## **Uninformed Consent The Hidden Dangers In Dental Care:**

**Uninformed Consent** Hal Huggins, Thomas E. Levy, 1999-01-01 Dr Huggins and Dr Levy assert that a large number of disorders are though often incurable easily preventable He proposes that multiple sclerosis lupus leukemia chronic fatigue syndrome Parkinson s disease many mental disorders including Alzheimer s and even major diseases like breast cancer are caused in part by the toxins we place in our bodies Where do these toxins come from and how do they get into our bodies You may be surprised to find that you have actually paid to have them put there These dangerous materials mercury cadmium beryllium nickel and others are used in everyday dentistry to make up the fillings root canals and bridgework in our mouths and are supposed to be safe But are they Uninformed Consent presents cases of toxic poisoning of depressed immune systems and inexplicable illnesses to toxins entering the bloodstream from the heavy metals in dental materials The authors also discuss the hidden truths that the dental industry in America doesn t want to talk about and the real reasons the dangers of these materials have been suppressed and ignored Dr s Huggins and Levy implore the reader Don t leave your health in your dentist s hands and assume that all will be fine Become informed and take an active role in your health Know what will be implanted in your mouth You must decide at the outset what is more important to you the life of a filling or your life Uninformed Consent will give you the facts so that you may take responsibility for your dental and complete health and wellness

**Outsmarting Autism, Updated and Expanded** Patricia S. Lemer, 2019-03-19 Nautilus Award Winner 2019 Silver in Parenting Family A comprehensive resource for parents, therapists, caregivers, and educators packed with lifelong strategies for Autism Spectrum Disorder (ASD) management and support. Newly revised and updated, this user-friendly guide addresses autism identification, treatment, and prevention from pre-conception through adulthood. **Outsmarting Autism** describes more than 50 practical approaches with proven efficacy, including lifestyle modification, dietary considerations, and boosting the immune system. After health improves, focus turns to developing the sensory foundations for communication, social skills, and learning. Patricia Lemer's approach is grounded in research on multifactorial causes or Total Load Theory, which explains that developmental delays are caused not by one single factor but by an overload of environmental stressors on genetically vulnerable individuals. Because every person with autism is unique, this book guides readers to the therapies that may be right for each individual, helping to make the difference between management and healing. New research on topics like stem cells, cannabis, and dentistry is now included.

**Oil Pulling Therapy** Bruce Fife, 2017-08-14 If you have bad breath, bleeding gums, cavities, or tooth pain, you need this book. If you suffer from asthma, diabetes, arthritis, migraine, headaches, or any chronic illness and have not found relief, this book could have the solution you need. All disease starts in the mouth. As incredible as it may seem, most of the chronic and infectious illnesses that trouble our society today are influenced by the health of our mouths. Our mouths are a reflection of the health inside our bodies. If you have poor dental health, you are bound to have other health problems. Despite regular brushing and flossing, over 90 percent of the population has some degree of gum disease or tooth decay. Most people aren't even aware they have existing dental problems. Recent research has demonstrated a direct link between oral health and chronic illness. Simply improving the health of your teeth and gums can cure many chronic problems. More brushing, flossing, and mouthwash isn't the solution. What will work is Oil Pulling Therapy. Oil pulling is an age-old method of oral cleansing originating from Ayurvedic medicine. It is one of the most powerful, most effective methods of detoxification and healing in natural medicine. In this book, Dr. Fife combines the wisdom of Ayurvedic medicine with modern science. The science behind oil pulling is fully documented with references to medical studies and case histories. Although incredibly powerful, Oil Pulling Therapy is completely safe and simple enough for even a child.
