American Families Stephanie Coontz, 2013-01-11 In the past forty years American families have become more racially and ethnically diverse than ever before Different family forms and living arrangements have also multiplied with single parent families cohabiting couples with children divorced couples with children stepfamilies and newly visible same sex families During the same period socioeconomic inequality among families has risen to levels not seen since the 1920s This second edition of American Families offers several benefits clear conceptual focus new attention to the historical origins of contemporary family diversity well chosen essays by leading names from across the curriculum explores the interactions between race ethnicity class gender and sexuality in shaping family life cCompletely updated and expanded bibliography of related sources new companion website with student and instructor resources to enhance learning Leading off with a comprehensive and teachable introduction to the topic this completely updated revised and expanded second edition of Stephanie Coontz s classic collection American Families remains the best resource available on family diversity in America For additional information and classroom resources please visit the American Families companion website at www.routledge.com/textbooks/9780415958219 *Making Modern Lives* Julie McLeod, Lyn Yates, 2012-02-01 Making Modern Lives looks at how young people shape their lives as they move through their secondary school years and into the world beyond It explores how they develop dispositions attitudes identities and orientations in modern society Based on an eight year study consisting of more than 350 in depth interviews with young Australians from diverse backgrounds the book reveals the effects of schooling and of local school cultures on young people s choices future plans political values friendships and attitudes toward school work and sense of self Making Modern Lives uncovers who young people are today what type of identities and inequalities are being formed and reformed and what processes and politics are at work in relation to gender class race and the framing of vocational futures Shades of Difference Evelyn Nakano Glenn, 2009-01-23 Shades of Difference addresses the widespread but little studied phenomenon of colorism the preference for lighter skin and the ranking of individual worth according to skin tone Examining the social and cultural significance of skin color in a broad range of societies and historical periods this insightful collection looks at how skin color affects people s opportunities in Latin America Asia Africa and North America Is skin color bias distinct from racial bias How does skin color preference relate to gender given the association of lightness with desirability and beauty in women The authors of this volume explore these and other questions as they take a closer look at the role Western dominated culture and media have played in disseminating the ideal of light skin globally With its comparative international focus this enlightening book will provide innovative insights and expand the dialogue around race and gender in the social sciences ethnic studies African American studies and gender and women s studies Women in Music Karin Pendle, Melinda Boyd, 2005-09-19 First published in 2006 Routledge is an imprint of Taylor Francis an Informa company **The Best of the Best** Rubén A. Gaztambide-Fernández, 2010-01-30 For two years Rub n Gaztambide Fern ndez

shared the life of what he calls the Weston School an elite New England boarding school Vividly describing the pastoral landscape and graceful buildings the rich variety of classes and activities and the official and unofficial rules that define the school The Best of the Best reveals a small world of deeply ambitious intensely pressured students For Gaztambide Fern ndez Weston is daunting yet strikingly bucolic inspiring but frustratingly incurious and sometimes especially for young women a gilded cage for a gilded age

Sociology of Sexualities Kathleen J. Fitzgerald, Kandice L. Grossman, 2024-09-04 Sociology of Sexualities is an insightful exploration of sexuality through a sociological lens offering a comprehensive understanding of sexualities and gender identities The Third Edition brings to light the current societal challenges faced by LGBTQ and reproductive rights the influence of technology on sexuality and the impact of the COVID 19 pandemic on sexual behaviors
