Vayus Gate Yoga And The Ten Vital Winds:

Vayu's Gate Orit Sen-Gupta,2014 *Yoga for Trauma Recovery* Lisa Danylchuk,2019-03-20 Yoga for Trauma Recovery outlines best practices for the growing body of professionals trained in both yoga and psychotherapy and addresses the theoretical foundations that tie the two fields Chapters show how understanding the safe and effective integration of trauma informed yoga and somatic psychotherapy is essential to providing informed effective treatment Uniting recent developments in our understanding of trauma recovery with ancient tenets of yoga philosophy and practice this foundational text is a must read for those interested in the healing capacities of each modality Readers will come away from the book with a strong sense of how to apply theory philosophy and research to the real life complexities of clients and students **Yoga and Somatics for Immune and Respiratory Health** Charlotte Watts,2022-10-21 Our respiratory and immune systems are intrinsically linked to how we relate to the world around us Engaging with our vitality through the movement we were designed to express equips us with an invaluable ability to support the optimal functioning of our internal systems This book explains how movement embodied awareness and self compassion can be incorporated into yoga practice to support respiratory and immune health It delves into how stress trauma breath movement and posture can impact the quality of these systems and how yoga teachers can integrate a range of practises focussing on movement meditation and breath to help improve them Through an exploration of our boundaries our breath and our bodies this book will help yoga teachers develop a more integrated and nuanced approach to their teaching **Hierophantic Landscapes** Richard Leviton,2011-09-26 The Earth is poised to make a great disclosure Its a hierophant But whats a hierophant A person who reveals the holy light But it can also be a landscape or a planet And whats the holy light It is the structure of reality and consciousness a map of the heavenly realms the engineering blueprint of Creation Some people call this imminent disclosure the Apocalypse and run for cover But that is mistaken Apocalypse means the revelation of the divine revelation It means the end of our picture of the world as we know it The world itself will be fine even better than fine Splendid Illumined The Architect of reality lays down His cards face up and you see the whole deck Here is the truth of yourself and the Earth How will this disclosure work What we call sacred sites and holy landscapes will start revealing themselves in full to us in all their geomantic and visionary richness Thats the inner patterning of their design their arrays of Light temples and subtle palaces primed for our visionary adventures and edification The Earth needs us to have these adventures and visions because thats how we keep the planet healthy Hierophantic Landscapes visits five landscapes from Norway and England to California and Mexico providing firsthand reports on the visions and adventures of a small band of geomancers as they seek to unravel the mysteries of the Earth Maybe not such a small band because along the way we encounter angels landscape devas Nature Spirits and otherworldly mentors and revel in vistas of the ancient past of the Earth when that revelation was as fresh as a sunrise as it will soon be again The Heart of Practice Orit Sen-Gupta,Gideon Lev,Meydad Eliyahu,2012-07 The Heart of Practice is an

invitation to explore the place of practice in a life guided by a path It brings wisdom from the ancient traditions of Chan and Zen alongside insights and methods of Yoga which links the intelligence of the body with the adventure of consciousness This book explains clearly and accessibly the practices of meditation breath control and posture highlighting their effect on the person and personality It reflects on the obstacles that can arise on the path offering ways to work with these so as to bring closer our spiritual endeavors and daily life Finally it describes practicing at the most difficult moment of all when the body falls apart and death approaches This book will be a precise guide and a steady friend to new practitioners established students and also to experienced teachers in Yoga and in other traditions It throws wise and fresh light on the questions of teaching learning and the shared queries that accompany us in our lives
