Trinity Of Passion The Literary Left And The Antifascist Crusade:

Trinity of Passion Alan M. Wald, 2011-04-01 The second of three volumes by Alan Wald that track the political and personal lives of several generations of U S left wing writers Trinity of Passion carries forward the chronicle launched in Exiles from a Future Time The Forging of the Mid Twentieth Century Literary Left In this volume Wald delves into literary emotional and ideological trajectories of radical cultural workers in the era when the International Brigades fought in the Spanish Civil War 1936 39 and the United States battled in World War II 1941 45 Probing in rich and haunting detail the controversial impact of the Popular Front on literary culture he explores the ethical and aesthetic challenges that pro Communist writers faced Wald presents a cross section of literary talent from the famous to the forgotten the major to the minor The writers examined include Len Zinberg a k a Ed Lacy John Oliver Killens Irwin Shaw Albert Maltz Ann Petry Chester Himes Henry Roth Lauren Gilfillan Ruth McKenney Morris U Schappes and Jo Sinclair He also uncovers dramatic new information about Arthur Miller s complex commitment to the Left Confronting heartfelt questions about Jewish masculinity racism at the core of liberal democracy the corrosion of utopian dreams and the thorny interaction between antifascism and Communism Wald re creates the intellectual and cultural landscape of a remarkable era *The Broadcast* 41 Carol A Stabile, 2018-10-16 How forty one women including Dorothy Parker Gypsy Rose Lee and Lena Horne were forced out of American television and radio in the 1950s Red Scare At the dawn of the Cold War era forty one women working in American radio and television were placed on a media blacklist and forced from their industry The ostensible reason so called Communist influence But in truth these women among them Dorothy Parker Lena Horne and Gypsy Rose Lee were by nature of their diversity and ambition a threat to the traditional portrayal of the American family on the airwaves This book from Goldsmiths Press describes what American radio and television lost when these women were blacklisted documenting their aspirations and achievements Through original archival research and access to FBI blacklist documents *The Broadcast* 41 details the blacklisted women s attempts in the 1930s and 1940s to depict America as diverse complicated and inclusive The book tells a story about what happens when non male non white perspectives are excluded from media industries and it imagines what the new medium of television might have looked like had dissenting viewpoints not been eliminated at such a formative moment The all white male dominated Leave it to Beaver America about which conservative politicians wax nostalgic existed largely because of the forcible silencing of these forty one women and others like them For anyone concerned with the ways in which our cultural narrative is constructed this book offers an urgent reminder of the myths we perpetuate when a select few dominate the airwaves *Counter-Revolution of the Word* Alan Filreis, 2009-09-14 Counter revolution of the Word is about conservatives attempt to destroy the modernist avant garde in the anticommunist period after World War II The antagonists readers will meet in these pages by no means constitute a monolithic force They were not ideologically of a kind But aesthetically Well yes aesthetically they were more or less unified they knew what they formally

opposed and the narrative of that surprising unity lies at the center of this study A few of these people did work together such as the band of poets and poetry editors most of them reactionary antimodernists that the prolific Stanton Coblenz helped assemble under the banner of the League for Sanity in Poetry Others among Coblenz's colleagues however would not have recognized themselves as allies quite aside from their hatred of modern poetry differences between them academic theoretical personal would have gotten in the way To my knowledge this is the first book written about the overall effects of actual anticommunism on modernist American poetry and poetics Such a blank in our understanding of American art and artists has its specific causes A main cause is the apparent disappearance of the evidence for links between and among disparate truculent McCarthyite elements in the poetry world and their communist poet enemies and the modernist experimenters who have not been known to have connections to the communist movement

