Visions Apparitions Alien Visitors A Comparative Study Of The Entity Enigma:

Visions, Apparitions, Alien Visitors Hilary Evans, 1984 **Visions, Apparitions, and Alien Visitors: a Comparative Study of the Entity Enigma, from Ancient Astronauts to Modern Ufonauts** Hilary Evans, 1986-12-15 This is the first comparative study of ghosts apparitions astral doubles alien visitors and the many other nonhuman entities with which ordinary people throughout history have claimed contact Through a careful analysis and assessment of the available evidence and the latest theoretical approaches Hilary Evans offers an original and convincing explanation for the ancient alien entity enigma Throughout history men women and children have reported contacts with an extraordinary variety of non human entities In apparent good faith they tell us of meetings with demons angels long dead saints the Virgin Mary fairies spirits of the dead and apparitions of the living In our own time the number of such reports has dramatically increased What can we make of such claims Evans reviews the enormous diversity of sightings beginning with dream figures imaginary childhood companions doppelgangers and UFO occupants He then considers the ways in which entities have been deliberately induced ranging from magical rituals and seances to laboratory experiments and the use of hallucinogens and presents a Jungian model demonstrating how entity sightings whether subjective or external in origin may occur Hilary Evans holds degrees from both Cambridge and Birmingham Universities and helped found the Association for the Scientific Study of Anomalous Phenomena ASSAP He is director of the Evans Library in London *Visions, Apparitions, Alien Visitors* Hilary Evans, 1984

The Myth and Mystery of UFOs Thomas E. Bullard, 2016-10-17 When United Airlines workers reported a UFO at O Hare Airport in November 2006 it was met with the typical denials and hush up that usually accompany such sightings But when a related story broke the record for hits at the Chicago Tribune s website it was clear that such unexplained objects continued to occupy the minds of fascinated readers Why wonders Thomas Bullard don t such persistent sightings command more urgent attention from scientists scholars and mainstream journalists The answer in part lies in Bullard s wide ranging magisterial survey of the mysterious frustrating and ever evolving phenomenon that refuses to go away and our collective efforts to understand it In his trailblazing book Bullard views those efforts through the lens of mythmaking discovering what UFO accounts tell us about ourselves our beliefs and the possibility of visitors from beyond Bullard shows how ongoing grassroots interest in UFOs stems both from actual personal experiences and from a cultural mythology that defines such encounters as somehow alien and how it views relentless official denial as a part of conspiracy to hide the truth He also describes how UFOs have catalyzed the evolution of a new but highly fractured belief system that borrows heavily from the human past and mythic themes and which UFO witnesses and researchers use to make sense of such phenomena and our place in the cosmos Bullard s book takes in the whole spectrum of speculations on alien visitations and abductions magically advanced technologies governmental conspiracies varieties of religious salvation apocalyptic fears and other paranormal experiences Along the way Bullard investigates how UFOs have inspired books movies and television series blurred the boundaries between science science fiction and religion and crowded the Internet with websites and discussion groups From the patches of this crazy quilt he posits evidence that a genuine phenomenon seems to exist outside the myth Enormously erudite and endlessly engaging Bullard s study is a sky watcher s guide to the studies stories and debates that this elusive subject has inspired It shows that despite all the competing interests and errors clouding the subject there is substance beneath the clutter a genuinely mysterious phenomenon that deserves attention as more than a myth

Histories of the Hidden God April D DeConick, Grant Adamson, 2016-04-08 In Western religious traditions God is conventionally conceived as a humanlike creator lawgiver and king a being both accessible and actively present in history Yet there is a concurrent and strong tradition of a God who actively hides The two traditions have led to a tension between a God who is simultaneously accessible to humanity and yet inaccessible a God who is both immanent and transcendent present and absent Western Gnostic esoteric and mystical thinking capitalizes on the hidden and hiding God He becomes the hallmark of the mystics Gnostics sages and artists who attempt to make accessible to humans the God who is secreted away Histories of the Hidden God explores this tradition from antiquity to today The essays focus on three essential themes the concealment of the hidden God the human quest for the hidden God and revelations of the hidden God

Paranormal America (second Edition) Christopher D. Bader, Joseph O. Baker, F. Carson Mencken, 2017-04-18 Based on extensive research and their own unique personal experiences the authors

