Paul Walker,2021-12-22 *Unleavened Faith* lets the Bible speak for itself it attempts to show how to study God s word by carefully listening to what it says It is far more a guidebook than a commentary it will aid in directing our meditations and more importantly put limits on our imaginations in the study of the Scriptures The method used in these studies is in opposition to private interpretation It begins with showing Christians where they fit in the world of religion then gives the rules for understanding building the precepts or general principles to which all doctrine and teaching must conform to rightly divide and correctly interpret the Word of truth *Unleavened Faith* is not written in scholarly jargon but by and for the average person desirous of a better knowledge and understanding of God s Word Let him that glorieth glory in this that he understandeth and knoweth me that I am the LORD which exercise lovingkindness judgment and righteousness in the earth Jeremiah 9 24 *The Author of Love* Joe Anderson,2011-07-08 Throughout history God has been depicted variously as a judgmental tyrant a grand conciliator and even as a rather low key comic portrayed by the cigar smoking George Burns in the movie *Oh God* The question that's begging to be answered is Who is God This devotional evolved out of one person's desire to portray God in a truer light In the Book of Job God reprimanded Job's friends for failing to speak truthfully about Him They misrepresented His character Job on the other hand understood His Maker and was therefore the single voice of truth in an otherwise corrupt world Can you honestly say that you know your Creator Can you speak truthfully about Him This devotional will help you get to know the real God who is neither the judgmental tyrant nor the light weight movie character He is if nothing else a God of love and compassion At the conclusion of your devotionals I have formulated a Love Quotient L Q test to measure the depth of your love The questions are designed to be thought provoking and insightful You may also find them a bit daunting and uncomfortable Answer each question according to your beliefs There are no wrong or right answers It is my hope you'll find this little exercise revealing and instructive of how you love The answers and Key is also included Your heart is what you're all about May you understand God's love for you *Orthodox Christianity* Carl S. Tyne,2003 The Orthodox Church is one of the

three major branches of Christianity There are over 300 million adherents throughout the world The Orthodox Church is a fellowship of independent churches which split from the Roman Church over the question of papal supremacy in 1054 The Orthodox adherents include people in Greece Georgia Russia and Serbia There are an estimated one million members in the United States This Advanced book explains the basic principles of Orthodox Christianity and describes in detail the holidays observed by the Orthodox Church In addition relevant book literature is presented in bibliographic form with easy access provided by title subject and author indexes

Animals in Heaven- Fantasy or Reality Arch Stanton, 2006-06-02 Animals have been with us since the state of existence or being The bible tells us God created the animal kingdom for his pleasure When God created the heaven and earth and all life that exist he obviously saw a need for animals or they would not be here Why God created them in the shapes and forms as they were we do not know the choice was his and as I mentioned He chose to do so in a way that pleases him Animals have a mind that gives them the ability to think and have feelings Animals have a certain intelligence we do not possess such as an internal guidance system Both dogs and cats have this ability and I would imagine there are other animals as well God created everything with a purpose and a need the animals kingdom is one such example Many people believe God's purpose for animals is to serve humankind and upon death they are to perish with no possible chance for eternal life However does the bible teach this In the first chapter of the book of Genesis the bible tells us God considered the animals a creation that was very good he was pleased with them Many people consider the life of an animal as having a very small worth To them an animal just lives and dies Many people have the attitude of so what The bible tells us God doesn't care for an attitude such as this because he values the life of his animals very much Throughout the entire bible the information found pertaining to the animal kingdom is very precise The bible tells us the animals are to be forever God had this intention when he created them and this application of thought remains today and forever The bible never mentions mankind alone is to receive eternal life

