

The background of the slide is a photograph of a construction site, likely a bridge or large-scale infrastructure project. Several large tower cranes are visible, their lattice structures extending across the frame. The scene is bathed in a warm, golden-orange light, suggesting either sunrise or sunset. A large, white, irregular oval shape is superimposed on the left side of the image, serving as a container for the text.

Witness To The German Revolution

Richard B. Day, Daniel Gaido

Witness To The German Revolution:

Witness to the German Revolution Victor Serge, 2011-07-26 Dispatches from a workers revolt by the Memoirs of a Revolutionary author one of the most compelling of twentieth century ethical and literary heroes Susan Sontag winner of the National Book Award Following in the wake of the carnage reaped across Europe by World War I German workers undertook a struggle that would prove decisive in determining the course of the entire twentieth century In 1923 the fledgling Comintern The Communist International dispatched Victor Serge with his peerless journalistic skills to Berlin to expedite the German Revolution and write these moving reports from the battlefield Praise for Victor Serge He was an eyewitness of events of world historical importance of great hope and even greater tragedy His political recollections are very important because they reflect so well the mood of this lost generation His articles and books speak for themselves and we would be poorer without them Partisan Review I know of no other writer with whom Serge can be very usefully compared The essence of the man and his books is to be found in his attitude to the truth John Berger Booker Prize winning author The novels poems memoirs and other writings of Victor Serge are among the finest works of literature inspired by the October Revolution that brought the working class to power in Russia in 1917 His articles like the work of John Reed his American friend let us follow revolutionary events as they unfold as seen through the eyes of an exceptionally alert journalist Scott McLemee writer of the weekly Intellectual Affairs column for Inside Higher Ed

Witness to the German Revolution

Victor Serge, 2000 Victor Serge had the opportunity to witness the events that took place in Germany from 1919 to 1923 when the whole country was rocked by insurrectionary action Redwords is proud to publish in English for the first time crucial writings and articles which he wrote during this historic period Including an overview of Serge's life and a short preface to each piece to place it in context this will be an invaluable reference not just to students of European History but also to the general reader of Serge's fictional works

Berlin Witness G. Jonathan Greenwald, 1993 Provocative and personal Berlin Witness is likely to be the definitive American description of the first phase of the German Revolution until the government opens its archives in the next century and will be a valuable resource for anyone wishing to understand the background of the new Germany

Unforgiving Years Victor Serge, 2011-03-09 Unforgiving Years is a thrilling and terrifying journey into the disastrous blazing core of the twentieth century Victor Serge's final novel here translated into English for the first time is at once the most ambitious bleakest and most lyrical of this neglected major writer's works The book is arranged into four sections like the panels of an immense mural or the movements of a symphony In the first D a lifelong revolutionary who has broken with the Communist Party and expects retribution at any moment flees through the streets of prewar Paris haunted by the ghosts of his past and his fears for the future Part two finds D's friend and fellow revolutionary Daria caught up in the defense of a besieged Leningrad the horrors and heroism of which Serge brings to terrifying life The third part is set in Germany On a dangerous assignment behind the lines Daria finds herself in a city

destroyed by both Allied bombing and Nazism where the populace now confronts the prospect of total defeat The novel closes in Mexico in a remote and prodigiously beautiful part of the New World where D and Daria are reunited hoping that they may at last have escaped the grim reckonings of their modern era A visionary novel a political novel a novel of adventure passion and ideas of despair and against all odds of hope Unforgiving Years is a rediscovered masterpiece by the author of The Case of Comrade Tulayev

A Political Biography of Arkadij Maslow, 1891-1941 Mario Kessler, 2020-04-30 This book is a political biography of Arkadij Maksimovich Maslow 1891 1941 a German Communist politician and later a dissident and opponent to Stalin Together with his political and common law marriage partner Ruth Fischer Maslow briefly led the Communist Party of Germany the KPD and brought about its submission to Moscow Afterwards Fischer and Maslow were removed from the KPD leadership in the fall of 1925 and expelled from the party a year later Henceforth they both lived as communist outsiders persecuted by both Hitler and Stalin Maslow escaped to Cuba via France and Portugal and was murdered under dubious circumstances in Havana in November 1941 He died as a communist dissident committed to the cause of a radical socialist labor movement that lay in ruins Kessler considers Maslow s role in pivotal events such as the Bolshevik Revolution in Soviet revolutionary parties and organizations through to the rise of Stalinism and Cold War anti communism What results is a deep dive into the life of a key yet understudied figure in dissident communism

World Revolution, 1917-1936 C. L. R. James, 2017-07-27 Originally published in 1937 C L R James s World Revolution is a pioneering Marxist analysis of the history of revolutions during the interwar period and of the fundamental conflict between Trotsky and Stalin James who was a leading Trotskyist activist in Britain outlines Russia s transition from Communist revolution to a Stalinist totalitarian state bureaucracy He also provides an account of the ideological contestations within the Communist International while examining its influence on the development of the Soviet Union and its changing role in revolutions in Spain China Germany and Central Europe Published to commemorate the centenary of the Russian Revolution this definitive edition of World Revolution features a new introduction by Christian H gsbjerg and includes rare archival material selected contemporary reviews and extracts from James s 1939 interview with Trotsky

The German Revolution, 1917-1923 Pierre Broué, 2006 Brou enables us to feel that we are actually living through these epoch making events Do not miss this magnificent work Robert Brenner UCLA A magisterial definitive account of the upheavals in Germany in the wake of the Russian revolution Brou meticulously reconstitutes six decisive years 1917 23 of social struggles in Germany The consequences of the defeat of the German revolution had profound consequences for the world Pierre Brou 1926 2005 was for many years Professor of Contemporary History at the Institut d tudes politiques in Grenoble and was a world renowned specialist on the communist and international workers movements

