practice The volume's subtitle *Resisting Institutions* points to the myriad ways in which parties and other institutions in Europe over time have resisted the inclusion of women into politics As voluntary party quotas and legislative quotas gained prominence so did strategies to undermine them At the same time *Resisting Institutions* also indicates that gender equality actors have developed ways to counter such blockages and advance the cause of parity in their legislatures 17 country cases explore the current state of quota implementation and the effects of confronting androcentric institutions Women Quotas and Power Dimensions Angelina Mattijo-Bazugba, 2025-11-02 In 2010 South Sudan held its first ever elections an event that marked a pivotal moment in the region's political history In a striking development women secured 32 per cent of parliamentary seats made possible by the adoption of a gender quota system designed to give women a voice in shaping the nation's future *Women Quotas and Power Dimensions* delves into the untold story of how gender quotas were introduced in South Sudan during a time of political transition and social upheaval Drawing from her doctoral research Dr Angelina Mattijo Bazugba unmasks the power struggles that shaped this historic moment Enriched by the lived experiences of the women who helped forge a new political path this book reveals what it really took for the women of South Sudan to claim their place at the table *Gender Politics in Transition* Eva Schmidt, 2019-11-11 Eva Schmidt analyses how power relations ideas and institutions in Tunisian gender politics changed during the democratisation process 2011-2014 Her analysis of gender politics offers a productive lens to understand the course of the Tunisian transition As gender policies are integral to Tunisian national identity they became a major battlefield in the fight for political inclusion and exclusion In this context liberal and leftist feminists accessed the decision making institutions and enhanced the existing women's rights legislation Yet the intertwinement of modernist nationalism with women's rights also limited the scope for feminist demands This book contributes a unique case study to political transitory and advances an original theoretical approach based on Bourdieu's theory of the political field Women Transforming Politics Cathy Cohen, Kathleen B.
