England), Paulus Orosius**

Voyage Muscovy Chronicles Christoval Alvarez:

Voyage to Muscovy Ann Swinfen, 2015-12-14 An agent sent to Muscovy to investigate suspected treason amongst employees of the Muscovy Company has disappeared without trace on the way to Astrakhan Sir Francis Walsingham who began the investigation is dead but the directors of the Company know that the agent must be found dead or alive The perfect opportunity comes when the Tsar Emperor of All the Russias asks for an English physician to treat his young half brother Christoval Alvarez physician and former Walsingham agent is the obvious choice but is loathe to travel to this violent and barbarous land However there is no withstanding some of the most powerful men in England so Kit is soon on the way to Muscovy facing storms attack by pirates and a fearsome Russian winter The search for the missing agent is fraught with danger but Kit is soon also caught up in the murderous world of Muscovy politics To enter the realm of the Tsar is difficult To escape may be impossible

That Time May Cease Ann Swinfen, 2016-12-17 When the violent arrest of an innocent apprentice sparks a riot in Southwark during the summer of 1592 more lies behind it than a simple grievance Increasing poverty vagrancy and crime in a restless London compel a nervous Privy Council to close the playhouses forcing Lord Strange s Men to go on tour while hostility to foreign refugees aggravated by Marlowe s play *The Jew of Malta* adds to the danger on the streets for Strangers like Kit Alvarez Other dangers are more subtle The ensnaring of young men by illegal loan sharks and the circulation of damning accusations both public and private increase the atmosphere of fear and distrust which permeates a city threatened by twin evils death of the body from plague death of the soul from heresy The performance of the new play of *Dr Faustus* seems prophetic when it is followed by a great reckoning in a little room

The Lopez Affair ANN. SWINFEN, 2017-12-06 When ruthless men are locked in an unremitting struggle for supremacy even the innocent may become victims The Earl of Essex Elizabeth I s arrogant favourite will stop at nothing in his greedy pursuit of power at times heedlessly trying her patience too far His great rival Lord Burghley s son Sir Robert Cecil is a frail crippled man a man Essex believes can be swept aside But Cecil possesses a brilliant mind and an understanding of statecraft that Essex will never match Before long Christoval Alvarez is caught up in the complex maze of their intrigues which lead to violence injustice and ultimately a rigged trial and execution

The Troubadour's Tale ANN. SWINFEN, 2018-01-30 When Nicholas Elyot and his friends set out to spend the Christmas season in the country they are prepared for a hard journey in winter weather They are also wary of violence on the road for these are troubled times after the Great Pestilence when bands of dispossessed and desperate men roam the countryside of England It is not surprising therefore when the troubadours hired to provide entertainment at Leighton Manor are attacked in Wychwood Yet why should this insignificant group draw the attention of outlaws who are searching for something Is one of the troubadours not quite what he seems

The Novice's Tale Ann Swinfen, 2016-09-23 When the novice Emma Thorgold goes missing from Godstow Abbey in the summer of 1353 the hunt is on throughout the Oxfordshire countryside Bookseller Nicholas Elyot and scholar Jordain Brinkylsworth

are anxious to help the girl but her stepfather has other intentions Why is he so determined to shut her away for life Or worse And will she be found unharmed *The Play's the Thing* Ann Swinfen,2016-04-06 When Kit Alvarez returns from Muscovy it is to discover that her post as physician at St Thomas s hospital has been given to another Trying to eke out the small income she earns from some of Dr Nunez s private patients she undertakes paid work as a copyist with James Burbage s company But the players companies find themselves under threat Two of Burbage s men are murdered One of Henslowe s men is attacked And two important new plays go missing one by Will Shakespeare and one by Christopher Marlowe Are the thefts merely the work of a jealous unlicensed company Or is there a conspiracy afoot to use the plays in some more dangerous game **The Bookseller's Tale** Ann Swinfen,2016-06-18 Oxford Spring 1353 When young bookseller Nicholas Elyot discovers the body of student William Farrington floating in the river Cherwell it looks like a drowning Soon however

Nicholas finds evidence of murder Who could have wanted to kill this promising student As Nicholas and his scholar friend Jordain try to unravel what lies behind William s death they learn that he was innocently caught up in a criminal plot When their investigations begin to involve town university and abbey Nicholas takes a risky gamble and puts his family in terrible danger **The Huntsman's Tale** Ann Swinfen,2017-05-03 Oxford Late Summer 1353 On hearing that his cousin is short handed for the harvest Nicholas Elyot takes a group of friends back to the family farm to help When a deer hunt in Wychwood ends in tragedy suspicion is directed toward the huntsman a boyhood friend of Nicholas Yet the victim has made many other enemies any one of whom could have shot the fatal arrow Can Nicholas uncover the real killer before it is too late

The Stonemason's Tale ANN. SWINFEN,2018-07-04 Oxford Spring 1354 When the series of accidents to the building of the chapel at Queen s College begins they do not appear a cause for concern but they grow more serious and stonemasons are injured Nicholas Elyot becomes involved after it is discovered that an intruder has reached the college by way of his garden When Jordain Brinkylsworth s youngest student goes missing it seems at first that his disappearance is unconnected yet he is one of the poor boys supported by Queen s Surely this serious and studious boy cannot be responsible for the troubles And then someone is killed **The Merchant's Tale** Ann Swinfen,2017-07-26 Oxford Autumn 1353 St Fridewide s Fair is a great annual event in Oxford bringing together merchants and buyers from all over England and Wales and from as far away as Flanders and France Yet the earning from the fair granted to the Priory of St Frideswide centuries before are resented by the town and resentment can turn to violence Under the unscrupulous Prior de Hungerford even more trouble is brewing Nicholas Elyot is warned by intelligencer Alice Walsea that attendance at the fair may be used for something more sinister and not all French merchants may be innocent When a merchant from Flanders is attacked and an English traitor is murdered can Nicholas disentangle the crimes hidden under cover of the fair
