Training and Assessment - Theory and Practice Michelle Travers, Tim Rule, Ifzal Syed, Diane R. Lawlor, 2017-10-04

Training and Assessment Theory and Practice 1e covers all core units and essential elective units of TAE40116 Certificate IV in Training and Assessment. It takes both theoretical and pragmatic approaches to help learners gain essential knowledge and skills through solid and well researched theories by respected authors. Each chapter is a self contained unit that offers sufficient volume of learning and volume of assessment to support delivery of training and assessment. Designed as part textbook part workbook the A4 spiral bound full colour format increases student engagement particularly for visual and experiential learners. A customisable premium Assessment Pack can be purchased separately to help institutions design develop and administer assessments more effectively and efficiently. Interpersonal Communication in the Diverse Workplace Geraldine Hynes, 2023-02-10. Foregrounding the vital importance of interpersonal communication and cultural competence in the workplace this book offers concise practical strategies for daily communication in a global business environment. The workplace is steadily becoming more diverse and cultural competence is widely recognized as a key to success in terms of revenue, profit, market share and workforce productivity. This and diversity appreciation are the two cornerstones for effective interpersonal communication facilitating relationship development, improving job satisfaction, commitment, loyalty and trust and leading to performance and organizational success. The effectiveness of diversity training sessions and cultural guidebooks can vary. Business professionals need a book that presents more than descriptions of culture bound business practices or prescriptions for valuing diversity. This book is that practical solution presenting a conceptual model along with tools to put it to work from day one including cases and examples. With its strategies for reducing diversity miscues, techniques for responding in uncomfortable conversations and innovative ways to bridge cultural gaps this book will help current and aspiring leaders across industries build rapport and promote constructive behaviors in a diverse work environment resulting in organizational success.

CyberCrime - A Clear and Present Danger: The CEO's Guide to Cyber Security Roger Smith, 2014-06-21. Is Your Information Easy to Steal? Every business has something it needs to protect. Whether it's top secret IP, an exclusive client list or a secure payment portal, your data is what sets you apart from the competition. But most businesses aren't doing a very good job of protecting what's theirs. The digital world is changing fast and cybercrime is changing with it. Whether it's a 12 year old script kiddie crippling your website with denial of service attacks or a master hacker targeting a project leader with phishing emails, the bad guys have dozens of clever and creative ways to take your assets. Sooner or later you will come under attack. The future of your organisation depends on making your information hard to steal. But most business owners don't know where to start. This book is the answer.
