Pastoral Epistles, Volume 46 Zondervan, 2016-02-23 WBC series delivers the best in biblical scholarship from the leading scholars who share a commitment to Scripture as divine revelation It emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology **A Multi-Intentioned View of the Extent of the Atonement** Gary L. Shultz Jr., 2014-01-07 Christians strongly disagree about the extent of the atonement Some believe that the atonement only extends to the elect those whom God chose to save before the foundation of the world Others believe the atonement is unlimited that Jesus died for all people whether they ever believe in him or not Despite the differences in these two traditional

understandings they share one thing in common both believe that Jesus died for a single intended purpose But what if God's intentions in the atonement are multiple not single The Bible teaches exactly this that Jesus died both to pay for the sins of all people and to secure the salvation of those God chose to believe in him before time began This book explains and defends a multi intentioned view of the extent of the atonement asserting that this view does the best job of understanding all of what the Bible says about the extent of the atonement is more theologically comprehensive than the traditional views and has the best potential for consensus on who exactly Jesus Christ died for when he was crucified for our sins Catalogue of English Bible Translations William J. Chamberlin, 1991-12-10 While other Bible catalogs are available this comprehensive reference book is destined to become the standard in the field Chamberlin's one volume work traces the publication history of multiple editions of Bible translations and offers valuable descriptive annotations The catalog not only includes complete Bibles but also Old and New Testaments partial texts commentaries that include translations children's Bibles Apocryphal writings and the Koran as well Other bibliographies are usually limited to editions commonly found in academic libraries but Chamberlin's guide also includes Bibles found in private collections Overall this catalogue contains more than five times as many entries of different English translations as two other Bible bibliographies those by Hill and Herbert combined The entries are grouped in 151 categories and within each category entries are listed in chronological order The accompanying annotations identify the translator and provide an overview of the contents of each work The detailed indexes make this bibliography a convenient tool for researchers Bible scholars collectors and rare book dealers will find this catalogue a necessary addition to their libraries **The Evangelical Doctrine of the Church** Robert Doyle, 2022-08-16 This book is a disciplined introduction to ecclesiology With respect to the community which the Lord purchased with his own blood Acts 20:28 parts one and two focus on a critical exegetical presentation of the New Testament's descriptions and themes locating their treatment within two millennia of reflection and appreciating the impact of those contexts on our understanding From over ninety New Testament images chapters four to ten identify and argue for three foundational concepts *ekklesia* assembly *soma Christou* the body of Christ and *koinonia* the communion of the saints Continuing the conversation with Scripture and its history of interpretation Robert Doyle then applies the determinative biblical themes to present practice centering it on the churches of the Evangelical and Reformed traditions Part four illuminates ecclesiology from other foundational Christian doctrines the triune God of holy love Christology our ascended human high priest and king and the doctrine of revelation the church as the pillar and bulwark of the truth The final part focuses on three possible points of transformation in ecclesial life and witness both internally and outward to the world *A Virtue Ethical View of Trinitarian Sanctification* Ronald M. Rothenberg, 2014-07-02 The thesis of this book is that virtue ethics is key to understanding Trinitarian progressive sanctification The thesis is supported by four reasons why virtue ethics is key to understanding Trinitarian progressive sanctification 1 the Trinity virtue ethics and sanctification are historically and conceptually

interconnected in the tradition and Scripture 2 virtue ethics based on metaphysical realism is the most biblically consistent ethical framework for Trinitarian progressive sanctification 3 Jesus active roles as a teacher and example of virtue play an important part in Trinitarian sanctification and 4 Jesus priestly heavenly intercession aimed at manifesting virtue in believers is crucial to understanding how the Trinity progressively sanctifies believers The active roles of Jesus in sanctification ordered by the Triune premise indicate that the Trinity sanctifies such that 1 the value having its source from the Father is revealed through the teaching of the Son to motivate believers who are empowered to be motivated by the Spirit 2 the character that is from the Father is revealed through the Son s example that is to be imitated by the believer through habituation and reciprocity by the Spirit s leading and 3 believers are led by the Spirit s intercession into prayer Rom 8 14 16 26 27 to be helped through the Son s priestly intercession in order to receive an answer from the Father with the aim of manifesting the virtues of endurance and hope in the lives of believers