How different would our lives be without animals There would be no pets for those who are lonely and without family There would be no zoos for family outings There would be no circus acts with animals There would be no dog as a best friend There would be no Seeing Eye dogs There would be no animals to alert their owners of an ever present danger during the night such as fires burglars etc I believe we simply overlook the fact there is a purpose for all of God s creatures The purpose for this book is to reveal the truth in what the bible tells about the animal kingdom We need to know God s purpose for them The bible explains in detail God s plan for his animals even after death God wants us to know about them or he would never have emphasized their importance in his word Many people are reluctant to discuss the animal kingdom from a biblical point of view I find this strange to say the least God has included them in his written word but many ministers will say very little if anything about them The scriptures in this book are from the King James Bible What the bible tells us is 100% accurate and lest we never forget God simply made no mistakes in his word The bible is never contradictory We will read scriptures that clearly explain that animals will be in heaven and why God wants them to be there with us If we had the power to give our pet s eternal life would we want the life of our animals to be temporal If God loves his animals more than we could ever love them shouldn t this type of love indicate his love for them is tremendous Since we know God can give animal s eternal life could be there any single reason to give them life that would be only temporary First we should know the bible is not dull dismal or neutral The bible is not an area between two extremes having mingled characteristics of both of them a situation in which there are no clear cut distinctions The interpretations of scriptures have been defined several ways over the years and this has cause confusion in many churches We will read scriptures about the animal kingdom that many of you may not know are in the bible We will read scriptures that are clearly stated to mean one thing and one thing only and that is Animals are to be in heaven By the time you have finished this book you will have a better understanding for the purpose of the animal kingdom You may then decide if the scriptures do indeed tell us animals have a soul do they have a spirit did God create them with a purpose in this life is he going to give them eternal life With God s help you will decide For more information please visit www.dutchman3d.com

in Him to provide for all of your tomorrows **He's Been Faithful** Carol Cymbala,2011-01-04 Carol Cymbala s ministry in a tough inner city neighborhood in New York can be summed up in one word unlikely She is the director and songwriter for a Grammy Award winning choir yet she doesn t read music She is the pastor s wife in a 6 000 member congregation filled with people of color and she is white A shy girl who struggled to get through school she is the last person you d expect to stand before a packed house at Radio City Music Hall confidently directing The Brooklyn Tabernacle Choir But Carol s God is the God of the unlikely He s Been Faithful tells the story of the way God works despite or maybe because of our many inadequacies Because of how God has worked in her own life and in The Brooklyn Tabernacle and its world famous choir she knows how crucial it is to remember our desperate need for God But Carol s faith hasn t always come easily There have been times of wavering and challenge like the time a man walked down the aisle of the church pointing a gun at her husband Jim Or like the time she was assaulted outside the church Or like the time she wanted to pack up her children and run away from the city for good because of what was happening to her family He s Been Faithful is an honest story about the struggles we all face and the power of God to help us It is told through Carol s eyes as well as through the eyes of various members of The Brooklyn Tabernacle Choir who have experienced the grace of Christ in remarkable ways Through them we learn that our longings for God will never be satisfied by worship that is showy or performance based Instead God we will meet us when we come to him simply seeking his glory rather than ours telling him and the world around us about the great things he has done Whether you are a pastor a choir director or someone who is seeking a deeper experience of God He s Been Faithful will renew your faith and increase your understanding that only Jesus can fill that deep deep longing we all have for something more in life **Dare to Declare** Todd Proccaccini,2020-02-29 Dare to Declare combines the instructions of daily devotionals and declarations to empower a closer walk with God Proverbs 21 18 KJV states that Death and life are in the power of the tongue and they that love it shall eat the fruit thereof What we utter out of our mouth determines whether we abound or become bound At times life can become extremely overwhelming and so heavy that it weighs us down Our emancipation is produced by our communication If we don t possess the faith to say it we will lack the enduring faith to see it The Bible instructs us to shout unto to God with the voice of Triumph Psalms 47 7 KJV Your victory is in your voice Dare to Declare quips the reader to navigate through life s journey on a daily basis and overcome every obstacle that stands in their way During the 1980 s and 90 s there was a television show on Nickelodeon called Double Dare The object of the game was to dare you to do things you normally wouldn t do The word dare means to be challenged or have the courage to do something This book is designed to dare you to possess the undeniable boldness to declare victory over every area of your life After reading Dare to Declare you will be challenged to never settle for mediocracy or defeat If the West Falls... Bridget S. Howe,2011-10-27 If The West Falls If the West Falls is the result of four years of research that began when the author learned that she was a target of US Government sponsored Organized Vigilante Stalking Her investigation into the crime that

had been committed against her led her to an understanding of the crime that is being committed by the United States government against the people of this nation and the rest of the world The authors investigation reveals The presence of a fascist underground controlling the life of this nation and the lives of American people The plans of secret societies such as the Bilderbergers the Trilateral Commission and the Council of Foreign relations to dissolve the national sovereignty of the United States of America The influence of the occult in public institutions and the American Christian Church Crimes being committed by US governing officials being covered up by the National Security Act including the exploitation of children Exploitation of American citizens and people around the world under the Patriot Act and the Military Commissions Act
