jurisdiction in all cases of enterprises operating in more than one country The issue of whether there is a PE and how much profit should be allocated to it is an increasingly important factor in tax planning tax accounting tax compliance and related tax risk management Groundbreaking developments have reshaped the face of the classical PE concept during the year 2017 Following action item no 7 of the Anti BEPS efforts of G20 and OECD the OECD has presented the Multilateral Instrument MLI on Base Erosion and Profit Shifting in June 2017 Based on the MLI as well as earlier drafts Article 5 of the OECD Model Tax Convention and the Official Commentary have been amended in November 2017 Similarly Article 7 of the OECD Model Tax Convention on the allocation of income in PE situations is influenced by the October 2015 OECD BEPS proposals This academically rigorous yet thoroughly practical work provides comprehensive guidance on a variety of complex PE issues Its initial chapters analyse the latest OECD and EU developments in the context of Articles 5 and 7 of the OECD Model Tax Convention 21 country chapters cover domestic PE issues as well as country specific treaty developments from a practical perspective Contributors Fabrizio Acerbis Maret Ansperi Yumiko Arai kos Burj n Anna Berglund Peter Collins Mike Cooper David Cuellar Veronika Daurer Frank Feng Mikhail Filinov Sandra Fleurier Jose Antonio Gonzalez Herbert Greinecker S ren Jesper Hansen Lars Elleg rd Holst Mauricio Hurtado Martin Jann Renaud Jouffroy David Lerner Peter Lindblad Iren Lipre Jessica Ma Anna Mallol Dennis Matthijs Hamish McElwee Kunal Mehta Osman Mollagee Matthew Mui Ram n Mullerat Luis Felipe Mu oz Stephen Nauheim Francesco Nuzzolo Yoshiyasu Okada Marianne Orell Oren Penn Martin Poulsen Lene Munk Rasmussen Ekkehart Reimer Daniel Rinke Stefan Schmid Mathias Schreiber Vishal J Shah Smit Sheth Tom Stuer Maarten Temmerman Eszter Turcsik Hein Vermeulen Huili Wang Sonia Watson Ciska Wisman Raymond Wong Alan Yam *ICGR 2019 2nd International Conference on Gender Research* Prof. Paola Paoloni, Prof. Mauro Paoloni, Prof. Simona Arduini, 2019-04-11 *International Handbook of Evidence-Based Coaching* Siegfried Greif, Heidi Möller, Wolfgang Scholl, Jonathan Passmore, Felix Müller, 2022-03-31 This handbook comprehensively covers the fundamental key concepts in coaching research and evidence based practice and shows how coaching can be applied to multiple contexts It provides coaching scholars researchers and practitioners with detailed review of the key concepts research and new insights into coaching research and practice This key reference work includes over 70 contributions from more than 110 leading researchers and practitioners in the field across countries and deftly combines theory with case studies and applications from psychology sociology business administration organizational studies education and communication studies This handbook edited by the top scholars in the field is meant for an academic as well as a professional readership and is an invaluable resource for coaches clients coaching institutes and associations and students of coaching *Stifled Progress - International Perspectives on Social Work and Social Policy in the Era of Right-Wing Populism* Kerry Dunn, Jörg Fischer, 2019-04-15 Social work as a democratically constituted profession committed to human rights is currently facing cross border encroachments and attacks by right wing populist movements and governments With the Bundestag elections in

September 2017 the question of the extent to which right wing populist forces succeed in influencing the discourse with xenophobic and nationalist arguments arises in Germany too The authors examine how social work can respond effectively to nationalism exclusion de solidarization and a basic skepticism about science and position itself against this background The book explores different conditions in Germany France Poland Russia and the US **Higher Education in**

