Understanding Social Work Preparing For Practice:

Understanding Social Work Neil Thompson, 2000 Social work is both a demanding and rewarding profession This book provides a helpful introduction to the nature of social work its legal and policy base the knowledge skills and values involved and the challenges and pitfalls practitioners face Intended as a guide for those considering or beginning a career in social work this text should prove useful to anyone wanting a better understanding of social work and its significant contribution to tackling social problems

Understanding Social Work Neil Thompson, 2024-01-25 What is social work How is it carried out What skills does it require Despite its many challenges social work remains a rewarding career that makes a difference

Understanding Social Work is a much loved and highly acclaimed introduction to what is involved in the role offering an excellent grounding in what the profession is all about Neil Thompson provides a clear and helpful account of the knowledge skills and values that underpin social work makes clear what some of the main challenges of social work are and helps you rise to those challenges Each engaging and succinct chapter supports the reader's learning and development with case studies valuable advice from experienced practitioners practical exercises and further reading suggestions In this sixth edition Thompson shares lessons from his expert witness work and offers renewed focus on the significance of loss and grief and the resurgence of interest in anti racism in social work It is an ideal starting point for people considering a career in social work students beginning their social work journey and for experienced practitioners who want to revisit their roots Accompanying online resources are available at [bloomsburyonlineresources.com](https://www.bloomsburyonlineresources.com) the effective social worker These resources are designed to support teaching and learning when using this textbook and are available at no extra cost

Understanding Social Work Neil Thompson, 2009-06-15 In an extensive update to reflect the recent developments in theory and practice the new edition of *Understanding Social Work* covers the basics in an easy to comprehend style It is an ideal preparatory text for those considering a career in social work students just starting their degree and in preparation for the first placement

The Short Guide to Social Work Robert Adams, 2010 This one stop text for new and prospective social work students is easy to read and full of essential information and practical advice about what is needed to qualify and practice in social work

The Social Work Assignments Handbook Sarah Foote, Anne Quinney, Matt Taylor, 2015-10-01 The *Social Work Assignments Handbook* is the complete guide to preparing for carrying out and writing up a social work assignment or project Designed to support students through their assignments from beginning to end each stage is fully explained through friendly advice and practical guidance so that students can feel confident in their work whether they are writing up quantitative research findings or carrying out a literature review

Social Work Theory and Methods Neil Thompson, Paul Stepney, 2017-10-23 This gateway text lays the foundations for a thorough knowledge of the theory and methods that social workers need Pulling together the work of a team of experts this book uses the innovative theorizing practice approach rather than the traditional applying theory to practice approach thereby providing a much more

satisfactory basis for understanding the relationship between theory and practice and making it easier for practitioners to employ theory in practice Part I sets the scene by examining the relationship between theory and practice how research can be used to inform practice and the important role of policy and organizational factors Part II provides 14 chapters each exploring a different theoretical approach All in all this book provides the ideal introduction to using social work theory and methods in practice

Organisations and Management in Social Work Mark Hughes, Michael Wearing, 2016-10-29 Providing a comprehensive and critical examination of the complex issues involved in the management and organisational contexts of social work practice this book will help readers to Critically evaluate organisational theory managerial techniques and organisational structures Develop strategies for ethical and reflective organisational practice Understand how to plan and manage change in learning organisations Unpick important themes such as leadership supervision risk decision making and accountability Explore the potential for increasing service user and worker participation in organisations

The Uses and Abuses of Humour in Social Work Stephen Jordan, 2018-11-20 In recent years social work academics and practitioners have highlighted the need to reclaim methodologies which unpack creativity and resourcefulness In the bleakest of times many turn to humour to survive Making a unique contribution to social work thought this is the first book to focus exclusively on humour use in relation to social work Over eight chapters Jordan covers a range of examples of social work humour using examples from practice fiction and research He concludes that social work has a complex relationship with humour and that humour has an important role in social work as it enables social workers to hold contradictory views It also allows society to manage its ambivalent and contradictory view of social work Aimed at academics students and social work professionals this book explores social work's sometimes uneasy relationship with humour It will be of interest to anyone with an academic interest in humour