reveal that a significant number of Americans hold these beliefs and that for better or worse we undoubtedly live in a paranormal America Readers will join the authors as they participate in psychic and palm readings and have their auras photographed join a Bigfoot hunt follow a group of celebrity ghost hunters as they investigate claims of a haunted classroom and visit a support group for alien abductees Provided by publisher **The Mammoth Book of UFOs** Lynn Picknett,2012-03-01 The ultimate guide to the history background and meaning of whether UFOs really exist plus associated phenomena such as alien abduction crop circles and cattle mutilations There is also a comprehensive overview of the many conspiracy theories which surround UFOs and abductions from the craft as secret Nazi technology to weird CIA plots Written by a ufologist with many years in the field this exciting and highly provocative book at times reads like a thriller What messages do UFOs hold for us and for the future of life on earth Religion, Supernaturalism, the Paranormal and Pseudoscience Homayun Sidky,2019-11-30 Religion Supernaturalism the Paranormal and Pseudoscience provides a comprehensive rejoinder to the challenges posed to science scientific anthropology evolutionary theory and rationality by the advocates of supernatural paranormal and pseudoscientific perspectives and modes of thought associated with the current rise of irrationalism antiintellectualism and emboldened religious fundamentalism and violence Drawing upon H Sidky s scientific anthropological background and ethnographic field research of supernatural and paranormal beliefs and practices in several cultures over three decades the book answers several important questions Why do humans have a proclivity for the supernatural and paranormal thinking Why has humanity remained shackled to sets of ideas inherited from a violent past that have no basis in reality and which bestow an illusionary solace promote bloodshed endless cruelties and fervent hatreds and have come at a high cost Why have ancient superstitions been held as sacred inviolate truths while other aspects of the archaic belief systems of which they were a part have long been discarded Why have not humans outgrown religion and paranormal beliefs **The Resurrection of Jesus** Dale C. Allison, Jr.,2021-03-11 The earliest traditions around the narrative of Jesus resurrection are considered in this landmark work by Dale C Allison Jr drawing together the fruits of his decades of research into this issue at the very core of Christian identity Allison returns to the ancient sources and earliest traditions charting them alongside the development of faith in the resurrection in the early church and throughout Christian history Beginning with historical critical methodology that examines the empty tomb narratives and early confessions Allison moves on to consider the resurrection in parallel with other traditions and stories including Tibetan accounts of saintly figures being assumed into the light in the chapter Rainbow Body Finally Allison considers what might be said by way of results or conclusions on the topic of resurrection offering perspectives from both apologetic and sceptical viewpoints In his final section of modest results he considers scholarly approaches to the resurrection in light of human experience adding fresh nuance to a debate that has often been characterised in overly simplistic terms of it happened or it didn t *Famous Ghost Stories* Brian Haughton,2011-08-15 Presents a history and critique of a selection of the famous ghost stories from

different countries organized by such common themes as spectral armies phantom women in white haunted houses screaming skulls crisis apparitions and ghostly lights *Histories of Egyptology* William Carruthers,2014-07-11 Histories of Egyptology are increasingly of interest to Egyptologists archaeologists historians and others Yet particularly as Egypt undergoes a contested process of political redefinition how do we write these histories and what or who are they for This volume addresses a variety of important themes the historical involvement of Egyptology with the political sphere the manner in which the discipline stakes out its professional territory the ways in which practitioners represent Egyptological knowledge and the relationship of this knowledge to the public sphere Histories of Egyptology provides the basis to understand how Egyptologists constructed their discipline Yet the volume also demonstrates how they construct ancient Egypt and how that construction interacts with much wider concerns of society and of the making of the modern world

Shakespeare's Ghosts Live Adrian Parker-Reed,Annekatriin Puhle,2017-03-07 Shakespeare has been one of the most cited authors since his plays were performed and yet little attention has been paid to his views on psychic phenomena It took another 300 years of paranormal experiences before scholars at Cambridge University helped to found the Society for Psychical Research which brought scientific scrutiny to the area and the UK is now a world leader in university research on this topic This book throws new light on many historical case reports from Shakespeare s time onwards It identifies the core experiences that transcend time and give clues to an understanding of psychic phenomena The book highlights Shakespeare s insights showing how these relate to and even amplify the conclusions of later and on going research In our time of disconnectedness from nature the book discusses neglected human experiences which represent an important part of life and which do in fact occur to most of us In doing so the book raises awareness against the emptiness of a zombie like existence in today s society and offers a new approach to life and death and their deeper meaning **Seeing the Messiah** Jonathan Kendall,2025-07-14 Apparitions are real The evidence for their objective nature is immense and they are frequently not the transparent non physical manifestations depicted by Hollywood and popular culture Moreover some apparitions demonstrate blatantly physical characteristics to the point that they may be initially mistaken for real people Seeing the Messiah takes readers on a tour of case studies from eight well evidenced categories of apparitions that occur in nature These categories include visions of the bereaved those that linger in haunted houses figures that materialize during s ances and apparitions that represent religious icons such as the Blessed Virgin Mary What exactly are apparitions Visitations from the supernatural realm Dramas created through telepathy Dr Kendall speculates on how these strange intrusions into our reality might best be interpreted and the implications this has for the nature of reality itself Having established the characteristics of this phenomenon Dr Kendall examines claims that Menachem Mendel Schneerson i e the Lubavitcher Rebbe was raised from the dead with special scrutiny of the post mortem encounters of the Rebbe to his followers He then evaluates the historical data used to support Jesus resurrection in light of the same apparitional data Do those who see the Messiah merely experience

The Top Books of the Year Visions Apparitions Alien Visitors A Comparative Study Of The Entity Enigma The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
