Venus With Biceps A Pictorial History Of Muscular Women:

Venus with Biceps David Chapman, 2010-12-01 A visual history of female bodybuilders and other muscular women from the late nineteenth to mid twentieth centuries

Secrets of Giants Alyssa Ages, 2023-09-12 Everyone wants to know if they could do the impossible Few of us will ever try Alyssa Ages was the strongest she d ever been able to flip monster truck tires and walk with 300 pounds on her back She felt invincible until the day her body betrayed her leaving her vulnerable and grasping for control Rebuilding her strength slowly brought her back to life She began to wonder What if strength isn t about how much we can lift What if it s about how we manage life s struggles In *Secrets of Giants* Ages now a mom of two embarks on an immersive journey to the fringe of the weight lifting world the sport of strongman She hoists kegs and lifts boulders in suburban parking lots attempts to pull a 50 ton truck using only a rope and occasionally frightens her neighbors by dragging a sled full of weights down her quiet tree lined street She meets a powerlifter turned boxer who shares how lifting taught her to become a master of the mundane A ten time World s Strongest Man competitor is brought to tears illustrating how the gym helped him survive an abusive childhood A pro strongwoman muses on managing setbacks before stepping on stage to deadlift the weight of a baby grand piano Psychologists researchers and coaches offer insights into the fascinating ways that the pursuit of strength can permeate every aspect of our lives from building resilience and confidence to finding joy in discomfort to teaching us to handle adversity Part personal narrative part research mission part reckless midlife crisis odyssey *Secrets of Giants* uncovers why physical strength matters and how it teaches us that we re capable of so much more than we know

The Body in the Anglosphere, 1880-1920 Robert W. Thurston, 2021-12-30 Focusing on the body in every chapter this book examines the changing meanings and profound significance of the physical form among the Anglo Saxons from 1880 to 1920 They formed an imaginary but in many ways quite real community that ruled much of the world Among them racism became more virulent To probe the importance of the body this book brings together for the first time the many areas in which the physical form was newly or more extensively featured from photography through literature frontier wars violent sports and the global circus Sex sexuality concepts of gender including women s possibilities in all areas of life and the meanings of race and of civilization figured regularly in Anglo discussions Black people challenged racism by presenting their own photos of respectable folk As all this unfolded Anglo men and women faced the problem of maintaining civilized control vs the need to express uninhibited feeling With these issues in mind it is evident that the origins of today s debates about race and gender lie in the late nineteenth century

On Muscle Bonnie Tsui, 2025-04-22 From the bestselling author of *Why We Swim* comes a mind expanding exploration of muscle from our ancient obsession with the ideal human form to the modern science of this amazing and adaptable tissue that will change the way you think about what moves us through the world Remarkable A singular book about the true meanings of strength and flexibility about our ability to define who we are and who we might be Ed Yong New York Times bestselling author of *An Immense World* and *I Contain Multitudes* In On

Muscle Bonnie Tsui brings her signature blend of science culture immersive reporting and personal narrative to examine not just what muscles are but what they mean to us Cardiac smooth skeletal these three different types of muscle in our bodies make our hearts beat push food through our intestines blood through our vessels babies out the uterus attach to our bones and allow for motion Tsui also traces how muscles have defined beauty and how they have distorted it through the ages and how they play an essential role in our physical and mental health Tsui introduces us to the first female weightlifter to pick up the famed Scottish Dinnie Stones then takes us on a 50 mile run through the Nevada desert that follows the path of escape from a Native boarding school and gives the concept of endurance new meaning She travels to Oslo where cutting edge research reveals how muscles help us bounce back after injury and illness an important aspect of longevity She jumps into the action with a historic Double Dutch club in Washington D C to explain anew what Charles Darwin meant by the brain body connection Woven throughout are stories of Tsui s childhood with her Chinese immigrant artist dad a black belt in karate who schools her from a young age in a kind of quirky in house Muscle Academy On Muscle shows us the poetry in the physical and the surprising ways muscle can reveal what we re capable of **Here She Is** Hilary Levey

Friedman,2020-08-25 A fresh exploration of American feminist history told through the lens of the beauty pageant world Many predicted that pageants would disappear by the 21st century Yet they are thriving America s most enduring contest Miss America celebrates its 100th anniversary in 2020 Why do they persist In Here She Is Hilary Levey Friedman reveals the surprising ways pageants have been an empowering feminist tradition She traces the role of pageants in many of the feminist movement s signature achievements including bringing women into the public sphere helping them become leaders in business and politics providing increased educational opportunities and giving them a voice in the age of MeToo Using her unique perspective as a NOW state president daughter to Miss America 1970 sometimes pageant judge and scholar Friedman explores how pageants became so deeply embedded in American life from their origins as a P T Barnum spectacle at the birth of the suffrage movement through Miss Universe s bathing beauties to the talent and achievement based competitions of today She looks at how pageantry has morphed into culture everywhere from The Bachelor and RuPaul s Drag Race to cheer and specialized contests like those for children Indigenous women and contestants with disabilities Friedman also acknowledges the damaging and unrealistic expectations pageants place on women in society and discusses the controversies including Miss America s ableist and racist history Trump s ownership of the Miss Universe Organization and the death of child pageant winner JonBen t Ramsey Presenting a more complex narrative than what s been previously portrayed Here She Is shows that as American women continue to evolve so too will beauty pageants **New Books on Women, Gender and Feminism** ,2013 New Books on Women and Feminism ,2013
