AN AMERICAN HISTORY

JOSEPH HOROWITZ

HOROWITZ

Wagner Nights

AN AMERICAN HISTORY

CALIFORNIA

"An accessible account and sensitive argument. This is not only a book about Wagner in America, but an informative discussion of the development of musical taste in the United States from the end of the nineteenth century to the present day. In so doing, it also examines contemporary theories of the evolution of cultural taste. Wagner Nights is a necessary examination of the relationship between music and society."

"Horowitz adds another to his list of important books on American musical culture. Wagner Nights suggests any previous writing on the history of American musical culture in the Gilded Age. It only for Horowitz's reconstruction of how the book would be of great value. And to have your friend, approach, to the essence of the 'grand tradition' of Victorian America is a historical comp. Horowitz writes with solid scholarship and an extraordinarily fresh eye. There is without any doubt a readable account."

"Scholarship, account of Wagner Nights, who became America's premier composer of Wagner, and of the women of the social hierarchy who supported his work. It is in this case a complex and detailed as well as, some might say, Wagner's work, which reflects the same attention to detail. This important story tells from the scene of the evening, perhaps of 'grand' but somewhat recent musical culture."

"Though Horowitz's Wagner Nights is a revelation, the longer the composer's work has been read the more one is surprised by the degree of his later musical success. Horowitz's conclusions about why women turned to Wagner could not be more convincing: read as possible light, the insightful, brilliant book."

Wagner Nights An American History California Studies In 19th Century Music:

Wagner Nights Joseph Horowitz, 2023-11-15 As never before or since Richard Wagner's name dominated American music making at the close of the nineteenth century Europe too was obsessed with Wagner but as Joseph Horowitz shows in this first history of Wagnerism in the United States the American obsession was unique The central figure in *Wagner Nights* is conductor Anton Seidl 1850-1898 a priestly and enigmatic personage in New York musical life Seidl's own admirers included the women of the Brooklyn based Seidl Society who wore the letter S on their dresses In the summers Seidl conducted fourteen times a week at Brighton Beach filling the three thousand seat music pavilion to capacity The fact that most Wagnerites were women was a distinguishing feature of American Wagnerism and constituted a vital aspect of the fin de siècle ferment that anticipated the New American Woman Drawing on the work of such cultural historians as T Jackson Lears and Lawrence Levine Horowitz's lively history reveals an Americanized Wagner never documented before An entertaining and startling read a treasury of operatic lore *Wagner Nights* offers an unprecedented revisionist history of American culture a century ago This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1994 [Puccini's La fanciulla del West and American Musical Identity](#) Kathryn Fenton, 2019-08-30 On 10 December 1910 Giacomo Puccini's seventh opera *La fanciulla del West* had its premiere before a sold out audience at New York City's Metropolitan Opera House The performance was the Metropolitan Opera Company's first world premiere by any composer By all accounts the premiere was an unambiguous success and the event itself recognized as a major moment in New York cultural history The initial public opinion matched Puccini's own evaluation of his opera He called it the best he had ever written and expected it to become as popular as *La Bohème* Yet the music reviews tell a different story Marked by ambivalence the reviews expose the New York City critics struggle to reconcile the opera they expected to see with the one they actually saw and the opera itself became embroiled in controversy over the essence of musical Americanness and the nativist perception that a uniquely American national opera tradition continued to elude both American and foreign born opera composers This book seeks to account for the differences between Puccini's own assessments of the opera and those of its first audience Offering transcriptions of the central reviews and of letters unavailable elsewhere the book provides a historically informed understanding of *La fanciulla del West* and the reception of this European work as it intersected with both opera production and consumption in the United States and with the process of American musical identity formation during the very period that Americans actively sought to eradicate European cultural influences As such it offers a window into the development of nativism and cosmopolitan nationalism in New York City's musical life during the first decade of the twentieth century [Inside the Ring](#) John Louis DiGaetani, 2015-03-14 Once

tainted by association with Hitler and Nazism Richard Wagner's work has experienced an international cultural renaissance in the last 25 years His magnum opus *Der Ring des Nibelungen* which took him over 20 years to finish is a complex tale with themes of greed corruption and loss spun out in more than 16 hours of powerfully moving opera This book with provocative essays for both the uninitiated and the seasoned fan examines Wagner's Ring cycle from a wide array of modern perspectives Divided into six parts this anthology first offers a foundation for the Ring with a chronology and an introduction along with a look at Wagner as an enterprising marketer Part Two explores different interpretations of the Ring with reference to politics romanticism and international inspirations Part Three studies the complex relationship between Wagner's Ring and Germany with a summary of the opera's influence on German culture and a discussion of its Munich premiere Part Four offers a production history including studies of the Ring's effects in America and its influence on world literature Part Five provides a technical examination of language in the Ring as well as an interview with the famous Wagnerian soprano Jane Eaglen The book concludes with an essay on the trouble with Wagnerian opera and an overview of the recorded Ring on disc video and print

