

This is the Way We Say Goodbye

Tune: Mulberry Bush

This is the way we say goodbye,
Say goodbye, say goodbye.
This is the way we say goodbye,
At school every day.

We give our friends a big high five,
A big high five, a big high five.
We give our friends a big high five,
When we say goodbye!

Teaching Early Years Amanda Thomas, Karen McInnes, 2017-10-23 This textbook focuses on the main areas of teaching young children covering the 3-7 years age range that spans the early years and primary phases. The majority of chapters are written by both an academic and practitioner reflecting a genuine theory and practice approach and this helps the reader to set theoretical discussion in the context of real practice. Key themes explored within the book include Play and playfulness in the curriculum, Child development in practice, Literacy development and subject pedagogy, Creativity and outdoor learning. Packed full of learning features such as case studies, reflective questions and lesson plans, *Teaching Early Years* is an essential resource for both students and practitioners and will enhance your knowledge of how young children think and learn.

Child Language Development Sandra Bochner, Jane Jones, 2008-04-30 This publication is concerned with the early stages of language acquisition and is designed for use by early childhood teachers, nursery nurses, special education teachers and others working with children experiencing difficulties in learning to talk. Procedures are described that can be used to assess a child's current skills and plan activities to increase communicative competence. The programme described is based on a developmental sequence that moves the early skills of joint attention, turn taking and appropriate play to the more complex skills of asking and answering questions. Other issues discussed include sound development and intelligibility, the use of augmentative and alternative communication as stepping stones to speech, working with children and with families. The second edition has an expanded focus on the place of communicative intentions in early language development. Sunday School Changes Everything Dr. Henrietta C. Mears, 2016-03-11 When Dr. Henrietta Mears began her ministry in Hollywood, California, in the 1930s, she was facing several challenges. Sixty percent of children at the time were not attending a church of any sort. Fewer than fifteen percent of children who attended Sunday School ever made a decision to follow Jesus. Youth in their early college years were walking away from faith at an unprecedented rate. Church attendance across the United States was experiencing a decline instead of growth. In response to the crisis, Dr. Mears instituted a set of principles that helped grow the Sunday School program at First Presbyterian Church of Hollywood from 450 to more than 4,000 in just three years. In *Sunday School Changes Everything*, you will find her fearless recommendations on how to build your church's Christian
