VINE,2020 **The Pursuit of Grace** Pastor Kevin Stock,2022-10-13 The title of this book is The Pursuit of Grace The reason I point out that there is a pursuit involved is because grace is so contrary to what is commonly taught and experienced in the world our thinking and unfortunately often times in the church Therefore there has to be a constant conscious effort to believe so as to overcome all the opposition to this magnificent gift of God What must I do to be saved This is the question man has been asking

throughout his time here on earth The very existence of the many different religions found in every nation tribe and people group down through the ages attests to the fact that man is indeed concerned about his eternal destination Now being that there are so many different beliefs it stands to reason that there are many different answers to the question being asked But what is the truth What must I do to be saved I'm sure that everyone thinks that their beliefs are correct that their answer is the right answer No one would willingly commit themselves to a belief system that they knew to be erroneous In Proverbs 14:12 we're told There is a way that seems right to a man but in the end it leads to death All religions have a somewhat moral character about them Most promote good behavior or good works to some degree They look good sound good and seem right But are they true If not then they lead to death So what then is the right way In John 14:6 Jesus said I am the way and the truth and the life No one comes to the Father except through me You see Jesus didn't say that there was a plethora of ways in which we might come to God He said there is only one way and that is through Him This is what we want to consider

Sir Richard Blackmore and the Bible Michela Pizzol

Giacomini, 2006-12-25 Sir Richard Blackmore 1650_1729 was deeply affected by the Protestant poetic trends in England which favored the Sacred Scriptures as a source for what was termed divine poetry His preference also prized the religious poetic trends as a spiritual weapon against vice and atheism His advocacy of ideas upholding virtue morality and Christianity in a world that was undergoing phenomenal changes in its mores served as a backbone for the renewal and strengthening of the increasing popularity of divine poetry This work further explores the Bible s influence on Blackmore s physico theological poems his personal notions of a Creator and his scientific ideas

Before You Were Born, I Anointed You Anna

Beresford, 2022-09-12 Prophetic ministry in the Bible has long been perceived as the exclusive domain of individuals who were powerful authoritative argumentative and almost always male This impression cannot be sustained In a logical and engaging way Anna Beresford convincingly shows us that female characters throughout the biblical story are not merely peripheral actors but are often the ones who proclaim God s prophetic word with disturbing clarity Beginning with the few women acknowledged as prophets in the Hebrew scriptural tradition Beresford proceeds to uncover a surprising host of hidden female prophets Among this cast we meet the widow whose last penny is consumed by organized religion the gate crasher who teaches a pious Pharisee stern lessons in hospitality a woman who has the last word in a theological debate A woman used to trap Jesus proclaims truth to power and a feisty foreign lady cleverly proves that God s love is for all of us regardless of gender or ethnicity This book is a compelling reminder that God speaks to all people women and men and calls on us to share the message whether it is convenient or not 2 Tim 4 2 NET
