The background image shows a person from the back, wearing a dark t-shirt, throwing a lit Molotov cocktail. The cocktail is in mid-air, with a bright green glass and a long, intense orange and yellow flame trailing behind it. The scene is set against a dark, textured background that looks like a wall with some graffiti.

Berlin Letters Katherine Reay,2024-03-05 Fans of codebreakers spies and Cold War dramas will be entrapped by Reay's tale of courage love and honor set against the rise and fall of the Berlin Wall Booklist Starred Review Bestselling author Katherine Reay returns with an unforgettable tale of the Cold War and a CIA code breaker who risks everything to free her father from an East German prison From the time she was a young girl Luisa Voekler has loved solving puzzles and cracking codes Brilliant and logical she's expected to quickly climb the career ladder at the CIA But while her coworkers have moved on to thrilling Cold War assignments especially in the exhilarating era of the late 1980s Luisa's work remains stuck in the past decoding messages from World War II Journalist Haris Voekler grew up a proud East Berliner But as his eyes open to the realities of postwar East Germany he realizes that the Soviet promises of a better future are not coming to fruition After the Berlin Wall goes up Haris finds himself separated from his young daughter and all alone after his wife dies There's only one way to reach his family by sending coded letters to his father in law who lives on the other side of the Iron Curtain When Luisa Voekler discovers a secret cache of letters written by the father she has long presumed dead she learns the truth about her grandfather's work her father's identity and why she has never progressed in her career With little more than a rudimentary plan and hope she journeys to Berlin and risks everything to free her father and get him out of East Berlin alive As Luisa and Haris take turns telling their stories events speed toward one of the twentieth century's most dramatic moments the fall of the Berlin Wall and that night's promise of freedom truth and reconciliation for those who lived for twenty eight years behind the bleak shadow of the Iron Curtain's most iconic symbol A Cold War novel that takes readers to the heart of Berlin to witness both the early and final days of the Berlin Wall Stand alone novel Book length approximately 107 000 words Includes discussion questions for book clubs Cold War David Brierley,1979-01-01 A Cold War Story Jim Conkey,2008-07-07 Mystery history and romance carry the reader through this story that makes just a little too much sense I consider A Cold War Story a must read book for anyone who wants to understand where America has been and ponders where we should go from here For most Americans awareness of terrorism began with 9 11 when U S borders were invaded

But when did terrorism begin really And how could the Cold War of so long ago have any connections with todays events in the Middle East In a fast paced and well researched historical novel author Jim Conkey draws a terrifying picture of how terrorism threatened world peace long before the twin towers fell Vikki Ford Author and Oral Historian
