The Unnatural History Museum Viktor Wynd, 2020-03-10 Viktor Wynd master of the contemporary Wunderkabinett is back with a collection of artifacts and curiosities that are more bizarre and wonderful than ever For over a decade from a tiny storefront in east London the artist Viktor Wynd has been reinventing the cabinet of curiosities for the 21st century The Viktor Wynd Museum of Curiosities Fine Art explores beasts freaks monsters fairies and mermaids covers magical plants hallucinogens erotica and dandies and dips into the world of the occult This might not be a book for everyone However it is a book everyone interested in cabinets of curiosities should have on their shelf

Dark Fairy Tales Viktor Wynd, 2025-10-08 Master storyteller Viktor Wynd is back with a gloriously grim collection of wickedly entertaining tales from around the world guaranteed to tickle the darker side of the imagination Viktor Wynd has always gravitated towards the weirder corners of folklore On his extensive travels he has amassed a trove of stories that refuse to play nice filled with risque twists grotesque details and endings that are surprisingly happy though not always in the way one might expect Having entertained audiences around the world with these tales he has now written down some of his favorites in a book as beautifully produced as it is macabre The stories were collected in Wales Ireland Arabia Germany Norway Papua New Guinea and Borneo and include the adventures of a one eyed troll the feckless Paddy O Dwyer a changeling child a girl who thinks she can outwit a witch the doomed Sinbad the Traveler shapeshifters and a baby eating pig Each chapter begins with Wynd's personal account of how he came to learn these stories Arresting and intricate illustrations by Transylvanian artist Luciana Nedelea perfectly balance the charming and grotesque The book also includes a guide to the art of learning and recounting fairy tales With foil accents and stenciled edges this volume feels like a forbidden artifact plucked from a dusty cabinet of curiosities

London Phil Baker, 2021-05-26 City of cities the modern world's first great metropolis London has shaped everything from clothing to youth culture It has a unique place in the world's memory even as its role has changed from the capital of the planet to its playground and as its lived history has mutated into the heritage industry In this book Londoner Phil Baker explores the city's history and the London of today balancing well known major events with more curious and eccentric details He reveals a city of almost unmatched historical density and richness For Baker London turns out to be Gothic in all senses of the word and enjoyably haunted by its own often bloody past And despite extensive

redevelopment as he shows in this engaging and insightful book some of the magic remains *Cabinet Of Curiosities, A: The Myth, Magic And Measure Of Meteorites* Martin Beech, 2021-03-05 Hurling through the atmosphere in a blaze of light and reverberating percussions the arrival of a meteorite on Earth is a magical rare and precious sight These characteristics have accordingly ensured a long yet often controversial history For all this meteorites are cosmic messengers They tell us about the entire history of the solar system their story carrying us from the very earliest moments when solid material first began to form in the solar nebula Indeed meteorites played a key role in the origins of Earth's oceans and the genesis of life Meteorites additionally tell us about the origin and evolution of the asteroids and they tell us about impacts upon the Moon as well as the volcanic history of planet Mars Much is known about the structure and chemistry of meteorites but for all this they still harbor many scientific mysteries that have yet to be resolved **Taxidermy Art** Robert Marbury, 2014-09-23 In this collection of taxidermy art you'll find a winged monkey with a fez and a martini glass a jewel encrusted piglet a bionic fawn and a polar bear balancing on a floating refrigerator Author Robert Marbury makes for a friendly and often funny guide addressing the three big questions people have about taxidermy art What is it all about Can I see some examples and How can I make my own He takes readers through a brief history of taxidermy and what sets artistic taxidermy apart and presents stunning pieces from the most influential artists in the field Rounding out the book are illustrated how to lessons to get readers started on their own work with sources for taxidermy materials and resources for the budding taxidermist *Gothic effigy* David Annwn Jones, 2018-01-12 Gothic effigy brings together for the first time the multifarious visual motifs and media associated with Gothic many of which have never received serious study before This guide is the most comprehensive work in its field a study aid that draws links between a considerable array of Gothic visual works and artifacts from the work of Salvator Rosa and the first illustrations of Gothic Blue Books to the latest Gothic painters and graphic artists Currently popular areas such as Gothic fashion gaming T V and film are considered as well as the ghostly images of magic lantern shows This groundbreaking study will serve as an invaluable reference and research book In its wide range and closely detailed descriptions it will be very attractive for students academics collectors fans of popular Gothic culture and general readers **Voluntary Detours** Lianne McTavish, 2021-10-15 After visiting hundreds of museums across Alberta Lianne McTavish chronicles some of the most challenging and unexpected sites where the idea of the museum is being reshaped The concept of the visit as a voluntary detour encapsulates the way visitors travel along backroads to find small town and rural museums as well as the agreement to turn away from standard museum scripts when they arrive Addressing themes of place land colonization rurality heritage childhood and play McTavish reveals the museum visitor as multifaceted with locals and tourists often interpreting museums very differently Case studies include the World Famous Gopher Hole Museum Fort Chipewyan Bicentennial Museum Blackfoot Crossing Historical Park and the Museum of Fear and Wonder A key chapter analyzing sites devoted to resource extraction explores how these places promote settler colonial understandings of land use
