Resisting Rape Culture through Pop Culture Kelly Wilz, 2019-12-09 Resisting Rape Culture through Pop Culture Sex After MeToo provides audiences with constructive models of affirmative consent tender masculinity and pleasure in popular culture that work to challenge toxic dominant and hegemonic constructions While numerous scholars have illustrated the many ways mediated culture shape social understandings of sexual violence this book analyzes texts that might serve to resist rape culture This project locates how these texts manufacture cinematic or televisual narratives and in turn work to create new realities that encourage cultural and social change Kelly Wilz analyzes the ways in which we as a culture tend to understand sex through visual media and dominant cultural myths while highlighting productive texts which might serve as a possible corrective to the ways in which sex is ritualized by rules that legitimize violence Through the lens of productive criticism Wilz examines how language and dominant ideologies around rape culture and rape myths reinforce systemic violence and how visual texts might work to reimagine how we might disrupt those ideologies and create new ways to engage in conversations around intimacy and violence By centering the voices within the MeToo movement who actively work to de normalize sexual assault and abuse these models provide a useful counter to the deluge of dehumanizing narratives about survivors and sexualized violence Scholars of pop culture women's studies media studies and social justice will find this book particularly useful

Preventing Eating-Related and Weight-Related Disorders Gail L. McVey, Michael P. Levine, Niva Piran, H. Bruce Ferguson, 2013-01-24 This book presents a collection of writings by expert researchers from Canada the United States and Australia who are committed to finding common cause and common ground in the prevention of eating disorders and obesity The ten chapters in this book seek to create a new public health approach to the prevention of weight related disorders one that counters the confusion and frustration from public policies messages and programs that recipients of prevention efforts

often experience The first section looks at prevention from a public health perspective and the second section highlights theories from risk and resilience research that can inform the prevention of weight related disorders The contributions are varied in their theories and models but woven throughout is the theme of collaboration in changing public institutions and social systems that promotes universal prevention and fosters mental health and resilience Unique methods of linking systems and fostering partnerships across sectors and disciplines are highlighted and readers are exposed to innovative ideas of how to move the field of prevention science forward to reduce the onset of negative body image unhealthy weight management eating disorders and disordered eating Preventing Eating Related and Weight Related Disorders is the second in a series of titles from The Community Health Systems Resource Group at The Hospital for Sick Children This series will educate researchers policy makers students practitioners and interested stakeholders on such topics as early intervention in psychosis aggressive behaviour problems eating related disorders and marginalized youth in educational contexts

Women as Leaders in Education Jennifer L. Martin, 2011-09-22 This up to date candid examination of women s careers in education and leadership in education describes the pitfalls triumphs and future promise of female leaders in education Overall education is a field still dominated by women yet women do not typically pursue or attain leadership positions at the administrative level Research has revealed some of the reasons for this women still experience gender discrimination in education careers experience higher attrition rates and have slower career mobility than do men Additionally women in education are apparently less valued and their performance is more critically evaluated as in other fields This insightful text shows the gender based inequities and discrimination women face when aiming for leadership positions in education and lays out a plan to bring success to this level of the field that is still male dominated **Women as Leaders in Education Succeeding Despite Inequity Discrimination and Other Challenges** is the result of a team of leading feminist educators and scholars It delves into feminist women s leadership in education from kindergarten to graduate school This two volume work assesses the historical and current political landscape with regard to women hitting a glass ceiling issues of social justice and the unique challenges women face in educational leadership as well as the new field of teacher leadership **Communicating**

Women's Health Annette Madlock Gatison, 2015-12-07 This volume explores the conditions under which women are empowered and feel entitled to make the health decisions that are best for them At its core it illuminates how the most basic element of communication voice has been summarily suppressed for entire groups of women when it comes to control of their own sexuality reproductive lives and health By giving voice to these women s experiences the book shines a light on ways to improve health communication for women Bringing together personal narratives key theory and literature and original qualitative and quantitative studies the book provides an in depth comparative picture of how and why women s health varies for distinct groups of women Organized into four parts historical influences on patient and provider perceptions breast cancer the silence and the shame make it taboo mothering reproduction and womanhood and sex sexuality relational health

and womanhood each section is introduced with a brief synthesis and discussion of the key questions addressed across the chapters
