Virtual Evil Time Rovers 2:

Valiant Light Jana Oliver, 2017-11-25 With her wedding fast approaching as well as her fiancé's investiture as grand master Master Demon Trapper Riley Blackthorne is just trying to keep Atlanta safe from Hellspawn. When she meets a high level fiend who claims to be free of Lucifer's control and allows him to remain at large she knows there will be consequences. Denver Beck is facing two major events taking his vows as a grand master and then as a husband. He's as nervous about committing his life to the fight against Darkness as he's excited to say I do. All his worries about the future are confirmed when a city is buried in brimstone killing every single inhabitant. Was this Hell's doing or is some other entity at work? It's Beck's job to find out. After more cities are destroyed Riley is summoned to Rome to answer for her actions. If they want a future as man and wife she and Beck will have to take a stand. But will they be strong enough to stop this new threat, a killer that even the angels fear?

Dead Easy Jana Oliver, 2016-06-24 As a New Orleans native twenty year old Jessie Kilpatrick is accustomed to drunken tourists, spooky backstreets and strange happenings. When her friend Lisa is murdered Jessie fears a killer has made the Big Easy their personal hunting ground. After a chance encounter with Sayer Arceneaux, the self entitled son of a powerful attorney, Jessie unwittingly becomes his alibi for the murder. Even she begins to question Sayer's innocence when Lisa's half sister is killed, a donor sibling conceived through a fertility clinic owned by his unscrupulous uncle. Is it just coincidence or is there a darker motive for the ritualistic crimes? As the cops try to pin the deaths on Sayer it's up to Jessie to find the real killer. But revealing the truth will uncover secrets buried deep within both their families; secrets someone will do anything to keep hidden.

Mind Games Jana Oliver, 2015-10-31 Riley Blackthorne's life as a Demon Trapper is about to hit the wall. Knowing she will always be a target for those who want to exploit her connections with Hell, she's learning defensive magic. It seems the only way to ensure she and her fiancé Denver Beck have a future together. But not everyone in Atlanta or at the Vatican is pleased by this news. In fact, some want to ban the use of all magic and Riley would make the perfect scapegoat. As a new demonic enemy stalks her, Guild politics roil the city, throwing the trappers into chaos. To protect herself and the man she loves, Riley will be forced to choose: continue in her legendary father's footsteps or carve her own path. A path that may well lead to her losing everything she so desperately seeks to protect.

Tangled Souls Jana Oliver, 2013-07-01 Wiccan Gavenia Kingsgrave's psychic gift, the ability to talk to the dead, comes with strings attached. As a Shepherd, she escorts them into the hereafter, but not all the souls want to cross over and some can be downright vicious. When her latest case involves a heart-breaking hit and run victim, Gavenia is stressed to the max. The last thing she needs is a no-nonsense private detective on her tail, even if he is a handsome Irishman. Former homicide detective Douglas O'Fallon possesses his own psychic gift, one he's denied for years. Hired by a wealthy client to prove that Gavenia's a con artist, he is skeptical of the witch's claims she can speak to the dead. If he finds her gift as genuine, then he will be forced to accept his own. When their two cases intersect, opposites attract. But will they be able to set their differences aside long enough to outwit their foes, both the living and the