Berlin Witness G. Jonathan Greenwald, 1993-09-15 In a remarkable combination of personal reflections official dispatches and sophisticated political analysis Berlin Witness recounts the dramatic story of the erosion of Communism in East Germany and the forging of the new

Germany Jonathan Greenwald arrived in East Berlin in the summer of 1987 when discontented East German youths were shouting Gorby Gorby on Unter den Linden and Erich Honecker was still received in Bonn as the respected leader of the Soviet Union's most powerful ally Germany was divided and Honecker's GDR was a cornerstone of the armed but apparently stable security order that grew up after the Second World War As Political Counselor of the American Embassy Greenwald expected to chronicle Europe's evolution away from East West confrontation and to assess for the State Department the implications of strengthening ties between the two German states that were beginning to cause unease in the alliances of both superpowers Instead he found and described a revolution that climaxed with the fall of the Berlin Wall the collapse of the Soviet Empire and the unification of Germany The daily entries beginning with a traditional Communist May Day 1989 when time seemed to stand still tell the story of that astonishing year from the unique perspective of a senior American diplomat Greenwald had access not only to the leading personalities of the GDR including Honecker Egon Krenz and Gregor Gysi but also to the idealistic young people and churchmen who set in motion the events that astonished the world and changed all our lives He participated in the often frustrating efforts to shape an American policy response to the accelerating crisis In his Afterword he offers insightful and sometimes skeptical observations about the rush to unification that has left Germany whole and free but racked by new tensions and self doubts Provocative and personal Berlin Witness is likely to be the definitive American description of the first phase of the German Revolution until the government opens its archives in the next century and will be a valuable resource for anyone wishing to understand the background of the new Germany *The Charisma of World Revolution* Gleb J. Albert, 2022-12-28 That the idea of world revolution was crucial for the Bolshevik leaders in the years following the 1917 revolution is a well known fact But what did the party's rank and file make of it How did it resonate with the general population And what can a social history of international solidarity tell us about the transformation of Soviet society from NEP to Stalinism This book undertakes the first in depth analysis of the discourses and practices of internationalism in early Soviet society during the years of revolution civil war and NEP using forgotten archival materials and contemporary sources *Arms and the People* Mike Gonzalez, Houman Barekat, 2012-12-10 This collection examines the relationship between mass movements and the military Some argue that it is impossible to achieve and protect a revolution without the support of the army but how can the support of the army be won *Arms and the People* explores the impact of social extremes on the solidarity within the state's military and on the changing loyalties of these soldiers The authors examine a series of historical moments in which a crisis in the military has reflected deep instability in the wider world including Russia in 1917 Egypt during the Arab Spring the Paris Commune as well as long standing instability in Venezuela and Indonesia amongst many others Including a range of international authors who have either studied or been directly involved in such social upheavals *Arms and the People* is a pioneering contribution to the study of revolutionary change **Judaism, Philosophy, and Psychoanalysis in Heidegger's Ontology** Federico Dal Bo, 2023-11-17 In this book

Federico Dal Bo analyzes the question of Heidegger's anti-Semitism from a deconstructive point of view appealing not only to philosophy but also to psychoanalysis, gender studies and critical studies. Deconstruction famously discourages simplistic oppositions whilst encouraging a more careful analysis of cultural and philosophical complexities of a semantic field. In the present case a deconstructive analysis of Heidegger's anti-Semitism rejects both a stern condemnation of his oeuvre and a simplistic acquittal from this infamous accusation. It rather suggests that the question of his anti-Semitism shall be examined from the broader perspective from the end of metaphysics.

Jehovah's Witnesses and the Third Reich M. James Penton, 2004-01-01 Using materials from Witness archives, the U.S. State Department Nazi files and other sources, M. James Penton demonstrates that while many ordinary German Witnesses were brave in their opposition to Nazism, their leaders were quite prepared to support the Hitler government from publisher description.

Witnesses to Permanent Revolution: The Documentary Record Richard B. Day, Daniel Gaido, 2009-02-23 The theory of Permanent Revolution has been associated with Leon Trotsky for more than a century since the first Russian Revolution in 1905. Trotsky was the most brilliant proponent of Permanent Revolution but by no means its sole author. The documents in this volume, most of them translated into English for the first time, demonstrate that Trotsky was one of several participants in a debate from 1903-7 that involved numerous leading figures of Russian and European Marxism including Karl Kautsky, Rosa Luxemburg, Franz Mehring, Parvus and David Ryazanov. This volume reassembles that debate, assesses it with reference to Marx and Engels and provides new evidence for interpreting the formative years of Russian revolutionary Marxism.

The German Revolution and Political Theory Gaard Kets, James Muldoon, 2019-05-02 This book is the first collection within political theory to examine the ideas and debates of the German Revolution of 1918-19. It discusses the political theorists and actors of the revolution and uncovers an incredibly fertile body of political thought. Revolutionary events led to the proliferation of new political strategies, theoretical insights and institutional proposals. Key questions included the debate between a national assembly and a council system, the socialisation of the economy, the development of new forms of political representation and the proper role of parliaments, political parties and trade unions. This book offers novel perspectives on the history of the revolution, a thorough engagement with its main thinkers and an analysis of its relevance for contemporary political thought.

Joseph Goebbels T. Thacker, 2016-04-30 An insightful new biography of Joseph Goebbels, Propaganda Minister of the Third Reich and one of the most important and troubling figures of the twentieth century. The first account to use all of Goebbels' surviving diaries, it sheds new light on his personality, private life and political convictions as well as his relationship with Hitler.

Eventually, you will utterly discover a further experience and exploit by spending more cash. nevertheless when? do you acknowledge that you require to acquire those every needs in the same way as having significantly cash?
