Veniceland Atlantis The Bleak Future Of The Worlds Favourite City:

Veniceland Atlantis Robert L. France, 2011 Defying both tides and time Venice has always been a heralded symbol for the triumph of humans over nature as well as their own baser natures Today however all evidence points to a much bleaker future for the Queen of the Adriatic Veniceland Atlantis examines the environmental and social problems plaguing the city

European Journal of Tourism Research , 2012-04-01 The European Journal of Tourism Research is an interdisciplinary scientific journal in the field of tourism published by Varna University of Management Bulgaria Its aim is to provide a platform for discussion of theoretical and empirical problems in tourism Publications from all fields connected with tourism such as management marketing sociology psychology geography political sciences mathematics statistics anthropology culture information technologies and others are invited The journal is open to all researchers Young researchers and authors from Central and Eastern Europe are encouraged to submit their contributions Regular Articles in the European Journal of Tourism Research should normally be between 4 000 and 20 000 words Major research articles of between 10 000 and 20 000 are highly welcome Longer or shorter papers will also be considered The journal publishes also Research Notes of 1 500 2 000 words Submitted papers must combine theoretical concepts with practical applications or empirical testing The European Journal of Tourism Research includes also the following sections Book Reviews announcements for Conferences and Seminars abstracts of successfully defended Doctoral Dissertations in Tourism case studies of Tourism Best Practices The European Journal of Tourism Research is published in three Volumes per year The full text of the European Journal of Tourism Research is available in the following databases EBSCO Hospitality and Tourism Complete CABI Leisure Recreation and Tourism ProQuest Research Library Individual articles can be rented via journal s page at DeepDyve The journal is indexed in Scopus and Thomson Reuters Emerging Sources Citation Index The editorial team welcomes your submissions to the European Journal of Tourism Research *Visitor Management in Tourist Destinations* Julia N Albrecht, 2016-12-07

Visitor management may be considered as a component of destination management at all levels of a destination It involves a wide range of stakeholders This book demonstrates current knowledge on visitor management Visitor Management in Tourism Destinations provides insight into critical concepts such as the visitor experience service quality the uses of indicators and frameworks and interpretation It also addresses current issues including the social and political dimensions of visitor management the implementation of monitoring vandalism and augmented reality Authored by leading international researchers in the field of visitor management research this book is primarily aimed at researchers and postgraduate students Cultural Tourism Hilary du Cros, Bob McKercher, 2014-12-05 Cultural Tourism remains the only book to bridge the gap between cultural tourism and cultural and heritage management The first edition illustrated how heritage and tourism goals can be integrated in a management and marketing framework to produce sustainable cultural tourism The current edition takes this further to base the discussion of cultural tourism in the theory and practice of cultural and heritage

management CM and CHM under the understanding that for tourism to thrive a balanced approach to the resource base it uses must be maintained An umbrella approach to cultural tourism represents a unique feature of the book proposing solutions to achieve an optimal outcome for all sectors Reflecting the many important developments in the field this new edition has been completely revised and updated in the following ways New sections on tangible and intangible cultural heritage and world heritage sites Expanded material on cultural tourism product development the cultural tourism market and consumer behaviour planning and delivery of exceptional experiences New case studies throughout drawn from cultural attractions in developing countries such as Southeast Asia China South Africa and the Pacific as well as from the developed world particularly the United States Britain Japan Singapore Australia and Canada Written by experts in both tourism and cultural heritage management this book will enable professionals and students to gain a better understanding of their own and each other's roles in achieving sustainable cultural tourism It provides a blueprint for producing top quality long term cultural tourism products

Buildings Are for People Bill Caplan, 2016-04-30 Buildings are for People Human Ecological Design offers a new approach to the process of conceiving architectural design one that considers the interactions of the built environment with people and the natural environment The book exposes our visceral and experiential connections to buildings and how buildings intervene directly with our ecosystem natural environment and sense of place It brings to light our ability to utilize a building's surfaces shape and materiality to synergize with the energy and forces of nature for a more green and sustainable architecture It points out many of the roadblocks to successful design including issues in education the profession regulation and the industry's institutions providing an awareness that heretofore is rarely discussed Most importantly Buildings are for People Human Ecological Design highlights the obvious that buildings are built for people a fact that seems to have been overlooked in the last half century

Tourism Stephen J. Page, Joanne Connell, 2020-04-29 Tourism can be a challenging subject for students because it is both dynamic and susceptible to economic turbulence and shifts in trends Tourism A Modern Synthesis is an essential textbook for tourism students seeking a clear and comprehensive introduction to their studies that addresses these challenges The authors apply a business approach to the subject reflecting developments in the teaching and content of university courses and the text covers both key principles and contemporary themes and issues at a global scale Among the new features and topics included in this fifth edition are New and fully updated case studies to reflect current trends and emerging markets including Africa and Asia Up to date content on disruptive technologies such as Airbnb low cost airlines the e travel revolution and future developments Current debates in sustainable tourism including the anti tourism movement plastic use and the Sustainable Development Goals New content on evolving topics such as future employment human resource management in tourism and generational marketing Fully updated statistics and data A brand new Companion Website including an instructor's manual supplementary case studies weblinks multiple choice questions and PowerPoint slides This is the ideal guide to tourism for students across all levels

serving as a point of reference throughout a programme of study *The Arts and Events* Hilary Du Cros, Lee Jolliffe, 2014-05-30 Cultural heritage and contemporary arts benefit from being showcased in events Arts related events are each unique in reflecting local culture they may be therefore spontaneous street art and so on or planned i.e studio tours or arts festivals *The Arts and Events* explores the nature and complexity of managing arts events and fills a significant gap in the available literature It investigates the history development and management of arts events to offer much needed insight into creating economic social and cultural capital It therefore contributes to a greater understanding of how arts events can create a beneficial experience for the individual and the community as well as their future sustainable development The title explores a broad range of events from around the globe including inspirational events for building creative social cultural and human capital affirming events for encouraging links to cultural identity or heritage pleasurable events that offer enjoyable recreational leisure and touristic experiences enriching events that create opportunities for personal growth and or to sell products or experiences and finally celebratory events that enhance cultural diversity This significant volume is a valuable source for researchers policy makers and managers of arts events around the globe **Digital Transformation, Strategic Resilience, Cyber Security and Risk Management** Simon Grima, Eleftherios I. Thalassinou, Grațela-Georgiana Noja, Theodore V. Stamataopoulos, Tatjana Vasiljeva, Tatjana Volkova, 2023-09-28 Digitization of economic and management processes allows for the delivery of new value and higher efficiency in the implementation of strategic goals This is due to the inclusion of digital technologies in the existing rules of functioning among partners involved in the flow of resources and from their readiness for digital transformation A significant challenge in practical organizational and scientific terms is to understand the opportunities and threats resulting from digital transformation to identify optimal strategies for the development of business entities in new economic and management conditions taking care to adopt collateral and proper management of new risks Addressing this challenge to the readers contributors indicate the latest theoretical advances and practical examples in FinTech The Internet of Things and AI among others This results in a synthetic look at the complex digital transformation processes of the modern world both in terms of the underlying causes and the vast effects of the transformations and digitization of social and economic life *Contemporary Studies in Economic and Financial Analysis* publishes a series of current and relevant themed volumes within the fields of economics and finance
