

Book #1 of a Thrilling Trilogy

A woman in a white dress stands in the center of a dark, misty forest. She is facing away from the viewer, looking towards a bright, glowing light source in the distance. The trees are silhouetted against the light, creating a dramatic and mysterious atmosphere.

Visions The Mystical Encounter Series Volume 1:

Visions in Late Medieval England Gwenfair Walters Adams, 2007 This volume is the first to explore the breadth of vision types in late medieval English lay spirituality Analyzing 1000 accounts it proposes that visions buttressed five core dynamics relating to purgatory saints demons sacramental faith and the Church's authority Between Three Worlds John C. Stephens, 2023-02-10 This book explores the motif of the spiritual journey and its evolution in Western literature A spiritual journey can be broadly defined as a search for the divine Such a search can occur either internally as a psychological process or in some cases may involve an actual geographic journey Spiritual journeys can be conducted by individuals or groups In exploring this topic various kinds of texts will be reviewed including autobiographies novels and short stories as well as myths folktales and mystical writings The book classifies spiritual journey narratives into four categories theological journeys mystical journeys mythopoetic journeys and allegorical journeys Representative texts have been selected in the history of Western religious literature that illustrate the basic features of each of these four categories

of the imagination thoughts and desires that frequently accompanies mystical states of consciousness Hollenback shows its cross cultural persistence its role in constructing the perceptual and existential environments within which the mystic dwells and its linkage to the fundamental contextuality of mystical experience **Western Mysticism** Cuthbert Butler,1924

Jesus, a New Vision Marcus J. Borg,1987 This book attempts in a scholarly and nondogmatic way to say This is what the historical Jesus was like this is what he taught and this is what his mission was about It seeks in short to sketch a portrait of what Jesus was like as a figure of history before his death A twofold purpose to present a synthesis of modern Jesus scholarship that is accessible to the general reader whether Christian or among the interested inquirers to make a serious scholarly case for a particular image of the historical Jesus that is considerably at variance with the dominant scholarly image