Becoming a Social Worker Vivienne E. Cree, 2009-06-16 This is a book about social workers and social work It tells the story of the journey into and through social work of thirteen social workers living and working in the UK today We hear what has brought them into social work and what has kept them in it since Their lively accounts demonstrate that commitment and passion remain at the heart of social work today Becoming a Social Worker describes what it is like to be a social worker in different practice settings what it is like to be a social work manager and what is happening in social work education Some of the contributors will be recognised as those who have played a key part in shaping social work over the years and they provide valuable insights into how the profession of social work has developed in that time Other contributors less well known but no less interesting give us a vivid idea of what social work practice and social work education is like on the ground Social work is a demanding and difficult job which goes largely unseen within society We only ever hear about social work and social workers when something goes wrong and a vulnerable adult or child is hurt Becoming a Social Worker sets out to change that to make social work visible so that those considering a career in the caring professions can make an informed choice about whether social work is the career for them

Social Work Mark Doel, 2012

This book presents a broad view of contemporary social work exploring its roots and its possible future It dispels myths surrounding social work addresses media debates and offers a balanced account of what social workers do The book argues for a social work that is partisan in support of social justice *Social Work with Older People* Ann McDonald,2010-03-08

Social Work with Older People provides an authoritative and practical guide to working with older people in a range of settings It addresses the complexities of individual work with older people as well as work with families groups and the wider community and is not afraid to tackle the challenges as well as opportunities of practice in this area The book begins by explaining the demographic changes that have led to a greying of the general population It goes on to discuss the diversity in experiences of ageing across society and the range of issues which confront older people and those who wish to work proactively with them Clear attention is paid to the processes of assessment care planning and review with readers encouraged to reflect on developing good practice through case studies and exercises Although it has a strong practical emphasis the book also stresses the value of theoretical perspectives with insights from fields such as sociology and psychology woven throughout the book Clear links are also made to policy guidelines and organizational standards without losing sight of the deeper often more complex issues that arise when working with older people *Social Work with Older People* will be essential reading for social work students and practitioners but also for others who are interested in the development of practice with older people as citizens and service users *Social Work: The Basics* Mark Doel,2012-06-25

Social Work The Basics is an insightful introduction to the often misrepresented world of social work This accessible book presents a broad view of contemporary social work exploring its roots and its possible future It dispels myths surrounding social work addresses media debates and offers a balanced account of what social workers do The book argues for a social work that is partisan in support of social justice Questions covered include How did social work arise How and why do people come into contact with social workers What are the true aims of social work to help or to control What is the relationship between social work and social policy How and why do people become social workers What s it like to be a social worker Can social work cross borders Drawing examples from the full range of social work practice this book is valuable reading for all individuals interested in the field of social work It will provide a helpful introduction for students considering a career in social work those beginning social work courses and other professionals whose work brings them into contact with social workers and who want to find out more about what social work is *The Post-qualifying Handbook for Social Workers* Wade Tovey,2007 In October 2007 the post qualifying PQ framework for all social workers in England will be transformed and this handbook will supply fundamental guidance for all practising social work professionals and the staff who support them

