Philippine Folk Literature Damiana L. Eugenio,2001 *Solidarity* ,1993 **Awakening Desire** Irene Alexander,2018-04-19 The hope of this book is that it awakens desire to know more intimately the God who breaks through our compartmentalization and naming While most in the West have heard God s name as almost exclusively masculine a child growing up in Israel would have experienced the Spirit of God and Lady Wisdom as female This ruach the breath of God brooded over the face of the deep in the creation story like a hovering mother bird The God of the Bible and the early church has been described with both masculine and feminine imagery referred to by the church fathers and mystics as both Mother and Father In our time we have lost much of this rich feminine imagery This book explores not only this historical knowing of God but also more contemporary writers such as Carl Jung Paul Young The Shack George MacDonald and Thomas Merton Each of these men engaged with the Divine Feminine giving us examples of how we too may find God more deeply and more intimately **Sarabihón** ,2005 **Myth and Writing** J. Neil C. Garcia,2016 Other than just provide an argument for the value of the reactive and the improvised the pieces in this book aspire to perform something else something quite specific as the title piece announces mythology and writing are intimately intertwined things so much so that the former is really the loftiest that the latter can ever wish to become In other words all fiction finally aspires to turn into myth for myth is nothing if not narration wielding powerful and transfigurative magic over the communal psyche that invents it providing not so much explanations as experiences of its innermost depths its uppermost visions its intuition of the transcendental without which it would be quite impossible for any of us to grieve to love and be fully a person in this world Page 4 of cover Riddle Me this
