Vision for Life Meir Schneider, 2012 Presents ten simple steps to relieve eye strain correct vision problems and improve eye health includes a full range of restorative vision exercises **Vision for Life, Revised Edition** Meir Schneider, Ph.D., 2016-05-03 All parts of the body need exercise for optimal health and the eyes are no different *Vision for Life* presents an approach to eye health for people with 20/20 vision who wish to maintain their perfect vision as well as people who see poorly and would like to improve their eyesight Clients of the Meir Schneider Self Healing Method experience their own capacity to bring about recovery reversing the progress of a wide range of degenerative conditions including eye disease Based in part on the established Bates Method of eyesight improvement and in part on his own professional and personal discoveries Meir Schneider's pioneering approach has helped thousands of people successfully treat a host of eye problems including near and farsightedness astigmatism lazy eye double vision glaucoma cataracts macular degeneration retinal detachment retinitis pigmentosa and nystagmus This revised edition includes a new chapter on children's eye health and new research and exercises for specific conditions i.e. glaucoma and nystagmus near and farsightedness Born blind to deaf parents Schneider underwent a series of painful operations as a young child and was left with 99 percent scar tissue on the lenses of his eyes resulting in his being declared incurably blind At the age of seventeen he discovered how to improve his vision from less than 1 percent to 55 percent of normal vision with the eye exercises presented in this book Today Schneider drives a car reads and enjoys the benefits of full natural vision He and his clients prove time and time again how much vision can improve with exercise His contributions to the field of self healing are recognized by alternative health practitioners and medical doctors alike In *Vision for Life* Schneider shares forty years of discoveries made on his personal and professional journey The book details simple but effective techniques to gain great vision such as sunning and palming Such exercises are not only strengthening but also restorative and deeply relaxing The reader learns how to reverse developing issues before they cause damage or to remedy existing problems including pathologies such as glaucoma cataracts macular degeneration retinal detachment and optic nerve neuropathy *Summary of Meir Schneider's Vision for Life* Everest Media, 2022-05-04T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I was born in the Soviet Union under difficult circumstances My father was involved in an illegal business taking and printing photographs for churches My family decided to flee the Soviet Union and relocate to Israel During this time of transition for my family five surgeries were performed on my eyes The first two were unsuccessful The other three were successful but scarred my lenses to the point that 99 percent of them was scar tissue 2 I was born blind and as a response to the fear and insecurity that filled my early life I developed a sense of commitment I did not want to be labeled as a blind person and so I began to transition and change 3 I escaped into my Braille books I was always reading and I would read for hours on end when my mother said Time to sleep lights out I wanted to be liberated from my condition but all the doctors said there was

nothing I could do 4 I had a bright future but I did not know what it was I met another boy named Jacob who had dropped out of high school I learned the eye exercises he taught me and as I practiced them I received more complaints from the authority figures in my life
