Thunderbolt Lewis Sorley, 1992 The Record United States. National Archives and Records Administration, 1996

Uncertain Warriors David Fitzgerald, 2023-11-09 In an era where history had supposedly ended what was an Army for This question confronted the US Army at the end of the Cold War Although public support for the military remained high fewer were sending their children to enlist and questions were raised about the uncertainty of future operations How would Army leaders prepare soldiers for difficult peacekeeping operations that called for a more human oriented approach in light of the promises of high tech warfare How best to navigate the broader debates about changing gender and sexual norms in American society Pulled in different directions the Army struggled to put forward a compelling vision of who and what the American soldier should be In *Uncertain Warriors* David Fitzgerald reveals how in response to this uncertainty they eventually fell back on an older vision of martial masculinity embracing a warrior ethos that was meant to define the contemporary American soldier The Oxford Companion to American Military History , A Nation at War in an Era of Strategic Change , **Chief of Staff, Vol. 2** David Zabecki, 2013-11-15 The two volume *Chief of Staff* examines the history development and role of the military duty position of the chief of staff Many books have studied history's great commanders and the art of command None have focused exclusively on the chief of staff that key staff officer responsible for translating the ideas of the commander into practical plans that common soldiers can execute successfully on the battlefield In some cases it is almost impossible to think of certain great commanders without also thinking of their chief of staff Napoleon's chief of staff Berthier and Eisenhower's chief of staff Bedell Smith are two examples that are profiled in this work Zabecki and his collaborators examine the history development and role of the chief of staff primarily through profiles of the most important practitioners of the art These books are published in cooperation with the Association of the United States Army

Withdrawal Gregory A. Daddis, 2017 In a riveting sequel to his celebrated *Westmoreland's War* Daddis offers a bold new interpretation of America's first lost war Upending myths of a better war that led to victory in Vietnam *Withdrawal* is required reading for anyone hoping to understand the final years of American intervention in Southeast Asia

Trans-Pacific Relations Richard Jensen, Jon Davidann, Yoneyuki Sugita, 2003-01-30 This broad based study of Western Asian relations considers images of and actions by the United States along with Britain and Germany in the course of dealings with Asian nations such as China Japan Korea Thailand Vietnam and the Philippines Other case studies focus on inter Asian relations between Japan and Korea China and Japan and Thailand and Vietnam The essays encompass a wide range of recent scholarship including cultural economic demographic and intellectual approaches to military and diplomatic themes Western influence primarily American in Asia grew consistently during the 20th century While interaction often occurred on unequal terms this study reveals the ability of Asians to assert their agency in the face of such immense Western power The collection as a whole offers a window on relations across the Pacific in numerous spheres of activity over the

course of one hundred years As such it introduces and adds to our understanding of the depth and variety of trans Pacific relations **Press On! Selected Works of General Donn A. Starry, Volume 2, September 2009** ,2009 *Infantry*