The Routledge Introduction to American Modernism Linda Wagner-Martin, 2016-02-12 The modernist period was crucial for American literature as it gave writers the chance to be truly innovative and create their own distinct identity Starting slightly earlier than many guides to modernism this lucid and comprehensive guide introduces the reader to the essential history of the period including technology religion economy class gender and immigration These contexts are woven into discussions of many significant authors and texts from the period Wagner Martin brings her years of writing about American modernism to explicate poetry and drama as well as fiction and life writing Among the authors emphasized are Ernest Hemingway William Faulkner Zora Neale Hurston Langston Hughes F Scott Fitzgerald Gertrude Stein Willa Cather John Dos Passos William Carlos Williams Mike Gold James T Farrell Clifford Odets John Steinbeck and countless others A clear and engaging introduction to an exciting period of literature this is the ultimate guide for those seeking an overview of American Modernism

The Dawn of Industrial Agriculture in Iowa E. Paul

Durrenberger,2021-11-15 In *The Dawn of Industrial Agriculture in Iowa* E Paul Durrenberger recounts the transformation of Iowa's family farms into today's agricultural industry through the lens of the lives and writings of Iowa novelist Paul Corey and poet Ruth Lechlitner. This anthropological biography analyzes Corey's fiction, Lechlitner's poetry and their professional and personal correspondence to offer a new perspective on an era 1925-1947 that saw the collapse and remaking of capitalism in the United States, the rise of communism in the Soviet Union, the rise and defeat of fascism around the world, and the creation of a continuous warfare state in America. Durrenberger tells the story that Corey aimed to record and preserve of the industrialization of Iowa's agriculture and the death of its family farms. He analyzes Corey's regionalist focus on Iowa farming and regionalism's contemporaneous association in Europe with rising fascism. He explores Corey's adoption of naturalism, evident in his resistance to heroes and villains, to plot structure and resolution, and to moral judgment, as well as his ethnographic tendency to focus on groups rather than individuals. An unusual and wide-ranging study, *The Dawn of Industrial Agriculture in Iowa* offers important insight into the relationships among fiction, individual lives, and anthropological practice, as well as into a pivotal period in American history. **Transatlantic Studies** Cecilia Enjuto Rangel, Sebastiaan Faber, Pedro Garcia-Caro, Robert Patrick Newcomb, 2019 This book emerges from and performs an ongoing debate about transatlantic approaches in the fields of Iberian, Latin American, African, and Lusophone Brazilian studies. In thirty-five short essays, leading scholars reframe the intertwined cultural histories of the transnational spaces encompassed by the former Spanish and Portuguese empires. **Critical Approaches to American Working-Class Literature** Michelle Tokarczyk, 2012-03-29 *Critical Approaches to American Working-Class Literature* is the first anthology to focus on literary criticism of working-class American literature. The literature examined is from the 1850s to the present and includes work in several genres. Several prominent scholars have contributed, and emerging scholars are represented as well. **Savage Coast** Muriel Rukeyser, 2013-05-17 The poet's newly discovered novel of reporting on the Spanish Civil War is both an absorbing read and an important contribution to 20th-century history. Publishers Weekly: As a young reporter in 1936, the pioneering poet and political activist Muriel Rukeyser traveled to Barcelona to witness the first days of the Spanish Civil War. She turned this experience into an autobiographical novel so forward-thinking both in its lyrical prose and its frank depictions of violence and sexuality that it was never published in her lifetime. Recently discovered in her archive, Feminist Press finally makes this important work available to the public. *Savage Coast* charts a young American woman's political and sexual awakening as she witnesses the popular front resistance to the fascist coup and falls in love with a German political exile who joins the first international brigade. Rukeyser's narrative is a modernist exploration of violence, activism, and desire, a documentary text detailing the start of the war and a testimony to those who fought and died for freedom and justice during the first major battle against European fascism. **What America Read** Gordon Hutner, 2009 Despite the vigorous study of modern American fiction, today's readers are only familiar with a partial shelf of a vast library. Gordon Hutner

