

ERIC CARLE

The Tiny Seed

It is Autumn.
A strong wind is blowing. It blows flower seeds high in the air and carries them far across the land. One of the seeds is tiny, smaller than any of the others. Will it be able to keep up with the others? And where are they all going?

One of the seeds flies higher than the others. Up, up it goes! It flies too high and the sun's hot rays burn it up. But the tiny seed sails on with the others.
