What the Church Has Hidden from Us Russ Miner,2003-04 A A Prisoner's Cry Johnny Paul Collins B.Th,2023-04-13

The citizens of the world as we know it currently feel more lost confused hopeless helpless and angry than they have ever felt in remembrance of time past Many have no idea what is going on with the occurrence of catastrophe after a catastrophe that is plaguing the nations of the earth from wars droughts food shortages and newly emerging diseases and most have an expectation that things are only going to get worse from this point moving forward both in the short term and long term Consequently an undertone of apprehension uncertainty and a healthy fear of what may be coming next upon the earth have all left the populations of our world rightly on edge In A Prisoner s Cry Look Up Your Redemption Draws Near Minister Johnny Paul Collins provides us with a biblically sound and evidence based explanation for the seven sorrows that are currently distressing mankind and he warns of the additional sufferings for many that are on the way Through the biblical time specific promise of our Lord hope is provided for the saved and forewarning is given for those unbelieving and wicked inhabitants of the earth who continue to resist and oppose God **Prophecy: Yesterday, Today, and Tomorrow** Pastor D.

Scott O'Neal,2022-11-08 When a gift is greater than the gift giver there is a problem which is why we must promote the health and sanctity of the body of Christ while using the gifts bestowed on us by the Father Son and Holy Spirit When a gift is greater than the gift giver there is a problem which is why we must promote the health and sanctity of the body of Christ while using the gifts bestowed on us by the Father Son and Holy Spirit In this book Pastor D Scott O Neal explains how prophecy works in today s church Get answers to questions such as What hints do we have that Jesus will return soon How can we discover the validity and seriousness of the gift of prophecy What is the function purpose and importance of prophecy in today s church The reality is that signs and wonders are happening around the world as well as the working of miracles The reality is that signs and wonders are happening around the world as well as the working of miracles People are getting healed We might argue or let our disbelief hold us hostage but we need to acknowledge that we are in the timeframe of which Jesus says Most assuredly I say to you he who believes in Me the works that I do he will do also and greater works than these he will do because I go to My Father John 14 12

Daniel Eleven Mysteries Gordon Ziegler,2014-01-22 Some prophecies like Daniel 2 for the most part have been well understood by God s people for hundreds of years Daniel 11 is different Though the symbols are thrown off in that prophecy and the angel prophesies in plain language the prophecy has been more difficult because so many applications have presented themselves to scholars and it has not been clear which application is correct That is particularly true of the last verses of Daniel 11 The author has solved that problem by making all of the applications correct one after another in a sequence He finds there are more applications of the last verses of Daniel 11 than of any other known prophecy of scripture seven No wonder the prophecy has been intractable so long The author does careful exegesis and develops an unparalleled hermeneutic base for accurate interpretations 24 hermeneutic principles The research is not fruitless or moot because several earth shaking results are brought to view Ellen White points out the truth that the promises and threatenings of God are alike conditional 1SM 67 If the conditions were right any of the last day prophecies could be shortened by a Revelation 11 15 19 experience Then let not the reader become irrevocably fixed on the scenario of events in this book Prophecy will still be fulfilled no matter how events come to pass And the 24 hermeneutic principles will hold true regardless The reader will recognize the truth of the prophecies however they are fulfilled God bless the reader as he she reads and attempts to digest this book May you learn from it precious things showing the nearness of the coming of Jesus Amen