Germany—Recent Developments in an International Perspective Otto Hüther, Georg Krücken, 2018-02-16 Otto Hüther and Georg Krücken analyze the developments of the last 20 years in their new book on German higher education The foreign observer of German higher education even the informed foreign observer struggles to find denominators not to mention common denominators of a bewildering array of approaches Otto Hüther and Georg Krücken in this book do an absolutely splendid job of offering theoretical perspectives qualitative and quantitative data and comparative assessments This book discusses the main higher education structures in Germany both conceptually and with a particular emphasis on recent developments like e g the growth and differentiation of the system governance reforms and the Excellence Initiative It analyses recent developments from an international perspective as the German system is clearly embedded in broader transnational trends As such the book provides a comprehensive and detailed account of both new dynamics and stable paths in the German higher education system This book will be of interest to scholars and students dealing with higher education or Germany as an object of study e g in education research science studies organization studies sociology psychology political science and to higher education managers leaders and policymakers who are interested in recent trends in German higher education German Corporate Governance in International and European Context Jean J. du Plessis, Bernhard

Großfeld, Claus Luttermann, Ingo Saenger, Otto Sandrock, Matthias Casper, 2017-10-07 The book provides readers with an overview of the unique features of German business and enterprise law and an in depth analysis of the organs of governance of German public limited companies general meeting management board supervisory board In addition approaches for reforms required at the international level are also suggested and discussed including among others the unique interplay and dynamics of the German two tier board model with the system of codetermination referring to the arrangement of employees sitting on the supervisory boards of German public limited companies and private companies employing more than 500 employees also covered are significant recent legal developments in Europe The book highlights the core function of valuation and financial reporting at the international European and German levels with accounting as the documentary proof of good corporate governance Corporate governance encompasses the free enterprise system which is treated comprehensively in this book from a German perspective This distinguishes the book from other books written in English in this subject area not only because of the comprehensive way it covers German corporate law and corporate governance but also because of the fact that it provides international and European perspectives on these important topics The book is addressed to researchers practitioners and basically anyone with an interest in the complex but intriguing areas of corporate

law and corporate governance **17th International Conference on Intellectual Capital, Knowledge Management & Organisational Learning** Anthony Wensley, Max Evans, 2020-10-15 These proceedings represent the work of contributors to the 17th International Conference on Intellectual Capital Knowledge Management Organisational Learning ICICKM 2020 hosted by ACI and the University of Toronto Canada on 15 16 October 2020 The Conference Chairs are Dr Anthony Wensley from the University of Toronto and Dr Max Evans from McGill University The Programme Chair is Dr Ilja Frissen from McGill University International Journal of Vocational Education Studies Dietmar Frommberger, Silke Lange, 2024-05-06

Traditionally vocational education has played an inferior role compared to general and higher education At the same time reforms are taking place in many countries to upgrade vocational education and training VET These reforms however have very different starting conditions with regard to the status of vocational education and the structural characteristics of the educational system more generally In the first issue of this new journal we take up very fundamental questions of

internationally oriented VET research such as What is understood by vocational education in different countries How is it justified as part of the education system *International Perspectives of Crime Prevention 11* Claudia

Heinzelmann, 2020-12-11 The German Congress on Crime Prevention GCOCP is an annual event that takes place since 1995 in different German cities and targets all areas of crime prevention Since its foundation the GCOCP has been open to an international audience with a growing number of non German speaking participants joining To give the international guests their own discussion forum the Annual International Forum AIF within the GCOCP was established in 2007 For international guests this event offers lectures in English language as well as other activities within the GCOCP that are translated simultaneously This book reflects the outcomes of the 12th AIF 11 and 12 June 2018 in Dresden and of the International Conference on Prevention of Violence and Extremism PV E 8 and 9 November 2018 in Eschborn The articles show worldwide views on crime prevention and criminal policy with a focus on the topic of violence and radicalism as well as the current status discussion research and projects in crime prevention from different countries **Elite Education and**

