Flex Annie Auerbach, 2021-02-23 Seasoned trends forecaster and consultant Annie Auerbach takes a fresh look at women's professional lives today by rethinking the 9 to 5 in this no nonsense guide to thinking and behaving more flexibly in order to have a happier better less frenetic life Marie Claire now widely available for American readers and updated with an author note addressing work in the post Covid age The recent coronavirus outbreak has proven what Annie Auerbach has long championed working 9 5 in an office doesn't work for most of us It's time to change the rules We can be efficient and productive when we're allowed the freedom of flexibility to meet deadlines working during the hours and in the places we

choose But before the coronavirus pandemic only 47 percent of American workers had access to flexible working options Annie Auerbach advises major corporations including Nike Google Unilever and Pepsico She understands work culture and the needs of employees The world is changing for working women but until the recent pandemic companies turned a blind eye Now it s time to make this change routine Auerbach reiterates the importance of leaving the office cubicle behind and explores the realities many women experience working from home and the changes to their daily lives including the trickle down effects from emotional labor to balancing childcare and education with work to even biohacking the female body s unique rhythms What happens when women embrace the concept of flex We become more creative more strategic with our time and energy and more engaged with our personal lives As Auerbach makes clear we reject our toxic culture of presenteeism time pressure and ultimately burnout It helps us escape the army of octopus lady jugglers crazed with the exhaustion of having it all It allows us to live longer lives more sustainably It gives us self worth *Work Life Transition Journal* Henry Owen,2018-11-02 The Work Life Transition Journal helps you build a healthy habit of transitioning from work to home life so you can leave work at work and be more present at home Setting aside the last five minutes of your work day to complete the daily journal entry will make you more focused and effective at work and more present for your life and loved ones at home A short introduction teaches you how to complete the daily journal entry and why it works If you want to be more effective at work and more present at home click the add to cart button now *A Career Development Workshop* Tashini N.
