Women Writers And The Dark Side Of Late Victorian Hellenism:

Women Writers and the Dark Side of Late-Victorian Hellenism T. Olverson, 2009-11-19 Examining the appropriation of transgressive violent female figures from ancient Greek literature and myth by late Victorian writers Olverson reveals the extent to which ancient antagonists like the murderous Medea and the sinister Circe were employed as a means to protest against and comment upon contemporary social and political institutions **Daughters of Dionysus** Tracy Dawn Olverson, University of Newcastle upon Tyne. School of English Literature, Language and Linguistics, 2007

Victorians and Modern Greece Efterpi Mitsi, Anna Despotopoulou, 2024-09-10 Victorians and Modern Greece examines the representation of nineteenth century Greece in British magazines fiction poetry and travel writing revealing the popular reception of the modern nation in the Victorian period Reflecting upon the tensions ancient and modern oriental and European primitive and developed emerging from Victorian texts on Modern Greece the 12 essays in this volume analyse these texts and their role in reconceptualising the national identity and culture of Britain and Greece through their encounter with each other Featuring writers such as Mary Shelley Christopher Wordsworth William Thackeray Theodore Bent Isabella Fyvie Mayo Oscar Wilde and Vernon Lee as well as anonymous authors publishing in popular periodicals and a broad range of topics from travel and fashion to political crises and the pervasive appeal of ruins this book tells the story of Modern Greece from British perspectives at a time when Greece was struggling to achieve self definition among conflicting geopolitical interests Victorians and Modern Greece also opens up Victorian studies to minor or marginal voices and narratives which addressed worldly concerns and Britain's global affiliations With its comparative perspective this book will be of interest to scholars and students of both Victorian literature and culture and of the culture and history of Modern Greece *The Oxford Handbook of Victorian Literary Culture* Juliet John, 2016-06-30 The Oxford Handbook of Victorian Literary Culture is a major contribution to the dynamic field of Victorian studies This collection of 37 original chapters by leading international Victorian scholars offers new approaches to familiar themes including science religion and gender and gives space to newer and emerging topics including old age fair play and economics Structured around three broad sections Ways of Being Identity and Ideology Ways of Understanding Knowledge and Belief and Ways of Communicating Print and Other Cultures the volume is sub divided into nine sub sections each with its own lead essay on subjectivity politics gender and sexuality place and race religion science material and mass culture aesthetics and visual culture and theatrical culture The collection like today's Victorian studies is thoroughly interdisciplinary and yet its substantial Introduction explores a concern which is evident both implicitly and explicitly in the volume's essays that is the nature and status of literary culture and the literary from the Victorian period to the present The diverse and wide ranging essays present original scholarship framed accessibly for a mixed readership of advanced undergraduates graduate students and established scholars

Ancient Rome and Victorian Masculinity Laura Eastlake, 2019 Romans in Victorian literature are at once pagan

persecutors pious statesmen pleasure seeking decadents and heroes of empire this volume examines how these manifold and often contradictory representations are deployed in a range of ways in the works of authors from Thomas Macaulay to Rudyard Kipling to create useable models of masculinity

The Oxford History of Classical Reception in English Literature David Hopkins, Charles Martindale, Norman Vance, Rita Copeland, Patrick Cheney, Jennifer Wallace, Philip R. Hardie, 2012 The Oxford History of Classical Reception OHCREL is designed to offer a comprehensive investigation of the numerous and diverse ways in which literary texts of the classical world have stimulated responses and refashioning by English writers Covering the full range of English literature from the early Middle Ages to the present day OHCREL both synthesizes existing scholarship and presents cutting edge new research employing an international team of expert contributors for each of the five volumes OHCREL endeavours to interrogate rather than inertly reiterate conventional assumptions about literary periods the processes of canon formation and the relations between literary and non literary discourse It conceives of reception as a complex process of dialogic exchange and rather than offering large cultural generalizations it engages in close critical analysis of literary texts It explores in detail the ways in which English writers engagement with classical literature casts as much light on the classical originals as it does on the English writers own cultural context This fourth volume and second to appear in the series covers the years 1790 1880 and explores romantic and Victorian receptions of the classics Noting the changing fortunes of particular classical authors and the influence of developments in archaeology aesthetics and education it traces the interplay between classical and nineteenth century perceptions of gender class religion and the politics of republic and empire in chapters engaging with many of the major writers of this period

Amy Levy Naomi Hetherington, Nadia Valman, 2010-04-06 Amy Levy has risen to prominence in recent years as one of the most innovative and perplexing writers of her generation Embraced by feminist scholars for her radical experimentation with queer poetic voice and her witty journalistic pieces on female independence she remains controversial for her representations of London Jewry that draw unmistakably on contemporary antisemitic discourse Amy Levy Critical Essays brings together scholars working in the fields of Victorian cultural history women s poetry and fiction and the history of Anglo Jewry The essays trace the social intellectual and political contexts of Levy s writing and its contemporary reception Working from close analyses of Levy s texts the collection aims to rethink her engagement with Jewish identity to consider her literary and political identifications to assess her representations of modern consumer society and popular culture and to place her life and work within late Victorian cultural debate This book is essential reading for undergraduate and postgraduate students offering both a comprehensive literature review of scholarship to date and a range of new critical perspectives Contributors Susan David Bernstein University of Wisconsin Madison Gail Cunningham Kingston University Elizabeth F Evans Pennsylvania State University DuBois Emma Francis Warwick University Alex Goody Oxford Brookes University T D Olverson University of Newcastle upon Tyne Lyssa Randolph University of Wales Newport Meri Jane