Harrod ,2022-08-16 Relevant questions about prayer answered from the whole witness of Scripture Praying is often the most common yet least understood practice of Christian spirituality In 40 Questions about Prayer scholar and teacher Joseph C Harrod shares biblical insight on the nature and practice of Christian prayer Harrod s emphasis on searching the Scriptures results in a trustworthy practical guide to a vital aspect of Christian belief and behavior equally appropriate for seminary courses Bible studies and personal understanding The accessible question and answer format of 40 Questions about Prayer allows readers to explore the issues they care most about such as these Does prayer change God s mind Does God hear the prayers of unbelievers What does it mean to pray in Jesus s name How does prayer affect evangelism spiritual awakening and revival What does it mean to pray without ceasing 1 Thess 5 17 Do physical postures affect prayer

The Elder and Overseer Benjamin L. Merkle,2003 Recent challenges to the traditional view that the terms elder and overseer in the New Testament refer to the same office has caused the majority opinion to shift After examining the background of the terms in Jewish and Greco Roman sources Paul s view of organized ministry in his letters to churches and the relevant material in Acts and the Pastoral Epistles Merkle concludes that the two terms are used interchangeably representing the same office

Exodus from Rome Volume 1 Dr. Todd D. Baker,2014-05-01 Written by a former Roman Catholic of eighteen years and former candidate for the Roman Catholic priesthood Dr Todd Baker objectively and honestly examines the grandiose claims of the Papacy and the Roman Catholic Church in the critical light of Scripture and the evidence of history to show where Rome has greatly erred This multi volume work provides a controversial overview on the basic doctrines distinctive of Roman Catholicism so the open Catholic can learn how these beliefs practices and traditions of Rome contradict Scripture and do not have the support of a consistent uniform history from the days of Jesus the apostles and the first three centuries of the early church and on With over 1 billion adherents to the Roman Catholic Church it is incumbent for the Bible believer to know the difference between the real Gospel of Scripture versus the Gospel of Rome and how they are not one and the same

Gospel in the end In a day of man pleasing ecumenical compromise with Rome this book is sorely needed to remind the Protestant church that the real differences between Rome and the Bible have not changed since the Reformation and must be reiterated and defended today on the exclusive ground of Scripture alone being the supreme authority in faith and practice for every Christian believer Dr Todd D Baker is president of Brit Hadashah Ministries and Pastor of Shalom Shalom Messianic Congregation in Dallas Texas He holds a Bachelor of Science degree in biblical studies a Master of Theology degree from Dallas Theological Seminary and a Ph D in Philosophy and Apologetics from Trinity Seminary under the auspices of Liverpool University at Liverpool England He is the staff theologian and writer for Zola Levitt Ministries and has appeared on the television program Zola Levitt Presents several times With his extensive experience in Jewish evangelism he conducts Gospel outreaches to Israel three times a year

Marvin Pate, Douglas Welker Kennard, 2003 Deliverance Now and Not Yet follows Albert Schweitzer's view of mystically dying with Christ and Merkabah mysticism at Qumran to propose that the New Testament pictures Christ's atonement with mystical implications These pictures set up three forms of New Testament eschatology consistent inaugurated and realized With regard to the relationship of the Church and the Great Tribulation 1 Paul and John present deliverance now realized eschatology and 2 the rest of the New Testament presents deliverance not yet in two categories 2a Mark James Peter and Jude present deliverance not yet consistent and 2b Matthew Luke Acts Hebrews and Revelation portray deliverance as now and not yet inaugurated eschatology Taken together the Christian's experience of the Messianic woes and mystical expression of the Kingdom prompts us to long deeply for the climactic expression of the Kingdom of God
