Daily Prayer for All Seasons [English Edition] The Standing Commission on Liturgy Music, 2014-08-01 For all who are interested in the daily office and praying the hours People in all kinds of religious traditions including Judaism and Christianity have been marking time with prayer for almost as long as we've divided the day into hours Praying the hours as it's called has always reminded us that God walks with us throughout each day praying the hours is also a way that the community of faith comes together whether we're united all in one place or scattered like raindrops In the Episcopal Church the Book of Common Prayer offers beautiful services for morning noon evening and nighttime in a section called The Daily Office pp 35 146 Daily Prayer for All Seasons offers a variation on that theme where a complete service covers one or two pages thereby eliminating the need to shuffle prayer books and hymnals Daily Prayer for All Seasons works for individuals small groups and or congregations This prayer book presents a variety of images of God uses inclusive and expansive language for and about God and presents a rich variety of language including poetry meditation and prayers from the broader community of faith

Celtic Prayers for the Rhythm of Each Day Ray Simpson, 2022-06-19 Every hour is holy every day is sacred We sometimes think prayer belongs only in certain places on certain days This book calls us to set prayer free from these constraints allowing it to flow out through the hours of every workday sanctifying the ordinary rhythm of our modern lives waking up going to work breaking for lunch ending the workday the evening hours going to bed Ray Simpson gives us twenty original prayers written in the Celtic tradition or patterned after ancient Celtic prayers for each of these intervals Like generations of earlier followers of Christ we too can use prayer to bless the rhythm of our daily lives infusing the hours with the awareness of the One who gives us Life These small pauses throughout the day will make us ever more aware that the Kingdom of Heaven is a constant and present reality hidden just beneath the veil of everyday life

God in Our Midst Martin Reith, 1989

A Fragrant Offering John Birch, 2017-01-24 A daily prayer liturgy in the Celtic tradition with prayers for morning midday and evening along with prayers for some of the

traditional Celtic festivals Can be used by groups or individuals Themes include The gift of a world a community of faith journeying together from desert places led to a pleasant land the resurrection life and the call to follow Christian prayers for traditional Celtic festivals include liturgies for Samhain Imbolc Beltane Lughnasadh and the Winter Solstice Throughout the liturgies is an opportunity for sharing the reading of both prayer and scripture They can also be used as a personal daily cycle of prayer For the midday prayers I have adapted the ancient practice of lectio divina which is a slow contemplative prayerful reading of a portion of Scripture which can allow the Word to speak directly to our hearts and lives This method of praying is particularly loved of the Benedictine tradition of monasticism St Benedict encourages us to hear Scripture s words with the ear of our hearts and hear that gentle whisper that Elijah heard on the mountain
