Thriving Despite A Difficult Marriage:

Thriving Despite a Difficult Marriage Charles Misja, Michael Misja, 2014-02-27 Christian psychologists Michael Misja and Chuck Misja show you how to be free from shame if your marriage is not successful by conventional Christian standards. Learn the practical theology of desire how the battlefield of the soul impacts your life the relational process for moving from hoping in your marriage to hoping in God how to love from godly strength without asking for a response from your spouse.

In Sickness and in Health David Hawkins, 2019-02-19 Are you sick and tired of being sick and tired? When you first met your spouse you probably had a physical response to the emotions you felt. You'd get butterflies in your stomach your heart would race and your palms would sweat. So why is it that after you're married it's so hard to make the connection between your physical health and your emotional well-being when you're facing relational stress? If your emotional pain feels physical and your physical pain feels emotional your marriage may be making you sick literally. Join Dr. David Hawkins and his sons an internist and a surgeon as they explore the effects relational stress and trauma can have on our bodies. You will learn to recognize the link between emotional and physical pain embrace the power of choice to become empowered by hope find a path forward to ultimate restoration and regain your life. No matter what kind of pain you're experiencing or how long your health has been in decline you don't have to stay stuck. Discover hope and healing when you take control of your life.

Helping Those Who Hurt Barbara Roberts, 2014-02-27 Whether you're a layperson or a professional counselor Helping Those Who Hurt will help you care for others encountering life crises such as illness hospitalization and death. A troubled marriage Addiction Suicide Surfing for God Michael John Cusick, 2012-06-04 Discover how the barrier built by porn addiction can become a bridge to abundant life. Using personal examples scriptural illustrations and 20 years of counseling experience Cusick will help you understand how to break free from the prison of sexual addiction. What if lust for porn is really a search for true passion? In a world where there are 68 million searches for pornography every day and where over 70 percent of Christian men report viewing porn in the last year it's no surprise that more and more men struggle with an addiction to this false fantasy. Common wisdom says if they just had more willpower or more faith their fight would be over. But is the answer really that simple? According to counselor and ministry leader Michael John Cusick the answer is no but the big truth may be much more freeing. Backed by scripture Cusick uses examples from his own life and from his twenty years of counseling experience to show us how the pursuit of empty pleasure is really a search for our heart's deepest desire and the real key to resistance is discovering and embracing the joy we truly want. Cusick discusses the origins of sexual addiction the need for affirmation and the heart that aches for God while falling into relapse. Handling a difficult topic with grace mercy and honesty Cusick's insights will help you understand how porn struggles begin what to do to prevent those struggles how to overcome compulsions once they begin. An essential resource centered on the sustaining love of Christ this book will help guide anyone battling sex addiction or those in ministry seeking to provide encouragement to those struggling. 101

When She'S Pregnant Jerrold Lee Shapiro, 2014-04-16 Truly a landmark book Martin Greenberg M D psychiatrist and author Birth of a Father When

a couple decides to have a baby it's not only the woman who undergoes changes during pregnancy. The father too experiences many changes and it's important that his needs and concerns be addressed. In *When She's Pregnant*, noted psychologist Jerrold Lee Shapiro helps fathers to better understand their new roles, get involved, and prepare for fatherhood. This is a supportive guide for men addressing their anxieties, fears, and unfamiliarity with imminent fatherhood. It demystifies the nine months of pregnancy, explains step by step the labor and delivery process, the experiences of the new mother and baby, and the new family. The experiences of men during pregnancy are spelled out with exquisite and sensitive breadth. Filled with information and tips for about-to-be parents, I strongly recommend this book to all couples contemplating or expecting a baby. Will help the family get off to a good start. Martin Greenberg, M.D. Everyone who works with expectant families and everyone having a baby should read this book. It will make crossing that one-way bridge to fatherhood immeasurably smoother. Carl Jones, certified childbirth educator and author *Mind over Labor*.

Unleashing Your Own Potential Robert W

Henry, 2023-12-20 In *Unleashing Your Own Potential*, Robert Henry, a former bank robber, teaches us to look closely at the decisions we make and make better ones. He knows from experience how important it is to make the right kinds of decisions because they can determine our destiny. His successful career in real estate and the personal happiness he's found are testaments to the fact that the right decisions can open doors to achieving your full potential. Do you feel there is greatness inside you but you don't know how to unleash it? *Unleashing Your Own Potential: The Self-Leadership Journey from Rock Bottom to Prosperity* is a page-turner that is part memoir, part personal development, written by a man who transformed himself from living a life of crime to one of prosperity and giving back. Henry's story is like none you've ever read before. After a difficult upbringing, that Henry shares, he seemed to turn things around by going into sales and prospering in his career. In fact, he was doing so well that he and some of his colleagues decided to go into business for themselves. That's when everything started to fall apart. The company Henry worked for, learning their employees might soon become their competitors, brought unjust criminal accusations against them, making Henry's life very difficult. After being found guilty of crimes that were not really crimes at all, his life became complicated when he was assigned to a corrupt probation officer. This probation officer did everything imaginable to keep Henry from getting back on his feet until Henry became determined to get out from under the probation officer's power. The result? Henry decided to pay off his court fines as quickly as possible, and he did that through a series of bank robberies. Without giving away everything that happened to Henry, the end result was he was caught and went to prison. While Henry's life to that point might seem somewhat sensational to readers, what happened next is remarkable. Henry determined that this time he would take control of his life by making better decisions. With *Unleashing Your Own Potential*, Henry has turned his story into a teaching tool. Each chapter begins with a segment of his personal story, followed by a discussion of how that story applies to important lessons we all need to learn. One of the biggest of those lessons is how to make better decisions. Henry states, "To make better decisions, we must train ourselves to engage

our rational system more often That means slowing down and being more intentional about our choices By evaluating our options and considering our decisions potential consequences we can make more informed choices that are more likely to lead to our desired outcomes Henry had failed to make an informed choice when he became a bank robber but he has made such choices ever since The result has been a life of prosperity in real estate and coaching others on how to succeed in business and life Henry does not lecture the reader but offers simple but effective techniques we can use to apply the lessons learned to our lives For example in making decisions about your future he recommends using the 10 10 10 rule This technique involves considering how you will feel about your decision in ten minutes ten months and ten years By thinking about the future we put the decision in a better perspective and then can make a better decision Henry uses powerful and inspirational quotes throughout the book It s not what happens to you that determines how far you will go in life it is how you handle what happens to you from Zig Ziglar Henry did not handle well some of the adversity he faced but going to prison changed his ability to make better decisions about how to handle difficult situations He states The key to achieving optimal decision making lies in self awareness critical thinking and emotional intelligence He discusses all three of these decision making influences in detail Ultimately everything in life revolves around the decisions we make and how we decide to handle situations Henry discusses how to avoid negative thought patterns so we aren t trapped by them He encourages us to reach out to others to build a support network He recommends developing a clear sense of purpose so that we don t lose sight of our goals when adversity strikes He helps us learn how to overcome fear and refuse to be a victim of circumstances by realizing what part of our circumstances we can control Henry knows from personal experience that learning these lessons and making these changes is not easy He states It was a challenging process I had to confront some hard truths about myself and my past But I knew it was the only way to move forward and create something positive from this experience He discusses how he used his time in prison as an opportunity to grow and change to read more than 700 books on personal growth and development and to begin the journey that ultimately led him from prison to prosperity by taking 100 percent responsibility for his life The results Henry achieved are beyond impressive Best of all the road to those results is practical No matter your adversities Henry offers advice to help you discover and unleash your potential
