Vendetta Picas Series :

Vendetta Richard Gambino,2000 Chronicles the events surrounding the 1891 lynching of a group of eleven Italian Americans in New Orleans describing why the group was lynched why no one was charged for the lynching and why it caused a crisis between the President and Congress and between the U S and Rome **Hollywood's Italian American Filmmakers** Jonathan J. Cavallero,2011-05-01 Hollywood s Italian American Filmmakers explores the different ways in which Italian American directors from the 1920s to the present have responded to their ethnicity While some directors have used film to declare their ethnic roots and create an Italian American imagined community others have ignored or even denied their background Jonathan J Cavallero examines the films of Frank Capra Martin Scorsese Nancy Savoca Francis Ford Coppola and Quentin Tarantino with a focus on what the films reveal about each director s view on Italian American identities Whereas Capra s films highlight similarities between immigrant characters and WASP Americans Scorsese accepts his ethnic heritage but also sees it as confining Similarly many of Coppola s films provide a nostalgic treatment of Italian American identity but with little criticism of the culture s more negative aspects And while Savoca s movies reveal her artful ability to recognize how ethnic gender and class identities overlap Tarantino s films exhibit a playfully postmodern engagement with Italian American ethnicity Cavallero s exploration of the films of Capra Scorsese Savoca Coppola and Tarantino demonstrates how immigrant Italians fought prejudice how later generations positioned themselves in relation to their predecessors and how the American cinema usually seen as a cultural institution that works to assimilate has also served as a forum where assimilation was resisted *Italian Americans on Screen* Ryan Calabretta-Sajder,Alan J. Gravano,2021-02-04 Italian Americans on Screen Challenging the Past Re Theorizing the Future reconsiders Robert Casillo s definition of Italian American cinema as appl ying to works by Italian American directors who treat Italian American subjects to expand this classification Contributors situate Italian American cinema and media within the contemporary and intersectional debates about ethnic identity including race class gender and sexuality studies This book links past scholarship to theoretical underpinnings with new hermeneutical approaches in television and film to establish new interpretations concerning Italian Americans on screen Scholars of film studies media studies cultural studies and sociology will find this book particularly useful **Canadian Books in Print** ,2003 **Italian/American Filmmakers in American Motion Pictures** Jonathan J.