Beethoven after Napoleon Stephen Rumph, 2004-08-15 In this provocative analysis of Beethoven's late style Stephen Rumph demonstrates how deeply political events shaped the composer's music from his early enthusiasm for the French Revolution to his later entrenchment during the Napoleonic era Impressive in its breadth of research as well as for its devotion to interdisciplinary work in music history *Beethoven after Napoleon* challenges accepted views by illustrating the influence of German Romantic political thought in the formation of the artist's mature style Beethoven's political views Rumph argues were not quite as liberal as many have assumed While scholars agree that the works of the Napoleonic era such as the *Eroica* Symphony or *Fidelio* embody enlightened revolutionary ideals of progress freedom and humanism Beethoven's later works have attracted less political commentary Rumph contends that the later works show clear affinities with a native German ideology that exalted history religion and the organic totality of state and society He claims that as the Napoleonic Wars plunged Europe into political and economic turmoil Beethoven's growing antipathy to the French mirrored the experience of his Romantic contemporaries Rumph maintains that Beethoven's turn inward is no pessimistic retreat but a positive affirmation of new conservative ideals

American Orchestras in the Nineteenth Century John Spitzer, 2024-05-31 Studies of concert life in nineteenth century America have generally been limited to large orchestras and the programs we are familiar with today But as this book reveals audiences of that era enjoyed far more diverse musical experiences than this focus would suggest To hear an orchestra people were more likely to head to a beer garden restaurant or summer resort than to a concert hall And what they heard weren't just symphonic works programs also included opera excerpts and arrangements instrumental showpieces comic numbers and medleys of patriotic tunes This book brings together musicologists and historians to investigate the many orchestras and programs that developed in nineteenth century America In addition to reflecting on the music that orchestras played and the socioeconomic aspects of building and maintaining

orchestras the book considers a wide range of topics including audiences entrepreneurs concert arrangements tours and musicians unions The authors also show that the period saw a massive influx of immigrant performers the increasing ability of orchestras to travel across the nation and the rising influence of women as listeners patrons and players Painting a rich and detailed picture of nineteenth century concert life this collection will greatly broaden our understanding of America s musical history

Mimomania Mary Ann Smart,2004-03-10 When Nietzsche dubbed Richard Wagner the most enthusiastic mimomaniac ever to exist he was objecting to a hollowness he felt in the music a crowding out of any true dramatic impulse by extravagant poses and constant nervous movements Mary Ann Smart suspects that Nietzsche may have seen and heard more than he realized In *Mimomania* she takes his accusation as an invitation to listen to Wagner s music and that of several of his near contemporaries for the way it serves to intensify the visible and the enacted As Smart demonstrates this productive fusion of music and movement often arises when music forsakes the autonomy so prized by the Romantics to function mimetically underlining the sighs of a Bellini heroine for instance or the authoritarian footsteps of a Verdi baritone *Mimomania* tracks such effects through readings of operas by Auber Bellini Meyerbeer Verdi and Wagner Listening for gestural music we find resemblance in unexpected places between the overwrought scenes of supplication in French melodrama of the 1820s and a cluster of late Verdi arias that end with the soprano falling to her knees or between the mute heroine of Auber s *La Muette de Portici* and the solemn almost theological pantomimic tableaux Wagner builds around characters such as Sieglinde or Kundry *Mimomania* shows how attention to gesture suggests a new approach to the representation of gender in this repertoire replacing aural analogies for voyeurism and objectification with a more specifically musical sense of how music can surround propel and animate the body on stage

Journal of the American Liszt Society American Liszt Society,2003

Music in Other Words Ruth A. Solie,2004-02-19 Publisher Description

Decadent Enchantments Katherine Bergeron,2023-04-28 The oldest written tradition of European music the art we know as Gregorian chant is seen from an entirely new perspective in Katherine Bergeron s engaging and literate study Bergeron traces the history of the Gregorian revival from its Romantic origins in a community of French monks at Solesmes whose founder hoped to rebuild the moral foundation of French culture on the ruins of the Benedictine order She draws out the parallels between this longing for a lost liturgy and the postrevolutionary quest for lost monuments that fueled the French Gothic revival a quest that produced the modern concept of restoration Bergeron follows the technological development of the Gregorian restoration over a seventy year period as it passed from the private performances of a monastic choir into the public commodities of printed books photographs and Gramophone records She discusses such issues as architectural restoration the modern history of typography the uncanny power of the photographic image and the authority of recorded sound She also shows the extent to which different media shaped the modern image of the ancient repertory an image that gave rise to conflicting notions not only of musical performance but of the very idea of music history

The oldest written tradition of European music the art we know as Gregorian chant is seen from an entirely new perspective in Katherine Bergeron's engaging and literate study Bergeron traces the history of the Gregorian revival from its Romantic origin

Nineteenth-century Literature, 1994 Contains articles which focus on a broad spectrum of significant figures in fiction philosophy and criticism such as Austen Carlyle Dickens Thackeray the Brontës Tennyson Browning Arnold Emerson Hawthorne Thoreau Whitman Twain and Henry James

Wagner Nights An American History California Studies In 19th Century Music Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Wagner Nights An American History California Studies In 19th Century Music free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Wagner Nights An American History California Studies In 19th Century Music free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for

specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Wagner Nights An American History California Studies In 19th Century Music free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Wagner Nights An American History California Studies In 19th Century Music. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Wagner Nights An American History California Studies In 19th Century Music any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Wagner Nights An American History California Studies In 19th Century Music Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Wagner Nights An American History California Studies In 19th Century Music is one of the best books in our library for free trial. We provide a copy of Wagner Nights An American History California Studies In 19th Century Music in digital format, so the resources that you find are reliable. There are also many eBooks related to Wagner Nights An American History California Studies In 19th Century Music. Where to download Wagner Nights An American History California Studies In 19th Century Music online for free? Are

you looking for Wagner Nights An American History California Studies In 19th Century Music PDF? This is definitely going to save you time and cash in something you should think about.
