Gender in Hillary Clinton's Second Presidential Campaign Catherina Kaiser, 2018-12-13 Bachelor Thesis from the year 2016 in the subject Gender Studies grade 1.0 LMU Munich Amerika Institut language English abstract The USA remains one of

very few powerful democratic nations that are yet to elect a female head of state This BA thesis aims to deconstruct the idea of the modern USA as a post gender society and show that gender in reality still matters in society just as in presidential politics Kaisers analysis first of all aims to illustrate the different layers the famous glass ceiling is made of in American

society in general and in presidential politics in specific Furthermore it displays how these invisible barriers have affected Hillary Rodham Clinton as an individual woman on her rise to power And finally it proposes to analyze Clinton's changing

strategies from 2008 to 2016 to deal with gender as a variable in her efforts to become president Teaching Introduction to Women's Studies Barbara S. Winkler, Carolyn DiPalma, 1999-10-30 Annotation Provides both new and more experienced

teachers of introductory courses in women's studies with overviews resources and classroom applications while giving them opportunities to reflect on transformation of context population and content

Women and Politics Lynne

Ford, 2018-05-15 Women and Politics is a comprehensive examination of women's use of politics in pursuit of gender equality How can demands for gender equality be reconciled with sex differences Resolving this paradoxical question has proceeded

along two paths the legal equality doctrine which emphasizes gender neutrality and the fairness doctrine which recognizes differences between men and women The text's clear analysis and presentation of theory and history helps students to think

critically about the difficulties faced by women in politics and about how public policies in education labour and the economy and family and fertility impact gender equality The fully revised fourth edition explores new critical perspectives recent

political events and current challenges to gender equality including the 2016 presidential election and Hillary Clinton's candidacy the fight for equal pay and paid leave and the debate over reproductive rights and campus sexual assault It also

includes current scholarship on the intersections of race class and gender and expanded coverage of minority women women

in the military and conservative women This text and its two path framework is essential to understanding women s pursuit of equality via the political system
