Through The Mists Of Time:

Jack the Ripper - Through the Mists of Time Peter Hodgson, 2011-08-26 Over a century ago a series of shocking mutilation murders took place in a squalid overcrowded district of Victorian London Five women fell victim to a man driven by rage and violent fantasy The newspapers of the day gave him a chilling nickname a name that evokes images of gas lit foggy streets and a top hatted sinister figure carrying a Gladstone bag From the outset the murderer attained almost mythical status merely by virtue of his name and his uncanny ability to avoid detection The legend of Jack the Ripper was born Peter Hodgson s detailed and entertaining overview of Ripper lore in fact film and fiction analyses the fiend s awesome legacy He explores the institutions and the individuals the Jewish community and their rituals with meat the scandal prone royal family the Victorian police and their simplistic methods of investigation the streetwalkers and their trade This book compares the fiction with the reality of those ghastly events and clearly shows how the real killer has been transformed into a creature of the mind the other Jack the Ripper Examination of the victims mutilations reveals the true nature of Jack s grotesque fantasies This aspect coupled with his elementary anatomical knowledge is used in conjunction with the FBI s appraisal of the case to construct a unique psychological profile From the long list of candidates the author reveals his prime suspect for the role of the world s most infamous serial killer Book reviews online PublishedBestsellers website **Africa**

Through the Mists of Time Brenda Sullivan, 2001 In this fascinating study of African prehistory Brenda Sullivan expands on her investigation of a pre San race She dismisses the theory that all rock art is the work of the Bushmen based on her research that the San married outside of their clans She launches into a compelling study of the San bloodlines based on evidence of their wanderings and the knowledge that Africa was circumnavigated for the second time as early as 470 BCE at the request of King Xerxes **The Mists of Time** Susan Squires, 2010-08-31 Diana Dearborn knows all about romance at least in the books she writes But passion eludes her in real life until she s offered the chance to travel back in time to Camelot The world of King Arthur and Guinevere is nothing like she pictured neither is the knight she encounters on her return to San Francisco Gawain the hero of her current project He s complicated mysterious and sexier than anything her imagination could conjure And he s been waiting for her Now joined together in a desperate race Diana and Gawain must prevent an ancient evil force from wreaking mayhem in the all too real present Diana must learn to trust Gawain even while she encounters secrets about her own past But even if their mission succeeds does Diana s destiny lie with this man from another time and will their love alter history forever *In the Mists of Time* Richard D.