Internationalisation Claire Maxwell, Ulrike Deppe, Heinz-Hermann Krüger, Werner Helsper, 2017-09-26 This book offers both a theoretical and empirical examination of elite education at all stages from the early years to university level The book explores the various manifestations of internationalisation of education the implications of these for national education systems the formation and re articulation of elite forms of education locally and globally and how these facilitate the reproduction or disruption of processes of inequality The collection critically considers these questions by drawing on contributions from around the world and focuses on how internationalisation processes shape the various stages of the education system from early years settings to higher education in oftentimes quite different ways At the same time by engaging with the issues through a range of theoretical lenses the book invites readers to consider in greater depth the various ways we can come to understand how processes of internationalisation are both embedding but also at times

destabilising the formation and purpose of elite education provision and potentially the configuration of elite groups themselves The book will be relevant to academics researchers students policymakers and educators working in or on the field of education across the world

International Knowledge Transfer in Religious Education Friedrich Schweitzer, Peter Schreiner, 2020-12-16 This book is about international knowledge transfer in religious education as an academic discipline at the same time though it is related to the school subject of RE Its aim is to strengthen the awareness of the need for international cooperation in the field of religious education in general and especially for clarifying the role of knowledge in this kind of cooperation The contributions discuss a number of issues among others related to the validity and transferability of knowledge in religious education Thus the book takes up a topic which so far has remained implicit and therefore also untreated This approach implies a whole spectrum of new methodological and epistemological problems Some crucial questions that are discussed in the chapters from different national contexts are How can the national and the international context be productively connected to each other Which concept or understanding of international should be used when it comes to the transfer of knowledge What exactly is meant by knowledge in religious education What does transfer mean in this context The scope of the book is an invitation to other colleagues to take part in and to continue the discussion

Internationalization Strategies of German Universities Ulrich Bremer, 2018-05-08 Ulrich Bremer examines the internationalization process of German public research universities extracts multiple expected factors of impact from existing theory tests them against data and thus delivers implications for research and practice Strategy based international partnerships specialization and university size represent most relevant factors The complex interplay of strategy and leadership are shown a framework for their assessment is provided and conclusions in the fields of digitalization uncontrolled migration and growing nationalism are drawn

Bridging the Gaps Martin Ruhs, Kristof Tamas, Joakim Palme, 2019-03-28 What is the use of research in public debates and policy making on immigration and integration Why are there such large gaps between migration debates and migration realities and how can they be reduced Bridging the Gaps Linking Research to Public Debates and Policy Making on Migration and Integration provides a unique set of testimonies and analyses of these questions by researchers and policy experts who have been deeply involved in attempts to link social science research to public policies Bridging the Gaps argues that we must go beyond the prevailing focus on the research policy nexus by considering how the media public opinion and other dimensions of public debates can interact with research and policy processes The chapters provide theoretical analyses and personal assessments of the successes and failures of past efforts to link research to public debates and policy making on migration and integration in six different countries Germany the Netherlands Norway Sweden the United Kingdom and the United States as well as in European and global governance debates Contrary to common public perceptions and political demands Bridging the Gaps argues that all actors contributing to research public debates and policy making should recognize that migration integration and related decision

making are highly complex issues and that there are no quick fixes to what are often enduring policy dilemmas When the different actors understand and appreciate each other s primary aims and constraints such common understandings can pave the way for improved policy making processes and better public policies that deal more effectively with the real challenges of migration and integration **Sustainability Research 2019** Hermann Witte,2020 Seitdem die Vereinten Nationen die Verwirklichung eines weltweiten nachhaltigen Entwicklungsprozesses propagiert haben hat sich eine umfangreiche Nachhaltigkeitsforschung Sustainability Research herausgebildet Es wird untersucht wie die drei Komponenten der Nachhaltigkeit die soziale die kologische und die konomische Nachhaltigkeit umgesetzt werden k nnen Aus der Vielzahl der Forschungsbeitr ge zum Thema Nachhaltigkeit wird im vorliegenden Band eine Auswahl pr sentierte die im Einflussbereich der Herausgeber der Schriftenreihe Lingener Studien zu Management und Technik bis zum Jahr 2019 entstand