describes the distorted canonized history of the twentieth century American novel as a record of modern classic The Decisive Network Nadya Bair, 2020 Since its founding in 1947 the legendary Magnum Photos agency has been telling its own story Its photographers were concerned witnesses to history and artists on the hunt for decisive moments their pictures were humanist documents of the postwar world Based in unprecedented archival research The Decisive Network peels back layers of the Magnum mythology to offer a new history of what it meant to shoot edit and sell news images after World War II Between the 1940s and 1960s Magnum expanded the human interest story about the everyday life of ordinary people to global dimensions while bringing the aesthetic of news pictures into new markets Its best known work started as humanitarian aid promotion travel campaigns corporate publicity and advertising Working with this range of clients Magnum made photojournalism integral to visual culture Yet Magnum s photographers could not have done this alone This book unpacks the collaborative nature of photojournalism as it transpired on a daily basis focusing on how picture editors sales agents spouses and publishers helped Magnum photographers succeed in their assignments and achieve fame The Decisive Network concludes in the late 1960s and early 1970s when amidst the decline of magazine publishing and the rise of an art market for photography Magnum turned to photo books and exhibitions to manage its growing picture archives and consolidate its brand In that moment Magnum s photojournalists became artists and their assignments turned into oeuvres Such ideas were necessary publicity and they also managed to shape discussions about photography for decades Bridging art history media studies cultural history and the history of communication this book transforms our understanding of the photographic profession and the global circulation of images in the pre digital world A History of American Literature 1900 - 1950 Christopher MacGowan, 2024-05-13 A look at the first five decades of 20th century American literature covering a wide range of literary works figures and influences A History of American Literature 1900 1950 is a current and well balanced account of the main literary figures connections and ideas that characterized the first half of the twentieth century In this readable highly informative book the author explores significant developments in American drama fiction and poetry and discusses how the literature of the period influenced and was influenced by cultural trends in both the United States and abroad Considering works produced during America s rise to prominence on the world stage from both regional and international perspectives MacGowan provides readers with keen insights into the literature of the period in relation to America s transition from an agrarian nation to an industrial power the racial and economic discrimination of Black and Native American populations the greater financial and social independence of women the economic boom of the 1920s the Depression of the 1930s the impact of world wars massive immigration political and ideological clashes and more Encompassing five decades of literary and cultural diversity in one volume A History of American Literature 1900 1950 Covers American theater poetry fiction non fiction memoirs magazines and literary publications and popular media Discusses the ways writers dramatized the immense social economic cultural and political changes in America throughout the first half

Inventing the Egghead Aaron Lecklider, 2013-04-09 Throughout the twentieth century popular songs magazine articles plays posters and novels alternated between representing intelligence as empowering and as threatening In *Inventing the Egghead* Aaron Lecklider cracks open this paradox by examining representations of intelligence to reveal brainpower's stalwart appeal and influence **Counter-Revolution of the Word (Volume 3 of 3) (EasyRead Super Large 20pt Edition)**, **The Civil Rights Theatre Movement in New York, 1939-1966** Julie Burrell, 2019-03-27 This book argues that African American theatre in the twentieth century represented a cultural front of the civil rights movement Highlighting the frequently ignored decades of the 1940s and 1950s Burrell documents a radical cohort of theatre artists who became critical players in the fight for civil rights both onstage and offstage between the Popular Front and the Black Arts Movement periods The Civil Rights Theatre Movement recovers knowledge of little known groups like the Negro Playwrights Company and reconsiders Broadway hits including Lorraine Hansberry's *A Raisin in the Sun* showing how theatre artists staged radically innovative performances that protested Jim Crow and U S imperialism amidst a repressive Cold War atmosphere By conceiving of class and gender as intertwining aspects of racism this book reveals how civil rights theatre artists challenged audiences to reimagine the fundamental character of American democracy **Counter-Revolution of the Word (Volume 2 of 2) (EasyRead Comfort Edition)**, **Thyra J. Edwards** Gregg Andrews, 2011-06-30 In 1938 a black newspaper in Houston paid front page tribute to Thyra J Edwards as the embodiment of The Spirit of Aframerican Womanhood Edwards was a world lecturer journalist social worker labor organizer women's rights advocate and civil rights activist an undeniably

