Understanding Fundamentalism And Evangelicalism

John Dumbrell, Axel Schäfer

Understanding Fundamentalism And Evangelicalism Understanding Fundamentalism And Evangelicalism:

Understanding Fundamentalism and Evangelicalism George Marsden, 1991 A balanced overview and narrative survey of American fundamentalism and Evangelicalism as well as an interpretive analysis of several important themes PB 208 pages suitable as a supplemental text for colleges seminaries or church study *Understanding Fundamentalism and Evangelicalism* Francis a McAnaney Professor of History George M Marsden, George M. Marsden, 1991-01-01 In this historical overview of American fundamentalism and evangelicalism Marsden provides an introduction to these growing religious movements and a deeper analysis of two themes that have been especially prominent and controversial in these traditions views of science and views of politics *Understanding Fundamentalism and Evangelicalism* George M. Marsden, 1994 *Evangelicalism* Richard Kyle, 2017-09-20 Most forms of religion are best understood in the context of their relationship with the surrounding culture This may be particularly true in the United States Certainly immigrant Catholicism became Americanized mainstream Protestantism accommodated itself to the modern world and Reform Judaism is at home in American society In *Evangelicalism* Richard Kyle explores paradoxical adjustments and transformations in the relationship between conservative Protestant Evangelicalism and contemporary American culture Evangelicals have resisted many aspects of the modern world but Kyle focuses on what he considers their romance with popular culture Kyle sees this as an Americanized Christianity rather than a Christian America but the two are so intertwined that it is difficult to discern the difference between them Instead in what has become a vicious self serving cycle Evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant thus increasing their numbers and success within abundantly populous and populist driven American society In doing so Evangelicalism has become a middle class movement one that dominates America's culture and unabashedly populist Many Evangelicals view America as God's chosen nation thus sanctifying American culture consumerism and middle class values Kyle believes Evangelicals have served themselves well in consciously and deliberately adjusting their faith to popular culture Yet he also thinks Evangelicals may have compromised themselves and their future in the process so heavily borrowing from the popular culture that in many respects the Evangelical subculture has become secularism with a light gilding of Christianity If so he asks can Evangelicalism survive its own popularity and reaffirm its religious origins or will it assimilate and be absorbed into what was once known as the Great American Melting Pot of religions and cultures Will the Gospel of the American dream ultimately engulf and destroy the Gospel of Evangelical success in America This thoughtful and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America and the aspirations and fate of its faithful *The Continuing Relevance of Wesleyan Theology* Nathan Crawford, 2011-06-01 What does the Wesleyan message have to say to the greater theological world This is a question that Laurence Wood has taken up as his concern throughout his career In order to honor his work this collection takes up this question through a series of essays designed to show how Wesleyan

Theology while distinctive has a continued relevance to the wider world of theological scholarship This collection does this in two ways First by showing how the Wesleyan distinctives have been present throughout the history of theology And secondly the collection brings the Wesleyan distinctives into conversation with various contemporary theological conversations ranging from theological hermeneutics and the science religion dialogue to the practice of preaching and spirituality The result is a volume that puts Wesleyan theology into continued dialogue with the broader theological world showing its vitality and importance for the contemporary situation

Countercultural Conservatives Axel R. Schäfer, 2011-12-13 In the mid twentieth century far more evangelicals supported such liberal causes as peace social justice and environmental protection Only gradually did the conservative evangelical faction win dominance allying with the Republican Party of Ronald Reagan and eventually George W Bush In *Countercultural Conservatives* Axel Sch fer traces the evolution of a diffuse and pluralistic movement into the political force of the New Christian Right In forging its complex theological and political identity evangelicalism did not simply reject the ideas of 1960s counterculture Sch fer argues For all their strict Biblicism and uncompromising morality evangelicals absorbed and extended key aspects of the countercultural worldview Carefully examining evangelicalism s internal dynamics fissures and coalitions this book offers an intriguing reinterpretation of the most important development in American religion and politics since World War II

Evangelical America Timothy J. Demy, Paul R. Shockley Ph.D., 2017-09-21 An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of *Evangelical America* An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single volume work s coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture It also illustrates the Evangelical movement s influence internationally in key issues such as human rights environmentalism and gender and sexuality

