Words That Work Dr. Frank Luntz, 2007-01-02 The nation's premier communications expert shares his wisdom on how the words we choose can change the course of business of politics and of life in this country In Words That Work Luntz offers a behind the scenes look at how the tactical use of words and phrases affects what we buy who we vote for and even what we believe in With chapters like The Ten Rules of Successful Communication and The 21 Words and Phrases for the 21st Century he examines how choosing the right words is essential Nobody is in a better position to explain than Frank Luntz He has used his knowledge of words to help more than two dozen Fortune 500 companies grow Hell tell us why Rupert Murdoch's six billion dollar decision to buy DirectTV was smart because satellite was more cutting edge than digital cable and why pharmaceutical companies transitioned their message from treatment to prevention and wellness If you ever wanted to learn how to talk your way out of a traffic ticket or talk your way into a raise this book's for you *Words that Work* Frank Luntz, 2017 GetAbstract Summary Get the key points from this book in less than 10 minutes This book's readability says a lot about the power of author Frank Luntz's advice on communicating The text flows usually matching actions with concepts For instance Luntz repeats how important it is to repeat your message He uses simple language to illustrate the importance of simple language and so on What's more the book is entertaining Luntz has been involved in major media campaigns with key American products and politicians and his story about demonstrating an important principle to the Senate is hypnotic The caveat is that such stories sometimes seem boastful and end up being off putting when they are clearly meant to be engaging

**Words that Work (summary)** Frank I. Luntz, 2007 getAbstract Summary Get the key points from this book in less than 10 minutes This book's readability says a lot about the power of author Frank Luntz's advice on communicating The text flows usually matching actions with concepts For instance Luntz repeats how important it is to repeat your message He uses simple language to illustrate the importance of simple language and so on What's more the book is entertaining Luntz has been involved in major media campaigns with key American products and politicians and his story about demonstrating an important principle to the Senate is hypnotic The caveat is that such stories sometimes seem boastful and end up being off putting when they are clearly meant to be engaging That grain of salt aside getAbstract recommends this extremely useful book to those who want to improve their communication skills The book is directed toward Americans though it debunks myths about them for the entertainment and edification of everyone else Some of the book's principles are familiar but so deeply fundamental that they are worth repeating which is actually Luntz's fourth rule of effective language use Say it right and then say it again Book Publisher Hyperion **Words that Work** Frank I. Luntz, 2007 Communications expert Luntz offers a behind the scenes look at how the tactical use of words and phrases affects what we buy who we vote for and even what we believe in Luntz has used his knowledge of words to help more than two dozen Fortune 500 companies grow He tells us why Rupert Murdoch's six billion dollar decision to buy DirectTV was smart because satellite was more cutting edge than

digital cable and why pharmaceutical companies transitioned their message from treatment to prevention and wellness If you ever wanted to learn how to talk your way out of a traffic ticket or talk your way into a raise this book is for you From publisher description *Donor-Centered Planned Gift Marketing* Michael J.
