Martin, 1988 **James** R. Kent Hughes, 1991-07 Too often Christmas gets swallowed up in the busyness of shopping and sending cards and wrapping presents As we rush around we often miss the wonder of what Christmas is all about Christmas began with a gift given to the human race two thousand years ago It was a child born in a Bethlehem stable and laid in a manger His birth was announced by wise men guided from the East by a very special star It was the gift we needed most a Savior the Holy Son of God This is the good news proclaimed by the angel Fear not for behold I bring you good tidings of great joy which shall be to all people For unto you is born this day in the city of David a Savior which is Christ the Lord Luke 2 10 11 Why was God's gift of a Savior so important There are three reasons The greatness of the need The future of the human race was at stake Sin made havoc of God's creation and brought estrangement from its Creator The greatness of the gift Not only was the need great but the gift was also great This is My beloved Son God said in whom I am well pleased

Matthew 3 17 The greatness of the cost Read the inspired portraits of the suffering of Christ in Isaiah 53 Psalm 22 and Psalm 69 The cross was only part of the price He gladly paid Jesus Christ did not die for His own sins or because He was a victim of circumstances He came as God s supreme gift to you and me The Bible pointedly asks How shall we escape if we neglect so great salvation Hebrews 2 3 Have you overlooked the really important gift of Christmas Is God prompting you to look through the odds and ends of Christmas God s gift for you is waiting Don t miss it Right now wherever you are you can receive the costliest gift Jesus Christ the Savior For God so loved the world that He gave His only begotten Son that whosoever believeth in Him should not perish but have everlasting life John 3 16 *Word Biblical Commentary* Gerald Lynwood Keown, Pamela J. Scalise, Thomas G. Smothers, 1995 *James and Jude* William Frank Brosend, 2004-06-21 Sample Text [The Wisdom of James](#) , **Healing in the Early Church** Andrew Dauntton-Fear, 2009-07-01 This monograph presents the most comprehensive investigation yet made into the healing activity of the Early Church In contrast to early skeptics like B B Warfield the author is convinced there was a vigorous healing ministry in the centuries that followed the apostles though it fluctuated somewhat and changed its mode Exorcism is prominently attested throughout the period The pre Nicene Fathers recognized its great apologetic value as a dramatic demonstration of the superiority of Jesus Christ over pagan gods Interest in healing miracles per se appears to have been particularly characteristic of the less educated members of the Church and those who were chaste in their devotion to the cause of Christ Amongst these groups gifts of healing were found becoming rare it seems by the mid third century but well attested again later in monastic circles In the pre Nicene period anointing with oil in the name of Christ was clearly an avenue of healing and though mentioned comparatively rarely may have been widespread as part of the regular ministry of local clergy to the sick Baptismal healing physical as well as spiritual also took place In the post Nicene Church the shrines of the martyrs became a prominent locus of healing Devotion to this cult may have been encouraged by Church Fathers as an acceptable alternative to magical practices But evidence suggests syncretism did occur and martyr s relics could be invested with quasi magical awe Most Fathers were positive about the medical profession seeing it as an avenue of God s work and in the late fourth century one pioneered the hospital which then spread throughout the eastern Mediterranean In an appendix to his work the author sets down nine pointers from the healing activity of the Early Church and his own experience to assist those engaged in the healing ministry today [Evangelical Bible Doctrine](#) Dr. Keith Sherlin, 2015-12-10 Over twenty one faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr Mal Couch as well as to promote a solid sacred and safe theological manual for the body of Christ Colleagues and friends of Dr Couch such as Dr Wayne House Dr Norman Geisler Dr Arnold Fruchtenbaum Dr Timothy Demy and more along with many of Mals students and disciples set forth in this work a biblical and practical theology The first half of the book covers all twelve of the major biblical doctrines of Christianity The last half covers some of the hottest theological topics and practical issues that present day believers ought to be aware of in order to properly defend

the faith In chapter 25 you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith So if you are curious about what a holistic evangelical faith looks like and even curious as to how dispensationalism fits within orthodox evangelicalism this book will provide for you a solid resource for many years to come
