Improvising Tradition Alexandra Ledgerwood, 2014-12-30 Improvisational piecing methods anchored within traditional quilting designs. Improvising Tradition pairs improvisationally pieced elements with more structured and perhaps more familiar quilt patterns to create projects that share a fresh, clean, and modern aesthetic. Author Alexandra Ledgerwood introduces readers to three basic improv piecing techniques: strip sets, piecing improvised strata, and slice and insert, then marries them with traditional quilting designs such as log cabins, coin, and bar quilts, and even Hawaiian quilts. By using improvised elements within traditional patchwork quilt designs, Alexandra merges new and old quilting styles into projects that will appeal to a wide range of quilters. Eighteen original and modern quilting projects combine the beauty and familiarity of traditional techniques with the fresh, fun spirit of improvised quilting.

A Quilter's Mixology Angela Pingel, 2014-06-14 Follow the Drunkard's Path to curved piecing. You'll discover an introduction to curved piecing via one simple block, Drunkard's Path. Author Angela Pingel demonstrates how this single block can be put together in various patterns that look absolutely different in every combination. Drunkard's Path can create a sinuous, staggering line like its namesake, or curved motifs that form teardrops, arabesques, flowers, and other discrete shapes. Dive deep into the basics of curved piecing and then explore a variety of projects, including full size quilts, baby quilts, pillows, and a table runner. Find inspiring new ways to use that old favorite Drunkard's Path block to create quilts that look new and different. A Quilter's Mixology is the perfect next step book geared towards intermediate quilters or
