

Understanding Drugs Alcohol and Crime Crime and Justice 1st Edition Trevor Bennett

Understanding Drugs Alcohol And Crime Crime Justice

Michael Tonry

Understanding Drugs Alcohol And Crime Crime Justice:

Understanding Drugs, Alcohol And Crime Bennett, Trevor, Holloway, Katy, 2005-04-01 Bennett and Holloway
sUnderstanding Drugs Alcohol and Crime is the best most up to date and comprehensive examination for the United Kingdom of interactions among drugs alcohol and crime The authors exhaustively and authoritatively survey current knowledge in the UK and from many other countries on drug and alcohol use as cause and consequence of crime and the effects of law enforcement and treatment responses Clearly written unfailingly lucid and admirably accurate this book will be the indispensable work on British drug policy for many years to come Professor Michael Tonry University of Minnesota Law School USA What makes this book particularly interesting is the refreshingly non judgmental presentation which conveys the essence of very important issues in contemporary society Therefore this is an ideal text not only for students but also for policy makers drugs and alcohol counsellors treatment agencies and everyone interested in doing research on drugs alcohol and crime Nicoletta Polcek University of Abertay Dundee The publication is not only an excellent summary of the existing research in Great Britain and to a lesser extent from other jurisdictions it is a foundation for future research by evoking and at times provoking questions and offering a variety of possible responses Hirsch Greenberg University of Regina What is the connection between drugs alcohol and crime What works in reducing drugs and alcohol related crime The book provides a succinct overview of current theory and research on the links between drugs alcohol use and crime It discusses the legal and social context of drug and alcohol use and identifies current levels of consumption Focusing on the UK context it also takes into account international research where appropriate Detailed review of the research literature on the connections between drug use and crime Examines the current government anti drugs policy and assesses the effectiveness of programmes that have been used to reduce drug and alcohol related crime The book concludes that future government drugs policy should pay particular attention to the lessons learned from research on the connection between drug and alcohol use and crime Ideal for criminology criminal justice social policy and social work students this book will also be a useful source of information for policy makers the police probation workers social workers drugs and alcohol counsellors treatment agencies sentencers voluntary agencies Drug Action Teams and others with an interest in research on drugs and crime

Understanding Public Attitudes to Criminal Justice Mike Hough, Julian Roberts, 2005-11-16 Which factors shape public opinion of criminal justice How do the views of the public influence criminal justice policy and practice This book provides an introduction to public attitudes towards criminal justice It explores the public's lack of confidence in criminal justice processes and summarizes findings on public attitudes towards the three principal components of the criminal process the police the courts and the prison system It examines the importance that people attach to different criminal justice functions such as preventing crime prosecuting and punishing offenders and protecting the public Topics include Youth justice and public opinion Public perception of restorative justice Penal populism and media treatment of crime The reliability of public opinion polls The

drivers of public opinion Understanding Public Attitudes to Criminal Justice provides an international perspective on the issues surrounding criminal justice and public opinion drawing on research from the UK the United States and Canada and a range of other countries including South Africa Australia and New Zealand Key reading for students in criminology criminal justice and media studies this book is also of value to researchers and those with an interest in crime and the media The Oxford Handbook of Criminology Rod Morgan, Mike Maguire, Robert Reiner, 2012-04-12 The approach of the year 2000 has made the study of apocalyptic movements trendy But groups anticipating the end of the world will continue to predict Armageddon even after the calendar clicks to triple Os **The Oxford Handbook of Crime and Criminal Justice** Michael Tonry, 2011-09-29 Although criminal justice systems in developed Western countries are much alike in form structure and function the American system is unique While it is structurally similar to those of other Western countries the punishments it imposes are often vastly harsher No other Western country retains capital punishment or regularly employs life without parole three strikes or lengthy mandatory minimum sentencing laws As a result the U S imprisonment rate of nearly 800 per 100 000 residents dwarfs rates elsewhere The Oxford Handbook of Crime and Criminal Justice is an essential guide to the development and operation of the American criminal justice system A leading scholar in the field and an experienced editor Michael Tonry has brought together a team of first rate scholars to provide an authoritative and comprehensive overview and introduction to this crucial institution Expertly organized the various sections of the Handbook explore the American criminal justice system from a variety of perspectives including its purposes functions problems and priorities and present analyses of police and policing juvenile justice prosecution and sentencing and community and institutional corrections making it a complete and unrivaled portrait of how America approaches crime and criminal justice and giving persuasive answers as to why and how it has developed to what it is today Accessibly written for a wide audience the Handbook serves as a definitive reference for scholars and a broad survey for students in criminology and criminal justice **Handbook on Crime** Fiona Brookman, Mike Maguire, Harriet Pierpoint, Trevor Bennett, 2010-02-01 The Handbook on Crime is a comprehensive edited volume that contains analysis and explanation of the nature extent patterns and causes of over 40 different forms of crime in each case drawing attention to key contemporary debates and social and criminal justice responses to them It also challenges many popular and official conceptions of crime This book is one of the few criminological texts that takes as its starting point a range of specific types of criminal activity It addresses not only conventional offences such as shoplifting burglary robbery and vehicle crime but many other forms of criminal behaviour often an amalgamation of different legal offences which attract contemporary media public and policy concern These include crimes committed not only by individuals but by organised criminal groups corporations and governments There are chapters on for example gang violence hate crime elder abuse animal abuse cyber crime identity theft money laundering eco crimes drug trafficking human trafficking genocide and global terrorism Many of these topics receive surprisingly little attention in the criminological literature The Handbook on Crime