Quivering Families Emily Hunter McGowin, 2018-05-01 American evangelicals are known for focusing on the family but the Quiverfull movement intensifies that focus in a significant way Often called Quiverfull due to an emphasis on filling their quivers with as many children as possible Psalm 127 5 such families are distinguishable by their practices of male only leadership homeschooling and prolific childbirth Their primary aim is multigenerational faithfulness ensuring their descendants maintain Christian faith for many generations Many believe this focus will lead to the Christianization of America in the centuries to come *Quivering Families* is a first of its kind project that employs history ethnography and theology to explore the Quiverfull movement in America The book considers a study of the movement s origins its major leaders and institutions and the daily lives of its families *Quivering Families* argues that

despite the apparent strangeness of their practice Quiverfull is a thoroughly evangelical and American phenomenon Far from offering a countercultural vision of the family Quiverfull represents an intensification of longstanding tendencies The movement reveals the weakness of evangelical theology of the family and underlines the need for more critical and creative approaches

The Evangelicals Robert Krapohl, Charles H. Lippy, 1999-04-30 The different facets of American religious life are more thoroughly understood with an awareness of the Evangelical heritage that intersects the different denominational boundaries Since Evangelicalism is not confined to one religious denomination or group it has associations with a number of American religious movements such as Fundamentalism Pentecostalism the Charismatic Movement and Revivalism This study modeled after the popular Greenwood Denominations in America series analyzes the people institutions and the religious culture of modern American Evangelicals Divided into three sections the book presents a history of American Evangelicalism discusses themes and issues in modern American Evangelicalism and provides a biographical dictionary of modern American Evangelical leaders The combination of critical narrative and reference will appeal to religion scholars and American culture scholars alike Separate bibliographies unique to the history section and to the themes and issues section provide valuable resources for further research Equally helpful is the bibliographic material that completes each entry in the biographical dictionary section of the book The three part organization makes this an accessible research tool clearly organized for easy cross referencing

Evangelicals and Israel Stephen Spector, 2008-12-09 Most observers explain evangelical Christians bedrock support for Israel as stemming from the apocalyptic belief that the Jews must return to the Holy Land as a precondition for the second coming of Christ But the real reasons argues Stephen Spector are far more complicated In *Evangelicals and Israel* Spector delves deeply into the Christian Zionist movement mining information from original interviews web sites publications news reports survey research worship services and interfaith conferences to provide a surprising look at the sources of evangelical support for Israel Israel is God's prophetic clock for many evangelicals irrefutable proof that prophecy is true and coming to pass in our lifetime But Spector goes beyond end times theology to find a complex set of motivations behind Israel evangelical relations These include the promise of God's blessing for those who bless the Jews gratitude to Jews for establishing the foundations of Christianity remorse for the Holocaust

What Is Truth? James Emery White, 2006-09-01 SEARCHING FOR ABSOLUTES IN A POSTMODERN WORLD In this postmodern age truth especially religious or moral truth is widely criticized and constantly challenged yet perhaps more important than ever It was this realization that led James Emery White to examine the concepts of truth as held by five twentieth century theologians Cornelius Van Til Millard J Erickson Francis A Schaeffer Donald G Bloesch Carl F H Henry

The Strangers in Our Midst Ulrike Elisabeth Stockhausen, 2021 This book examines evangelical responses to immigrants and refugees in the era of modern immigration It traces evangelical responses to refugees and immigrants from the Cuban refugees in the 1960s to their divided stances on undocumented immigration in the twenty first century While evangelicals drew on elaborate Biblical

teachings to welcome the stranger in their activism how and to whom they applied those teachings must be understood through the lens of their partisan leanings In telling this forgotten story *The Strangers in Our Midst* adds a missing dimension to the public debate surrounding evangelical partisanship [The Evangelicals](#) Frances FitzGerald,2017-04-04 Initially a populist rebellion against the established Protestant churches evangelicalism became the dominant religious force in the country before the Civil War but the northerners and southerners split over the issue of slavery After the Civil War the northern evangelicals split eventually causing a conflict between fundamentalists and modernists Only after the Second World War would conservative evangelicalism gain momentum thanks in large part to Billy Graham s countrywide revivals FitzGerald shows how the conflict between religious conservatives and others led to national culture wars and a Southern Republican stronghold and how a new generation of evangelicals is challenging the Christian right by preaching social justice and the common good FitzGerald suggests that because evangelicals are splintering America the most religious of developed nations will eventually look more like secular Europe

Evangelical Millennialism in the Trans-Atlantic World, 1500-2000 C. Gribben,2015-12-04 This book offers the first complete overview of the intellectual history of one of the most significant contemporary cultural trends the apocalyptic expectations of European and American evangelicals in an account that guides readers into the origins its evolution and its revolutionary potential in the modern world

Hijacking History Kathleen Wellman,2021-08-18 *Hijacking History* analyzes the high school world history textbooks produced by the three most influential publishers of Christian educational materials and their collective effect on students understanding of the past and its consequences for the present In assuming that God sanctions fundamentalist positions on social political and economic issues students are led to believe that that the ultimate mission of America is to advance evangelical Christianity and capitalism throughout the world with monumental civic ramifications

