OECD Economic Surveys: United Kingdom 2015 OECD,2015-02-24 This OECD Economic Survey of the United Kingdom examines recent economic developments policies and prospects Special chapters cover improving infrastructure and ensuring sustainable bank lending

The Constitutional Boundaries of European Fiscal Federalism Brady Gordon,2022-04-14 This book bridges the study of European constitutionalism with the study of fiscal federalism the subfield of public economics concerned with structuring public finances between different levels of government in federal states On one axis this book delves into European Union and Member State constitutional law from all EU Member States in order to investigate and identify the existence of permanent constitutional boundaries that will impinge upon the selection of proposed models for EU fiscal federalism On the second axis this book engages the study of fiscal federalism in order to determine which institutional configurations known to that field remain legally and economically implementable within those boundaries It provides a far reaching investigation of which models of fiscal federalism are compatible with the constitutional boundaries of the European legal order

Alan S. Milward and Contemporary European History Fernando Guirao,Frances M.B. Lynch,2015-10-14 Alan S Milward was a renowned historian of contemporary Europe In addition to his books as well as articles and chapters in edited books he also wrote nearly 250 book reviews and review articles some in French and German which were published in journals world wide Taken together they reveal a remarkable degree of theoretical consistency in his approach to understanding the history of Europe since the French Revolution This book brings together these previously unexamined pieces of historical analysis in order to trace and shed light on key intellectual debates taking place in the second half of the 20th century Many of these discussions continue to influence us today such as the role of Germany in Europe the economic social and political foundations of European integration the European rescue of the nation state the reasons for launching the single currency the conditions for retaining the allegiance of European citizens to the notions of nation and supra nation and ultimately the issue of democratic governance in a global environment In bringing together these reviews and review articles the book provides an introduction to the main scholarly achievements of Milward in his own words Fernando Guirao and Frances M B Lynch provide an introduction to the volume which both guides the reader through many of the academic debates embedded within the text while underlining their contemporary relevance By introducing and bringing together this hitherto overlooked treasure trove of historical analysis this book maps a close itinerary of some of the most salient intellectual debates of the second half of the 20th century and beyond This unique volume will be of great interest to scholars of economic history European history and historiography

The Evolution of Economic Development in Africa Francis K. Mbroh,2021-07-11 Within the theoretical framework of the trade growth and structural transformation growth nexuses the book examines the evolution of African goods and service trade in terms of value and share of global commerce relative to other regions during the period 1948 2017 It also identifies and discusses discernible changes in the

composition and structure of African exports and imports between 1995 and 2015 and their implications for economic development in Africa The study attributes Africa's laggard trade performance during the period primarily to sub-optimal macroeconomic policies and lack of bold export development policies and initiatives among other factors It also offers an incisive discussion of several inhibitions to the structural transformation of African exports and imports including lack of finance globalization tariff and non-tariff measures in global markets The discussion of the evolution of African trade during the period 1948-2017 based on statistics and publications of international organizations including the UNCTAD the World Bank and the African Development Bank among others is the first of its kind in terms of scope and depth of review of African trade The analyses of cross-border trade during 1948-2017 and their implications for Africa's economic development prospects constitute a useful reference material for academics and students of African and development studies and African and international policymakers

Media, Internet, and Social Movements in Hong Kong Carol P. Lai, Andrew Y. To, 2024-08-08 Focusing on the unique story of the recolonisation of Hong Kong since 1997 this book describes the environment of news gathering and publishing during this period and studies how this has connected to wider political economic and social changes Media Internet and Social Movements in Hong Kong considers the operation of the news media in this divided region to illuminate the unparalleled experience of the transfer of sovereignty of the territory from a liberal democracy to a semi-authoritarian regime This book examines key aspects of news production that constrain media freedom in the Hong Kong Special Administrative Region HKSAR including the routines and concrete cases of censorship exercised by state authorities self-censorship by news organisations and the roles of the Chinese and HKSAR governments as key sources of news The authors also discuss the norms and values of journalists and citizens in Hong Kong as forces resisting control as well as the popular use of social media in mobilising anti-government protests This compelling text will be of interest to students and scholars in the fields of journalism media and area studies particularly those focusing on Greater China and the Asia Pacific region