will be a unique text of lasting value to students researchers academics practitioners policy makers journalists and all others involved in understanding and preventing criminal behaviour An Introduction to Criminology and Criminal Justice Chris Crowther-Dowey,2017-09-16 Assuming no prior knowledge this text provides a clear and user friendly introduction to the key definitions and issues of crime With an unrivalled combination of scope plus introductory pitch this is a one stop shop for undergraduates taking their first modules in criminology and criminal justice EBOOK: Drug Interventions In Criminal Justice Anthea Hucklesby,Emma Wincup,2010-06-16 Under the New Labour government breaking the apparent link between drug use and crime became one of the main aims of drug policy A wide range of initiatives to tackle drug related crime were introduced under the auspices of the Drug Interventions Programme and criminal justice agencies became key players in channelling drug users into treatment This book focuses on the range of drug interventions now available at all stages in the criminal justice process that have been put in place to reduce drug related offending It comprises of a series of eight chapters from eleven authors who were all actively engaged in researching these new initiatives from criminological and criminal justice perspectives Each chapter brings together theory policy and research including the author s own research to provide a thorough review and analysis of the operation impact and effectiveness of one or more drug interventions A further chapter is dedicated to researching drug interventions in criminal justice The book also contains a further resources section Drug Interventions in Criminal Justice is a key text for students and academics in the fields of criminology and criminal justice social policy and social work health and social care and addiction studies It is essential reading for professionals and policy makers working in for drug sector and criminal justice organisations Contributors Anthea Hucklesby Stuart Lister George Mair Gill McIvor Matthew Millings Ian Paylor Layla Skinns Alex Stevens Paul Turnbull Alison Wilson and Emma Wincup **The Handbook of Drugs and Society** Henry H. Brownstein,2015-09-25 This handbook provides a comprehensive examination of the past and present roles of drugs in society with a focus on theory research policy and practice Includes 28 original chapters with multi disciplinary and international perspectives by top social and behavioral scientists Reviews current knowledge in the field including key research findings theoretical developments and methodological debates Identifies ongoing controversies in the field emergent topics and areas in need of further inquiry Discusses individual drugs as well as topics like physiological theories of drug use and abuse public health implications of drugs patterns of drugs and crime international drug trade and trafficking and designer drugs Prisons in the Americas in the Twenty-First Century Marten W. Brien,Jonathan D. Rosen,2015-04-09 This volume on penitentiary systems in the Americas offers a long overdue look at the prisons that exist at the forefront of the ongoing struggle against drugs and violence throughout North Central and South America and the Caribbean From Haiti to Bolivia the authors examine the conditions in these systems and allow several common themes to emerge including the alarming prevalence of lengthy pre trial detention and the often abysmal living conditions in these institutions Taken together this comprises the first

comparative overview of the use and abuse of prisons in the Americas Criminology Tim Newburn,2017-02-22

Debates in Criminal Justice Tom Ellis, Stephen Savage, 2013-03 This helpful book takes an original approach to criminal justice studies setting out a series of ten key dilemmas presented as debates designed to provide students with a clear framework with which to develop their knowledge and analysis in a way that is both effective and an enjoyable learning experience This book is also designed for lecturers to structure a core unit of their courses around