[The Resurgence of Religion](#) David S. Zeidan,2018-11-13 This book is a comparative study of basic themes in Christian and Islamic fundamentalist discourses analyzing and comparing texts from a wide variety of fundamentalist leaders and movements looking for family resemblances and significant differences in order to better understand the contemporary phenomenon of religious resurgence After placing fundamentalisms in a theoretical framework the study looks at selected themes important to fundamentalists noting resemblances and differences These themes include their anti secularist stance their theocentric worldviews their reliance on inerrant sacred scriptures and their attitudes to politics government state and democracy The study also looks at the fundamentalist view of the world as a perennial battlefield between the forces of good and those of evil in the realm of ideologies as well as politics and the legitimation of violence

The Crisis of Evangelical Christianity Keith C. Sewell,2016-04-26 In the broad context of Christianity as it developed over two millennia and with special reference to the last three centuries this discussion finds that Evangelicalism has repeatedly offered a reduced and distorted understanding of the faith The evangelical outlook is much less scriptural than evangelicals generally assume When it comes to appreciating

the order of creation our calling to develop integral Christian thinking and living the religious significance of culture and the coming of the kingdom reductionist Evangelicalism struggles with its only rarely acknowledged deficiencies As a result we have all too often ended up with a Christianity shorn of its cosmic scope and wide cultural implications and restricted to institutional church life and the cultivation of private spiritual experience The consequences are frequently enervating and corrosive Without disregarding what is important in the past evangelicals are here challenged to take the Bible much more seriously and thereby transcend the limitations of their habitual reductionism Evangelicals are encouraged to embrace an integral and full orb ed understanding of Christian discipleship that will equip the faithful to address the deep and complex challenges of the twenty first century

America's 'Special Relationships' John Dumbrell,Axel Schäfer,2009-09-10 This unique volume seeks to offer an original collection of essays on the theme of America s special relationships The essays vary in their focus some are primarily historical some are more contemporary All consider the quality of specialness in the context of America s relationship with particular countries including the United Kingdom Canada Australia New Zealand Holland Russia Iran and Israel

In Quest of a Vital Protestant Center George Demetrion,2014-10-06 In Quest of a Vital Protestant Center probes the relationship between Scripture and culture in twentieth century US theology and biblical studies It points to the necessity of turning to what Karl Barth has referred to as the strange new world within the Bible for any revitalization of mainline Protestantism in the tradition of the Protestant Reformers in critical dialogue with serious evangelical theology The study includes a historical overview underlying what Demetrion refers to as the fundamentalist modernist great divide which continues to resonate powerfully in contemporary US Protestant thought and culture Demetrion offers an in depth exploration of four representative twentieth century Protestant theologians and biblical scholars spanning from the conservative evangelical theology of J I Packer to the postliberal dialectical theology of Walter Brueggemann The book includes a chapter on the neo orthodox legacy as a mediating resource in bringing evangelical and postliberal theology into dialogue with the core issues of theology biblical hermeneutics and religious culture Demetrion concludes with a critically empathetic review of the postliberal dialectical theology of Douglas J Hall and the evangelical narrative theology of Richard Lints In linking evangelical postliberal and neo orthodox theology to a common search for a vital Protestant center this book will facilitate fruitful dialogue among divergent schools of Protestant thought and culture

Apocalyptic Fever Richard G. Kyle,2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In Apocalyptic Fever Richard Kyle

attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more

Understanding Fundamentalism And Evangelicalism Understanding Fundamentalism And Evangelicalism

Introduction

In today's digital age, the availability of Understanding Fundamentalism And Evangelicalism Understanding Fundamentalism And Evangelicalism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Understanding Fundamentalism And Evangelicalism Understanding Fundamentalism And Evangelicalism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Understanding Fundamentalism And Evangelicalism Understanding Fundamentalism And Evangelicalism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Understanding Fundamentalism And Evangelicalism Understanding Fundamentalism And Evangelicalism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Understanding Fundamentalism And Evangelicalism Understanding Fundamentalism And Evangelicalism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Understanding Fundamentalism And Evangelicalism Understanding Fundamentalism And Evangelicalism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Understanding Fundamentalism And Evangelicalism Understanding Fundamentalism And Evangelicalism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Understanding Fundamentalism And Evangelicalism Understanding Fundamentalism And Evangelicalism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Understanding Fundamentalism And Evangelicalism Understanding Fundamentalism And Evangelicalism books and manuals for download and embark on your journey of knowledge?

FAQs About Understanding Fundamentalism And Evangelicalism Understanding Fundamentalism And Evangelicalism Books

1. Where can I buy Understanding Fundamentalism And Evangelicalism Understanding Fundamentalism And Evangelicalism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
