

Covid-19, fases de la contingencia epidemiológica

Las coronavirus son una familia de virus que pueden causar enfermedades tanto en animales como en humanos.

El coronavirus descubierta recientemente (SARS-CoV-2) causa la enfermedad COVID-19, la cual se inició en China y ha causado una pandemia.

1

CONFIRMACIÓN DE LA PANDEMIA

La OMS confirma la pandemia debido a la aparición de un nuevo virus y de signos nuevos súbitos en varias partes de distintos continentes, esto se propaga rápidamente y afecta a un gran número de personas.

La enfermedad llega a el país y se registra en personas que se contagian en el extranjero. El número de casos se lleva a decenas.

Las autoridades de salud promueven medidas preventivas para evitar más contagios, como el lavado de manos frecuente y la distancia física entre personas. Aquí se venían restricciones para llevar a cabo eventos públicos.

El primer caso de COVID-19 se reportó en México hacia finales de febrero de 2020, cuando una persona que había estado en Italia regresó enferma.

2

CONTACTOS REGIONALES Y MULTIREGIONALES

Comienzan a presentarse brotes de la enfermedad en personas que no viajaron, ya que son contagiosas por quienes en la familia, se propaga el virus entre diversas personas de la comunidad.

Aquí se ven los infectados. Se vuelven más complicados identificar la secuencia de contagios y controlar la enfermedad. Los brotes ocurren de manera simultánea en varias partes o regiones de un mismo país.

Las autoridades establecen medidas de sana distancia, como evitar el saludo de mano y los acercamientos físicos, además se recomienda que las personas permanezcan en sus casas y solamente salgan por motivos de necesidad.

Se suspenden los eventos masivos, tanto en espacios al aire como cerrados.

En México, este etapa se declaró el 24 de marzo. Se inició con la emisión promoción de aislamiento voluntario, a través de la campaña "Quédale en casa".

3

CONTACTO EPIDÉMICO

Es la etapa de máxima transmisión del virus y la que presenta más de mil casos por día. La enfermedad está activa en diferentes localidades de un país o región.

Se vuelve más difícil interrumpir la cadena de transmisión, y el principal riesgo consiste en la saturación del sistema nacional de salud por el rápido aumento en el número de enfermos.

Se presenta el endurecimiento de medidas para el distanciamiento social y la cancelación de actividades no esenciales, se cierran centros de trabajo que registran brotes activos de la enfermedad.

En México, esta fase se declaró el 27 de abril.

FASES POSTERIORES

La OMS también reconoce otros escenarios, uno es que la situación comienza a estabilizarse en diferentes países.

4

SEGUNDA OLA PANDEMICA

Es probable que cuando se reducen los contagios de manera total se registre una segunda ola de la epidemia. Esta podría presentarse de forma menos aguda en un país de origen. En el caso de COVID-19 podría suceder en China.

Esta nueva epidemia de la enfermedad puede presentarse de tres a cuatro meses después de haber concluido la primera fase.

5

FIN DE LA PANDEMIA

La OMS al organismo encargado de declarar el fin de una pandemia cuando la mayoría de los países tengan los contagios controlados.

Una vez que los países afectados reducen los contagios y consecuencias de la pandemia, se toman las medidas para evitar la existencia del virus en el futuro.

Esta declaración puede suceder dos o tres años después de iniciada la pandemia.

Tres Villanias Y Un Caso De Pandemia

Concha Fernández Soto

Tres Villanias Y Un Caso De Pandemia:

Quebradas Concha Fernández Soto, 2022-03-02 Quebradas Dramaturgas en tiempos de pandemia es una edición teatral colectiva que reúne a 15 autoras que escriben sobre un presente fracturado que les afecta especialmente ya que es indiscutible el impacto diferenciado y a menudo desproporcionado que la COVID 19 ha tenido en las mujeres. Porque esta crisis global ha interactuado con las brechas de género preexistentes en cuanto a derechos, recursos y oportunidades ampliándolas de modo que esa desigualdad estructural que tanto les afecta y que es transversal a toda la estructura socioeconómica actualmente ha quedado mucho más al descubierto. Este libro colectivo nace de esa contingencia en el tiempo suspendido del confinamiento, de la imposibilidad del encuentro físico y de la búsqueda de respuestas a muchos interrogantes que se iban planteando en el transcurrir de unos días anormales. Y finalmente se concretó en una invitación para reflexionar a través de la palabra teatral sobre el concepto de quiebra. Quebradas y fisuras como una imagen fiel del mundo pero también un lugar con el que disparar la imaginación y las esperanzas en definitiva un lugar desde el que crear y compartir una experiencia artística que ha cristalizado en la suma de distintas sensibilidades.

Tres Villanias Y Un Caso De Pandemia Introduction

In the digital age, access to information has become easier than ever before. The ability to download Tres Villanias Y Un Caso De Pandemia has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Tres Villanias Y Un Caso De Pandemia has opened up a world of possibilities. Downloading Tres Villanias Y Un Caso De Pandemia provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Tres Villanias Y Un Caso De Pandemia has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Tres Villanias Y Un Caso De Pandemia. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Tres Villanias Y Un Caso De Pandemia. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Tres Villanias Y Un Caso De Pandemia, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Tres Villanias Y Un Caso De Pandemia has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Tres Villanias Y Un Caso De Pandemia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Tres Villanias Y Un Caso De Pandemia is one of the best book in our library for free trial. We provide copy of Tres Villanias Y Un Caso De Pandemia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Tres Villanias Y Un Caso De Pandemia. Where to download Tres Villanias Y Un Caso De Pandemia online for free? Are you looking for Tres Villanias Y Un Caso De Pandemia PDF? This is definitely going to save you time and cash in something you should think about.