An Introduction to Criminal Psychology Russil Durrant, 2013-05-07 Crime is a topic that is of considerable interest to policy makers politicians and the public alike We want to know what factors can explain the nature and prevalence of crime in society and use this knowledge to better develop approaches for managing criminal behaviour This book provides a comprehensive overview of approaches to understanding crime and criminal behaviour with a focus on psychological perspectives A wide range of different types of criminal behaviour are considered including juvenile crime violent offending sexual offending collective violence and drug use For each type of offence a clear overview of key conceptual and methodological issues is provided along with a detailed consideration of the major theoretical approaches that have been developed The book concludes by considering how our theoretical understanding of crime can inform our responses to criminal behaviour in terms of punishment prevention and rehabilitation Key features of the book include an in depth coverage of a broad range of different types of criminal behaviour inclusion of a diverse range of different theoretical perspectives accessibly written with extensive use of case studies boxes and activities an extensive use of up to date references that highlight the current state of knowledge in the field of criminal psychology This book should be of interest to students academics researchers and practitioners with an interest in criminal behaviour and is particularly suitable for undergraduate courses in criminal psychology forensic psychology and psychological criminology

The Architecture of Desistance Stephen Farrall, 2019-06-06 The volume of studies into desistance has grown dramatically in recent years Much of this research has focused on the internal dynamics of desistance such as decision making choice and restraint Bringing together leading

figures and drawing upon case studies from around the world this book seeks to fill a vacuum in the contemporary literature on desistance by considering processes and practices at a societal level that influence how and why people desist from crime Beginning with an outline of what is known about how social cultural and economic structures shape desistance from crime this book proceeds to explore studies of desistance in countries such as the UK Brazil France Israel Ireland Sweden and Chile These studies touch on variations by ethnicity the nature of the criminal justice system economic cycles gender religious belief systems and the use of time and space Policy matters relating to desistance such as the rehabilitation and supervision of former offenders are also explored This book will be invaluable reading to students and scholars of criminology sociology and social studies engaged in studies of desistance criminology criminal justice victimology penology and probation

Substance Use and Abuse: Oxford Bibliographies Online Research Guide Amie L. Nielsen, 2010-05 This ebook is a selective guide designed to help scholars and students of criminology find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In criminology as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Criminology a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of criminology Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com

The Routledge Handbook of the Philosophy and Science of Punishment Farah Focquaert, Elizabeth Shaw, Bruce N. Waller, 2020-10-14 Philosophers legal scholars criminologists psychiatrists and psychologists have long asked important questions about punishment What is its purpose What theories help us better understand its nature Is punishment just Are there effective alternatives to punishment How can empirical data from the sciences help us better understand punishment What are the relationships between punishment and our biology psychology and social environment How is punishment understood and administered differently in different societies The Routledge Handbook of the Philosophy and Science of Punishment is the first major reference work to address these and other important questions in detail offering 31 chapters from an international and interdisciplinary team of experts in a single comprehensive volume It covers the major theoretical approaches to punishment and its alternatives emerging research from biology psychology and social neuroscience and important special issues like the side effects of punishment and solitary

confinement racism and stigmatization the risk and protective factors for antisocial behavior and victims rights and needs The Handbook is conveniently organized into four sections I Theories of Punishment and Contemporary Perspectives II Philosophical Perspectives on Punishment III Sciences Prevention and Punishment IV Alternatives to Current Punishment Practices A volume introduction and a comprehensive index help make The Routledge Handbook of the Philosophy and Science of Punishment essential reading for upper undergraduate and postgraduate students in disciplines such as philosophy law criminology psychology and forensic psychiatry and highly relevant to a variety of other disciplines such as political and social sciences behavioral and neurosciences and global ethics It is also an ideal resource for anyone interested in current theories research and programs dealing with the problem of punishment

Nursing in Prison Joanne Brooke, 2023-07-19 This Textbook addresses a gap in the market as currently there are no contemporary books exploring nursing within a prison setting The main focus is the provision of healthcare in the Prison Service of England and Wales although examples will also be drawn from the United States of America and Australia Healthcare within prison settings has changed remarkably to address the needs of the changing prison populations Thus this text is clearly structured to support student nurses to understand the role of the nurse within prison and how the different specialities of nursing are applied in this unique setting This textbook provides an overview of the context of prison prisoners and healthcare as well as the experiences of nurse specialists who work in this field including adult mental health and learning disability nurses across primary care mental health services substance misuse and end of life care This volume is informative for both undergraduate student nurses and for qualified nurses and dispels many myths regarding working as a nurse in a prison Each chapter is written by experts within the field including nurses who have worked or still working within the prison setting An important objective of this work is to inform student nurses of the possibility and opportunity of a nursing career within a prison setting