important figure in the social struggles of the first half of the twentieth century She experienced international prominence throughout much of her life from the early 1930s to her death in 1953 but has received little attention from historians in years since Gregg Andrews's Thyra J Edwards Black Activist in the Global Freedom Struggle is the first book length biographical study of this remarkable historically significant woman Edwards granddaughter of runaway slaves grew up in Jim Crow era Houston and started her career there as a teacher She moved to Gary Indiana and Chicago as a social worker then to New York as a journalist and later became involved with the Communist Party attracted by its stance on race and labor She was mentored by famed civil rights leader A Philip Randolph who became her special friend and led her to pursue her education She obtained scholarships to college and after several years of study in the U S and then in Denmark she became a women's labor organizer and a union publicist In the 1930s and 1940s she wrote about international events for black newspapers traveling to Europe Mexico and the Soviet Union and presenting an anti imperialist critique of world affairs to her readers Edwards's involvement with the Loyalists in the Spanish Civil War her work in a Jewish refugee settlement in Italy and her activities with U S communists drew the attention of the FBI She was harassed by government intelligence organizations until she died at the age of just fifty five Edwards contributed as much to the radical foundations of the modern civil rights movements as any other woman of her time This fascinating new biography details Thyra Edwards's lifelong journey and myriad achievements describing both her personal and professional sides and the many ways they intertwined Gregg Andrews used Edwards's official FBI file along with her personal papers published articles and civil rights manuscript collections to present a complete portrait of this noteworthy activist An engaging volume for the historian as well as the general reader Thyra J Edwards explores the complete domestic and international impact of her life and actions

The Fictions of American Capitalism Jacques-Henri Coste, Vincent Dussol, 2020-02-26 The Fictions of American Capitalism Working Fictions and the Economic Novel introduces a new way of thinking about fiction in connection with capitalism especially American capitalism These essays demonstrate how fiction fulfills a major function of the American capitalist engine presenting various formulations of American capitalism from the perspective of economists social scientists and literary critics Focusing on three narratives fictitious capital working fictions and the economic novel the volume questions whether these three types of fiction can be linked under the sign of capitalism This collection seeks to illustrate the American economy's dependence on fictitiousness America's ideological fictions and the nation's creative literary fiction In relation to what the credit and banking crisis of 2007-2008 exposed about the unreal base of the economy the volume concludes with a call to recognize the economic humanities arguing that American fiction and American literary studies can provide a useful mirror for economists

Remembering Scottsboro James A. Miller, 2021-07-13 How one of the greatest miscarriages of justice in the United States continues to haunt the nation's racial psyche In 1931 nine black youths were charged with raping two white women in Scottsboro Alabama Despite meager and contradictory evidence all nine were found

guilty and eight of the defendants were sentenced to death making Scottsboro one of the worst travesties of justice to take place in the post Reconstruction South. *Remembering Scottsboro* explores how this case has embedded itself into the fabric of American memory and become a lens for perceptions of race, class, sexual politics, and justice. James Miller draws upon the archives of the Communist International and NAACP, contemporary journalistic accounts, as well as poetry, drama, fiction, and film to document the impact of Scottsboro on American culture. The book reveals how the Communist Party, NAACP, and media shaped early images of Scottsboro, looks at how the case influenced authors including Langston Hughes, Richard Wright, and Harper Lee, shows how politicians and Hollywood filmmakers invoked the case in the ensuing decades, and examines the defiant, sensitive, and savvy correspondence of Haywood Patterson, one of the accused who fled the Alabama justice system. Miller considers how Scottsboro persists as a point of reference in contemporary American life and suggests that the Civil Rights movement begins much earlier than the Montgomery Bus Boycott of 1955. *Remembering Scottsboro* demonstrates how one compelling, provocative, and tragic case still haunts the American racial imagination.