Exploring Social Work Bell, Linda,2020-02-12 Exploring various aspects of social work from an anthropological perspective this original book uses an outsider position to develop a reflexive dialogue with social workers from England and elsewhere in Europe Bell an anthropologist worked alongside social work educators and social workers for many years She

widens our insights into social work by offering thought provoking examples suggesting how social work practitioners view their occupation and their practice and how wider society views them Blending research and personal reflection to critically examine social workers preoccupations and contributions to society the author explores identities and definitions in social work making this book refreshing reading for academics researchers students and practitioners *Working with Older People* John Harris, Denise Tanner, 2007-10-11 Working with older people has become an increasingly important part of social work education and practice Whether studying community care adult services human growth and development or social work processes and interventions this book will be a vital source of information and help Working with Older People provides a framework of knowledge skills and values pertinent to qualifying social work courses and the new post qualifying award in Social Work with Adults including discussion of ideas about human development and theories of older age legislation social policy and social welfare skills for working with older people assessment and care planning partnership working Written by two experienced educators and practitioners this key text facilitates individual or group learning through features such as objectives for each chapter case studies and further reading suggestions There are numerous activities throughout the book and the final chapter contains pointers to consider for all of the activities It will be essential reading for social work students and qualified social workers

Bridging the Divide Jason L. Powell, 2025-02-24 In today s complex and rapidly changing globe understanding the link between social theory and social policy is crucial for addressing the diverse challenges that diverse societies face This book aims to provide a thorough critical analysis of how social theory shapes social policy and how effective policies can be informed by theoretical frameworks emanating from history and the present This book is both important and significant by bridging the gap between theory and policy this book seeks to contribute to the development of evidence based policies that promote social cohesion social justice and well being The book is one of the first to open up theoretical strategies and applicability to social policies Youth Justice and Social Work Paul Dugmore, Sally Angus, Jane Pickford, 2006-10-06 Structured around the National Occupational Standards this book takes a practical approach to youth justice within social work programmes focusing on social work in a multi agency multi disciplinary youth offending team Using case studies and research this text helps readers to develop skills that support youth justice as well as to understand debates in youth justice policy and practice including the competing issues of welfare and justice It is suitable for those on the social work degree as well as criminology and criminal justice students hoping to understand social work practice in a youth justice context

Management and Organisations in Social Work Trish Hafford-Letchfield, 2009-04-17 This fully revised and updated second edition looks at the study of social work management and organisations focusing on relationships with crucial partners such as central government agencies local partners and other social care organisations Through an examination of current research and practice the author explores the relationships between ideology professional and personal values and decision making in organisational culture Included in the text are case studies activities and further

reading lists to aid learning *Personalisation in Social Work* Ali Gardner, 2014-02-17 The government agenda on Personalisation and self directed support is fast moving and rapidly changing It is vital therefore that students and practitioners alike are aware of the key issues and debates as well as the policy that surrounds this area of practice This timely and fully revised second edition provides an overview of the personalisation agenda and looks at the recent legislation in a broad historical and theoretical perspective This approach will provide opportunities for students to consider the changes to the social work role and to evaluate the impact of this for service users and as practitioners *Social Work* Maria Wolmesjö, 2023-03-22 This edited volume *Social Work Perspectives on Leadership and Organisation* presents a variety of perspectives and reflections from social work theories and practice on how to manage lead and organize social work in different parts of the world The authors share their experiences and knowledge from a variety of perspectives focusing on education practice user participation leading social work with responsibility for handling different ethical dilemmas and organizing a sustainable and healthy work life for both staff members and their clients Global collaboration enables reflection on social work leadership and organization from different professional perspectives and organizational levels The book addresses students politicians lecturers and researchers practitioners users relatives and others who are interested in social work and want to improve their understanding of social work leadership and organization from an international perspective

Understanding Social Work Preparing For Practice Introduction

In today's digital age, the availability of Understanding Social Work Preparing For Practice books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Understanding Social Work Preparing For Practice books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Understanding Social Work Preparing For Practice books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Understanding Social Work Preparing For Practice versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Understanding Social Work Preparing For Practice books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Understanding Social Work Preparing For Practice books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded.

Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Understanding Social Work Preparing For Practice books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Understanding Social Work Preparing For Practice books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Understanding Social Work Preparing For Practice books and manuals for download and embark on your journey of knowledge?

FAQs About Understanding Social Work Preparing For Practice Books
