Ebook: Mentoring with a Coaching Attitude: International Corporate Mentorship that Works Sylviane Cannio, Cicero Carvalho, Fisher Yu, 2023-07-07 Such a timely and forward-looking book, especially in the era of twin transition. I genuinely hope this book will serve as a resource for inspiration for all practitioners in every aspect of modern life. Dr Riza Kadilar, EMCC Global President, Netherlands. This is an important book that provides clear, unambiguous guidance in a how-to structure which can assist any company that is committed to unlocking the hidden potential of its people. Frank Nigriello, Director of Corporate Affairs, Unipart Group, UK. Mentoring with a Coaching Attitude explores the intersection of mentoring and coaching to offer a new toolbox that team leaders, consultants, and coaches can use in their own practice. Drawing on the long history of mentoring across the world, the experienced contributors highlight the foundations of mentoring within the importance of relationships and the transmission of knowledge between humans for success. The book's three-part structure builds on the idea of mentoring with a coaching attitude and successful mentoring programmes in organisations. A range of international case studies are intertwined with the history and philosophy of mentoring throughout. Including work from Belgium, France, Morocco, China, UK, the Middle East, Brazil, and Poland, and in a diversity of organisations from NGOs like Médecins sans Frontières to universities and multinational companies. The case studies clearly outline how the core potential of a client or mentee can be harnessed with active listening, impactful questioning, creating awareness, and leading to experimentation and action. The book is ideal for leaders and business owners who would like to organize mentoring programmes that work and be confident that knowledge and experience is being shared between senior leaders and more junior colleagues. The book is also dedicated to coaches and consultants looking to enhance their practice and ensure they can be confident across practical and theoretical settings. Sylviane Cannio is a Master Practitioner, EMCC, and Master Certified Coach, ICF. She was previously Vice President of ICF UK and Global Board member. She is also an assessor for the EMCC, EIA, EQA, and ESQA accreditations, co-founder, and Chief Learning Officer of MentoringCo, and President of GO TKM Global Think tank on Organizational Tacit Knowledge Management.
