In the third and fourth volumes the lessons of the Founders in Volumes 1 and 2 are applied to cases decided by the U S Supreme Court Most readers will be astonished at how often the supreme court has gotten it wrong either in result reasoning or both The work is novel because to the author s knowledge it is the only Constitutional Law textbook that collects the wisdom of the framers as the Constitution s only authoritative sources it does not as most Constitutional Law texts do emphasize court cases as constitutional authority for more often than not the court has only warped the Constitution In a broader sense though the work is not novel for it s only an arrangement of the work already done by the jurors The author is pleased to say that the work by and large is not original thought Its beauty is that it only revives long forgotten constitutional discoveries as set in the words of the main jurors and some others within interviewed Note to purchasers For updates to the manuscript check Pastoral Republican <http://douglassbartley.wordpress.com> [Jimi Hendrix - from the Benjamin Franklin Studios 3rd Edition Part 1](#)
