Veiled An Alex Verus Novel:

Veiled Benedict Jacka, 2015-08-04 National bestselling author Benedict Jacka returns to the world of Alex Verus I thought I'd escaped my past But my old master is back and making a new play for power And he's not the only one targeting me Diviner Alex Verus and the Council that governs the magical community have never gotten along But with his former teacher back in Britain Alex is in desperate need of allies and he'll do whatever it takes to get them even if it means accepting a job with the Keepers enforcing magical law Alex forms an uneasy alliance with his new partner Caldera but his attempt at legitimacy quickly turns lethal when a mission puts him in possession of an item that factions both inside and outside of the Council would kill to get their hands on Once again caught in the middle of a deadly conflict Alex will need all his abilities to figure out who his friends are especially when enemies are hiding on all sides *The Alex Verus Novels, Books 1-4* Benedict

Jacka, 2014-03-04 The first four books in the outstanding provocative series Publishers Weekly featuring Alex Verus who is part of a world hidden in plain sight running a magic shop in London And while Alex's own powers aren't as showy as some mages he does have the advantage of foreseeing the possible future allowing him to pull off operations that have a million to one chance of success Includes *Fated Cursed Taken and Chosen* I just added Benedict Jacka to my must read list Jim Butcher author of the Dresden Files novels **Burned** Benedict Jacka, 2016-04-05 Upon learning of an order of death for not only
