Logos

Respect the logo

You break the rules - only use the official master graphics. Never alter or distort or re-create the logo in any way. Don't distort it, rotate it, stretch it, skew it, bend it, colour it or draw it. Don't even think about doing anything other than using it.

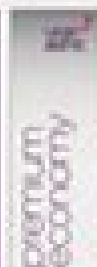

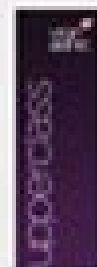

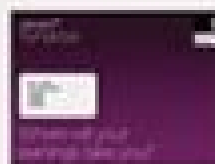

Logos and text

When to use text-only

The logo and word mark can also work as separate elements. Lock-up or separated? Here's how to decide.

Whether you're using the logo or the word mark, it's important to maintain the integrity of the brand. The logo and word mark should always be used together, unless you're using them as separate elements.