Rochelson Florida International University **Victorian Poetry** ,2016 **New Books on Women and Feminism** ,2011
New Books on Women, Gender and Feminism ,2010 Index to Theses with Abstracts Accepted for Higher Degrees
by the Universities of Great Britain and Ireland and the Council for National Academic Awards ,2007 **TLLS, the Times**
Literary Supplement ,1981 **Victorian Women Writers and the Classics** Isobel Hurst,2006-09-14 In this study Isobel Hurst brings together two lines of enquiry in recent criticism the Romantic and Victorian reception of ancient Greece and Rome and women as writers and readers in the nineteenth century BOOK JACKET *Reclaiming Myths of Power* Ruth Y. Jenkins,1995 This book re examines the Victorian spiritual crisis from the perspective of the period s women writers exploring the spiritual dimension in their lives and narratives The introduction considers the relationship between sacred and secular canons and the limited access women have had to both In the following chapters case studies of the lives and selected texts of Florence Nightingale Charlotte Bronte Elizabeth Gaskell and George Eliot provide an in depth analysis of the relationship between female spiritual crises and diverse narrative strategies that reappropriate the conservative power associated with religious symbolism for a radical revisioning of women s social subjection By analyzing the neglected spiritual crises these women experienced their discourse and that produced by other Victorian women this study reveals a more complex problematic and polemical dialogue during the period than has previously been argued BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Victorian Ghosts in the Noontide** Vanessa D. Dickerson,1996 An interesting rereading of familiar texts by Emily and Charlotte Bronte Elizabeth Gaskell and George Eliot recovering the historical and literary roots of the supernatural as it appears in each women s work Dickerson English Rhodes College makes interesting observations about women s changing roles in the 19th century when scientific advancements relegated women to the home as arbiters of the spiritual while men occupied themselves with rational invention Through close readings she demonstrates how the Brontes Gaskell and Eliot resisted this division and simultaneously created a spiritual genre of writing traditionally denigrated by critics Annotation copyrighted by Book News Inc Portland OR In Science's Shadow Patricia Murphy,2006 Through close analysis of noncanonical Victorian era literature by Thomas Hardy Wilkie Collins Charles Reade Constance Naden and Marianne North Murphy reveals how women were often marginalized constricted and defined as intellectually inferior as a result of the interplay of sociohistorical trends driven by scientific curiosity and the Woman Question Provided by publisher **Antifeminism and the Victorian Novel** ,
Silent Voices Brenda Ayres,2003-04-30 Some of the greatest English novels were written during the Victorian era and many are still widely read and taught today But many others written during that period have been neglected by scholars and modern readers alike A number of these novels were written by women and were popular when published Moreover they reveal perspectives of 19th century British culture not present in canonized works and therefore revise our understanding of Victorian life and attitudes With the increasing interest in revising Victorian history and gender scholarship especially

through the rediscovery of lost texts written by women this book is a timely and much needed study The expert contributors to this volume argue the value of novels by such Victorian women writers as Grace Aguilar Catherine Crowe Charlotte Elizabeth Tonna Annie E Holdsworth Ella Hepworth Dixon Flora Annie Steel Anne Thackeray Sarah Grand Marie Corelli and others Most of the chapters address numerous works by a particular writer Each focuses on different social issues as well though most of them share an interest in gender politics Topics discussed include a 19th century Jewish novelist s navigation through Protestant spirituality the relationship of noncanonical governess novels to class and gender issues and forgotten works by women crime writers Other chapters analyze how women writers impelled social reform and subverted patriarchally defined religious issues

Antifeminism and the Victorian Novel Tamara S. Wagner, 2014-05-14 This book provides a critical reconsideration of nineteenth century women s writing by exploring the significance of antifeminist representations for literary developments in the century s second half It seeks to draw new attention to still neglected authors and works while suggesting that their reappraisal at once demands and helps to facilitate a more encompassing rethinking of a number of long neglected writers and their still underestimated contribution to Victorian literary culture Their changing classification their marginalisation within canon formation and most importantly their resistance to simplifications suggested by these shifting categorisations prompts us to break out of such ideological straightjackets ourselves In analysing a range of material that testifies to the wide spectrum versatility and reflexive interchanges of popular Victorian fiction the essays in this collection work together to interrogate the significance of these still neglected works for the development of the novel genre This collection makes an important contribution to the study of Victorian literature and especially of recently rediscovered popular writers It will be of interest to literary critics and students working on the formation of the novel genre in general as well as on nineteenth century culture more specifically

Forbidden Journeys Nina Auerbach, U. C. Knoepfelmacher, 2014-12-10 This darkly entertaining story collection is a significant contribution to nineteenth century cultural history and especially feminist studies United Press International In the 1870s and 1880s children s literature saw some astonishingly bold and innovative writing by women authors As these eleven dark and wild stories demonstrate fairy tales by Victorian women constitute a distinct literary tradition one that was startlingly subversive for its time While writers such as Lewis Carroll and J M Barrie wrote nostalgic tales that pined for lost youth their female counterparts had more serious at times unsettling concerns From Anne Thackeray Ritchie s adaptations of *The Sleeping Beauty in the Wood* to Christina Rossetti s unsettling anti fantasies in *Speaking Likenesses* the stories collected here are breathtaking acts of imaginative freedom by turns amusing charming and disturbing Besides their social and historical implications they are extraordinary works of fiction full of strange delights for readers of any age The editors intelligent and fascinating commentary reveals ways in which these stories defied the Victorian patriarchy Allyson F McGill *Belles Lettres*

Women Writers And The Dark Side Of Late Victorian Hellenism Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Women Writers And The Dark Side Of Late Victorian Hellenism PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to

locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Women Writers And The Dark Side Of Late Victorian Hellenism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Women Writers And The Dark Side Of Late Victorian Hellenism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Women Writers And The Dark Side Of Late Victorian Hellenism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
